“Uniform Commercial Code” shall mean the Uniform Commercial Code as in effect from time to time in the State of New York; provided that if by reason of mandatory provisions of law, the perfection or the effect of perfection or non-perfection of the security interest in any Facility Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than New York, “Uniform Commercial Code” shall mean the Uniform Commercial Code as in effect in such other jurisdiction for purposes of the provisions hereof relating to such perfection or effect of perfection or non-perfection.

“Work Rule Modifications” shall mean application of work rules for the U.S. employees of the Borrower and its Subsidiaries, beginning not later than December 31, 2009, in a manner that is competitive with the work rules for employees of Nissan Motor Company, Toyota Motor Corporation, or American Honda Motor Company whose site of employment is in the United States.

1.02 Interpretation. The following rules of this Section 1.02 apply unless the context requires otherwise. A gender includes all genders. Where a word or phrase is defined, its other grammatical forms have a corresponding meaning. A reference to a subsection, Section, Appendix, Annex or Exhibit is, unless otherwise specified, a reference to a Section of, or annex or exhibit to, this Loan Agreement. A reference to a party to this Loan Agreement or another agreement or document includes the party’s successors and permitted substitutes or assigns. A reference to an agreement or document (including any Loan Document) is to the agreement or document as amended, restated, modified, novated, supplemented or replaced, except to the extent prohibited thereby or by any Loan Document and in effect from time to time in accordance with the terms thereof. A reference to legislation or to a provision of legislation includes a modification or re-enactment of it, a legislative provision substituted for it and a regulation or statutory instrument issued under it. A reference to writing includes a facsimile transmission and any means of reproducing words in a tangible and permanently visible form. A reference to conduct includes, without limitation, an omission, statement or undertaking, whether or not in writing. The words “hereof”, “herein”, “hereunder” and similar words refer to this Loan Agreement as a whole and not to any particular provision of this Loan Agreement. The term “including” is not limiting and means “including without limitation”. In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including”, the words “to” and “until” each mean “to but excluding”, and the word “through” means “to and including”.

Except where otherwise provided in this Loan Agreement, any determination, consent, approval, statement or certificate made or confirmed in writing with notice to the Borrower by the Lender or an authorized officer of the Lender provided for in this Loan Agreement is conclusive and binds the parties in the absence of manifest error. A reference to an agreement includes a security interest, guarantee, agreement or legally enforceable arrangement whether or not in writing related to such agreement.

A reference to a document includes an agreement (as so defined) in writing or a certificate, notice, instrument or document, or any information recorded in computer disk form. Where a Loan Party is required to provide any document to the Lender under the terms of this Loan Agreement, the relevant document shall be provided in writing or printed form unless the Lender requests otherwise. At the request of the Lender, the document shall be provided in computer disk form or both printed and computer disk form.

This Loan Agreement is hereby modified where indicated in Appendix A hereto.

This Loan Agreement is the result of negotiations among, and has been reviewed by counsel to, the Lender and the Loan Parties, and is the product of all parties. In the interpretation of this Loan Agreement, no rule of construction shall apply to disadvantage one party on the ground that such party proposed or was involved in the preparation of any particular provision of this Loan Agreement or this Loan Agreement itself. Except where otherwise expressly stated, the Lender may give or withhold, or give conditionally, approvals and consents and may form opinions and make determinations at its absolute discretion. Any requirement of good faith, discretion or judgment by the Lender shall not be construed to require the Lender to request or await receipt of information or documentation not immediately available from or with respect to the Borrower, any other Loan Party, any other Person, or the Facility Collateral themselves.

1.03 Accounting Terms and Determinations. Except as otherwise expressly provided herein, all accounting terms used herein shall be interpreted, and all financial statements and certificates and reports as to financial matters required to be delivered to the Lender hereunder shall be prepared, in accordance with GAAP.

SECTION 2. ADVANCES, NOTE AND PAYMENTS.

