

## **BANK OF ENGLAND MARKET NOTICE: EXTENDED COLLATERAL LONG-TERM REPO OPERATIONS**

1 The Bank will hold extended collateral three month long-term repo open market operations (OMOs) twice-monthly up to and including the scheduled long-term repo operation on 14 April 2009. Operations will be held on the following Tuesdays, at 10.00: 3 February; 17 February; 3 March; 17 March; 31 March; and 14 April 2009. The Bank will normally announce the size of those operations on the Friday before the date of the operation. The size of the operation on 3 February will be £20 billion; its settlement date will be 5 February; and its maturity date will be 7 May.

2 Other than as amended by this Market Notice, the terms of the Bank's previous Market Notices on extended collateral long-term repo OMOs will apply to these three-month long-term repo operations.

3 The Bank will publish an updated version of its consolidated Market Notice on extended collateral long-term repo OMOs in due course.