2.01 Advances.

(a) Subject to fulfillment of the conditions precedent set forth in Sections 5.01 and 5.02 hereof, and provided that no Default or Event of Default shall have occurred and be continuing hereunder, the Lender agrees, on the terms and conditions of this Loan Agreement, to make loans (individually, an “Advance”; collectively, the “Advances”) to the Borrower in Dollars, on each Funding Date in an aggregate principal amount up to but not exceeding the Maximum Loan Amount.

(b) The Advances made on each Funding Date shall be in an amount as set forth in Section 2.01(b) of Appendix A.

(c) Each Advance shall be a term loan and no amounts of any Advance repaid may be reborrowed hereunder.

(d) Lender shall have no obligation to make an Advance when any Default or Event of Default has occurred and is continuing.

(e) Without limiting any other provision of this Loan Agreement, the obligation of the Lender to fund any Advance is subject to the satisfaction (or waiver by the Lender) of the conditions precedent set forth in Section 5.

2.02 The Note.

(a) Subject to the amendments, restatements, supplements or other modifications in Section 2.02(a) of Appendix A, the Advances made by the Lender shall be evidenced by a single promissory note of the Borrower substantially in the form of **Exhibit A** hereto (the “Note”), dated the date hereof, payable to the Lender in a principal amount equal to the amount of the Maximum Loan Amount as originally in effect and otherwise duly completed. The Lender shall have the right to have its Note subdivided, by exchange for promissory notes of lesser denominations or otherwise.

(b) The date, amount and interest rate of each Advance made by the Lender to the Borrower, and each payment made on account of the principal thereof, shall be recorded by the Lender on its books and, prior to any transfer of the Note, noted by the Lender on the grid attached to the Note or any continuation thereof; provided, that the failure of the Lender to make any such recordation or notation shall not affect the obligations of the Borrower to make a payment when due of any amount owing hereunder or under the Note in respect of the Advances.

2.03 Procedure for Borrowing.

(a) The Borrower may request a borrowing to be made on a Funding Date, by delivering to the Lender an irrevocable Notice of Borrowing substantially in the form of **Exhibit C** hereto (a “Notice of Borrowing”), appropriately completed, which Notice of Borrowing must be received no later than 5:00 p.m. (Washington, D.C. time) two (2) Business Days prior to the requested

Funding Date (other than the Notice of Borrowing for the Advance to be made on the Effective Date, which Notice must be received no later than 3:00 p.m. (Washington D.C. time) on the Effective Date).

(b) Upon the Borrower's request for a borrowing pursuant to Section 2.03(a), the Lender shall, assuming all conditions precedent set forth in this Section 2.03 and in Sections 5.01 and 5.02 have been met, and provided no Default or Event of Default shall have occurred and be continuing, not later than 5:00 p.m. (Washington, D.C. time) on the requested Funding Date, make an Advance in an amount for each Funding Date as set forth in Section 2.01(b) of Appendix A. Subject to the foregoing, the Lender shall deliver the Advance to the Borrower in immediately available funds, via wire transfer (pursuant to the wire transfer instructions set forth in Section 2.03(b) of Appendix A).

2.04 Limitation on Types of Advances; Illegality. Anything herein to the contrary notwithstanding, if, on or prior to the determination of LIBOR:

(a) the Lender determines, which determination shall be conclusive, that quotations of interest rates for the relevant deposits referred to in the definition of "LIBOR" in Section 1.01 hereof are not being provided in the relevant amounts or for the relevant maturities for purposes of determining rates of interest for Advances as provided herein; or

(b) the Lender determines, which determination shall be conclusive, that the Spread Amount plus the relevant rate of interest referred to in the definition of "LIBOR" in Section 1.01 hereof upon the basis of which the rate of interest for Advances is to be determined is not likely adequately to cover the cost to the Lender of making or maintaining Advances; or

(c) it becomes unlawful for the Lender to make or maintain Advances hereunder using LIBOR;

then the Lender shall give the Borrower prompt notice thereof and, so long as such condition remains in effect, the Borrower shall pay interest on all outstanding Advances at a rate per annum as determined by the Lender taking into account the cost to the Lender of making and maintaining the Advances.

2.05 Repayment of the Advances; Interest.

(a) On the Maturity Date, the Borrower shall repay to the Lender the aggregate principal amount of all Advances then outstanding under the Note, together with all interest thereon and fees and out-of-pocket expenses of the Lender accruing under this Loan Agreement; provided that, if a Termination Event shall have occurred, all such amounts shall become due and payable on the thirtieth (30th) day after the Certification Deadline without any further action on the part of the Lender, except as may otherwise be provided in Section 2.05(a)(ii) of Appendix A.

(b) Each Advance shall bear interest on the unpaid principal amount thereof at a rate per annum equal to LIBOR plus the Spread Amount, payable in arrears (i) on each Interest Payment Date in respect of the previous Interest Period, (ii) on the Maturity Date and (iii) on payment or prepayment of an Advance in whole or in part, in the amount of interest accrued on the amount paid or prepaid, provided that interest accruing pursuant to paragraphs (c) or (d) of this Section shall be payable from time to time on demand.

(c) If all or a portion of any Advance, any interest payable on any Advance or any fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the Post

Default Rate, in each case from the date of such non-payment until such amount is paid in full (as well after as before judgment).

(d) Upon the occurrence and continuance of any Default or Event of Default, at the option of the Lender, all Advances, any fee or other amount payable hereunder shall bear interest at a rate per annum equal to the Post Default Rate, in each case from the date of such Default or Event of Default until such amount is paid in full (as well after as before judgment).

2.06 Optional Prepayments.

(a) The Advances are prepayable without premium or penalty, in whole or in part at any time, in accordance herewith and subject to clause (b) below. Any amounts prepaid shall be applied (i) first, to pay any fees and indemnity obligations owed to the Lender, (ii) second, to pay accrued and unpaid interest and (iii) third, to repay the outstanding principal amount of any Advances until paid in full. Amounts repaid may not be reborrowed. If the Borrower intends to prepay an Advance in whole or in part from any source, the Borrower shall give two (2) Business Days' prior written notice thereof to the Lender. If such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with accrued interest to such date on the amount prepaid. Partial prepayments shall be in an aggregate principal amount of at least \$100,000,000 and in integral multiples of \$50,000,000 thereafter.

(b) In connection with each prepayment, other than on an Interest Payment Date, the Borrower shall indemnify the Lender and hold the Lender harmless from any actual loss or expense which the Lender may sustain or incur arising from (i) the re-employment of funds obtained by the Lender to maintain the Advances hereunder or (ii) fees payable to terminate the deposits from which such funds were obtained, in either case, which actual loss or expense shall be equal to an amount equal to the excess, as reasonably determined by the Lender, of (x) its cost of obtaining funds for such Advance for the period from the date of such payment through the next Interest Payment Date over (y) the amount of interest likely to be realized by the Lender in redeploying the funds not utilized by reason of such payment for such period. This Section 2.06 shall survive termination of this Loan Agreement and payment of the Note.

(c) Notwithstanding the Borrower's right to prepay the Advances pursuant to this Section 2.06, in no event will the Lender's Lien on any of the Facility Collateral be released upon any such prepayment until payment in full of all Advances and the satisfaction of all other Obligations.

2.07 Mandatory Prepayments. In the event and on each occasion that any Net Proceeds are received by or on behalf of any Loan Party in respect of any Prepayment Event, the Borrower shall, within one (1) Business Day after such Net Proceeds are received by the applicable Loan Party, prepay the Advances, in an aggregate amount equal to 100% of such Net Proceeds (a "Mandatory Prepayment"). Notwithstanding the foregoing, the applicable Loan Party shall not be required to make a Mandatory Prepayment arising in connection with a Disposition of Facility Collateral in the ordinary course of business if such Loan Party reinvests 100% of the Net Proceeds from such Disposition within twenty (20) days of the Disposition in Property that becomes, upon the purchase thereof, subject to a Lien in favor of the Lender having the same priority as the Lender's Lien on the Facility Collateral so Disposed (a "Collateral Substitution"). Upon receiving any Mandatory Prepayment in connection with the Disposition of Facility Collateral, the Lender shall release its Lien thereon in accordance with Section 4.12. Unless and until all Advances have been paid in full and all other Obligations have been satisfied, the Lender shall not be required to release its Lien on any Facility Collateral other than Facility Collateral for which the Disposition thereof gave rise to such Mandatory Prepayment. The Borrower's

obligation under this Section 2.07 to prepay Advances with any such Net Proceeds may be modified as provided in Section 2.07 of Appendix A.

2.08 Requirements of Law.

(a) If any Requirement of Law (other than with respect to any amendment made to the Lender's certificate of incorporation, by-laws or other organizational or governing documents) or any change in the interpretation or application thereof or compliance by the Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the date hereof:

(i) shall subject the Lender to any tax of any kind whatsoever with respect to this Loan Agreement, the Note or any Advance made by it (excluding net income taxes) or change the basis of taxation of payments to the Lender in respect thereof (provided that, this clause (i) shall not apply to any withholding taxes, Excluded Taxes or taxes covered by Section 3.03);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory advance or similar requirement against assets held by deposits or other liabilities in or for the account of Advances or other extensions of credit by, or any other acquisition of funds by any office of the Lender which is not otherwise included in the determination of LIBOR hereunder;

(iii) shall impose on the Lender any other condition;

and the result of any of the foregoing is to increase the cost to the Lender, by an amount which the Lender deems to be material, of making, continuing or maintaining any Advance or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay the Lender such additional amount or amounts as will compensate the Lender for such increased cost or reduced amount receivable thereafter incurred.

(b) If the Lender shall have determined that the adoption of or any change in any Requirement of Law (other than with respect to any amendment made to the Lender's certificate of incorporation, by-laws or other organizational or governing documents) regarding capital adequacy or in the interpretation or application thereof or compliance by the Lender or any Person controlling the Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the date hereof shall have the effect of reducing the rate of return on the Lender's or such Person's capital as a consequence of any obligations hereunder to a level below that which the Lender or such Person (taking into consideration the Lender's or such Person's policies with respect to capital adequacy) by an amount deemed by the Lender to be material, then from time to time, the Borrower shall promptly pay to the Lender such additional amount or amounts as will thereafter compensate the Lender for such reduction.

(c) If the Lender becomes entitled to claim any additional amounts pursuant to this subsection, it shall promptly notify the Borrower of the event by reason of which it has become so entitled. A certificate as to any additional amounts payable pursuant to this subsection submitted by the Lender to the Borrower shall be conclusive in the absence of manifest error.

2.09 Use of Proceeds

The Borrower shall utilize the proceeds from the Advances as set forth in Section 2.09 of Appendix A.

SECTION 3. PAYMENTS; COMPUTATIONS; TAXES.

3.01 Payments. Except to the extent otherwise provided herein, all payments of principal, interest and other amounts to be made by the Borrower under the Loan Documents, shall be made in Dollars, in immediately available funds, without deduction, set-off or counterclaim, to the Lender at the account set forth in Section 3.01 of Appendix A not later than 5:00 p.m. (Washington, D.C. time), on the date on which such payment shall be due. Any amounts received after such time on any date may, in the discretion of the Lender, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. The Borrower acknowledges that it has no rights of withdrawal from the foregoing account.

3.02 Computations. Interest on the Advances shall be computed on the basis of a 360-day year for the actual days elapsed (including the first day but excluding the last day) occurring in the period for which payable.

3.03 US Taxes.

(a) Except as required by Applicable Law, all payments made by the Borrower under this Loan Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, or Other Taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority, excluding net or overall gross income taxes or net or overall gross profit taxes, franchise taxes (imposed in lieu of net or overall gross income taxes) and branch profit taxes imposed on the Lender as a result of a present or former connection between the Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from the Lender's having executed, delivered or performed its obligations or received a payment under, or enforced, this Loan Agreement or any other Loan Document). If any such non-excluded taxes, levies, imposts, duties, charges, fees, deductions or withholdings ("Non-Excluded Taxes") or any Other Taxes are required to be withheld from any amounts payable to the Lender hereunder, the amounts so payable to the Lender shall be increased to the extent necessary to yield to the Lender (after payment of all Non-Excluded Taxes and Other Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Loan Agreement; provided, however, that the Borrower shall not be required to increase any such amounts payable to the Lender with respect to any Non-Excluded Taxes that are (i) attributable to the Lender's failure to comply with the requirements of paragraph (d) or (e) of this Section 3.03, (ii) backup withholding taxes, imposed under Section 3406 of the Code, (iii) taxes imposed by way of withholding on net or gross income, but not excluding such taxes arising as a result of a change in Applicable Law occurring after (A) the date that such Person became a party to this Loan Agreement, or (B) with respect to an assignment, acquisition, grant of a participation the effective date of such assignment, acquisition, participation or appointment, except to the extent that such Person's predecessor was entitled to such amounts, or (C) with respect to the designation of a new lending office, the effective date of such designation, except to the extent such Person was entitled to receive such amounts with respect to its previous lending office; and (iv) taxes resulting from such Person's gross negligence or willful misconduct (collectively, and together with the taxes excluded by the first sentence of this Section 3.03(a), "Excluded Taxes").

(b) In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law.

(c) Whenever any Non-Excluded Taxes or Other Taxes are payable by the Borrower, as promptly as possible thereafter, the Borrower shall send to the Lender, a certified copy of an original official receipt received by the Borrower showing payment thereof (or if an official receipt is not available, such other evidence of payment as shall be satisfactory to such Lender). If the Borrower fails to pay any Non-Excluded Taxes or Other Taxes required to be paid by the Borrower under this Section 3.03 when due to the appropriate taxing authority or fails to remit to the Lender the required receipts or other required documentary evidence, the Borrower shall indemnify the Lender for any incremental taxes, interest or penalties that may become payable by the Lender as a result of any such failure. The agreements in this Section shall survive the termination of this Loan Agreement and the payment of the Advances and all other amounts payable hereunder.

(d) If the Lender (or Participant or the Lender's assignee) is not a "United States person" as defined in Section 7701(a)(30) of the Code (a "Non-U.S. Lender"), such Person shall deliver to the Borrower (and, in the case of a Participant, to the Lender from which the related participation shall have been purchased) two original copies of either U.S. Internal Revenue Service Form W-8BEN, Form W-8ECI and/or Form W-8IMY, or, in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest" a statement substantially in the form of **Exhibit F** and a Form W-8BEN, and/or any subsequent versions thereof or successors thereto properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or a reduced rate of, U.S. federal withholding tax on all payments by the Borrower under this Loan Agreement and the other Loan Documents. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Loan Agreement (or, in the case of any Participant or the Lender's assignee, on or before the date such Participant purchases the related participation, or Lender's assignee takes its assignment, as the case may be). In addition, each Non-U.S. Lender shall deliver such forms promptly upon (i) the obsolescence, expiration or invalidity of any form previously delivered by such Non-U.S. Lender and (ii) the written request of the Borrower. If the Lender (or a Participant or the Lender's assignee) is a "United States person" as defined in Section 7701(a)(30) of the Code, it shall deliver a duly executed and properly completed Internal Revenue Service Form W-9 to the Borrower at the time(s) and in the manner(s) described above with respect to the other forms referenced in this clause (d) above certifying that such person is exempt from United States backup withholding tax on payments made hereunder under the Loan Documents; provided, however, that if the Lender is an "exempt recipient" within the meaning of Treasury Regulations section 1.6049-4(c), it shall not be required to provide a Form W-9 except to the extent required under Treasury Regulations section 1.1441-1. Notwithstanding any other provision of this paragraph, the Lender shall not be required to deliver any form pursuant to this paragraph that it is not legally able to deliver.

(e) If the Lender is entitled to an exemption from or reduction of non-U.S. withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Loan Agreement then the Lender shall deliver to the Borrower, at the time or times prescribed by Applicable Law or reasonably requested by the Borrower, such properly completed and executed documentation prescribed by Applicable Law as will permit such payments to be made without withholding or at a reduced rate, provided that the Lender is legally entitled to complete, execute and deliver such documentation and in the Lender's reasonable judgment such completion, execution or submission would not materially prejudice the legal position of the Lender.

(f) If the Lender determines that it has received a refund, credit, or other reduction of taxes in respect of any Non-Excluded Taxes or Other Taxes paid by the Borrower, which refund, credit or other reduction is directly attributable to any Non-Excluded Taxes or Other Taxes paid by the Borrower, the Lender shall within sixty (60) days from the date of actual receipt of such refund or the

filing of the tax return in which such credit or other reduction results in a lower tax payment, pay over such refund or the amount of such tax reduction to the Borrower (but only to the extent of Non-Excluded Taxes or Other Taxes paid by the Borrower), net of all out of pocket expenses of such Person, and without interest (other than interest paid by the relevant Governmental Authority with respect to such refund). Notwithstanding anything to the contrary in this Loan Agreement, upon the request of the Lender, the Borrower agrees to repay any amount paid over to the Borrower pursuant to the immediately preceding sentence (plus penalties, interest, or other charges) if such Person is required to repay such amount to the taxing Governmental Authority.

(g) Real Property Taxes.

(i) If any law is enacted or adopted or amended after the date of this Loan Agreement which deducts the principal amount of Advances then outstanding, the interest thereon or the fees and out-of-pocket expenses accruing under this Loan Agreement (collectively, the "Debt") from the value of an Individual Property and the effect is that a tax is imposed, either directly or indirectly, on the Debt or the Lender's interest in an Individual Property (the "Real Property Tax"), the Borrower will pay or cause to be paid the Real Property Tax, with interest and penalties thereon, if any. If the Lender is advised by counsel chosen by it that the payment of Real Property Tax by the Borrower or such other Person would be unlawful or taxable to the Lender or provide the basis for a defense of usury, then Lender shall pay such Real Property Tax to the extent required by Applicable Law, and each Loan Party agrees to pay as and when billed by the Lender such Real Property Tax plus all of the reasonable out-of pocket costs and expenses incurred by the Lender in connection therewith. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it under this Section 3.03(g)(i), including, without limitation, reasonable fees and expenses of counsel the Borrower shall remain liable for any such payments by the Lender and such amounts shall accrue interest at the Post-Default Rate. No such payment by the Lender shall be deemed a waiver of any of its rights under the Loan Documents.

(ii) Neither the Borrower nor any Loan Party shall claim or demand or be entitled to any credit or credits on account of the Debt for any part of the real estate and personal property taxes, assessments, impositions and any other charges now or hereafter levied or assessed or imposed against any Individual Property or part thereof, and no deduction shall otherwise be made or claimed from the assessed value of an Individual Property, or any part thereof, for real estate tax purposes by reason of any Mortgage or other Loan Document or the Debt. If such claim, credit or deduction shall be required by Applicable Law and may not be legally waived by the Borrower or the applicable Loan Party with respect to any Individual Property (each such Individual Property, a "Specially Taxed Property"), and Lender is required by Applicable Law to pay any tax with regard to a Specially Taxed Property, then Lender shall pay such tax, and each Loan Party agrees to pay as and when billed by the Lender the amount of such tax plus all of the reasonable out-of pocket costs and expenses incurred by the Lender in connection therewith. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it under this Section 3.03(g)(ii), including, without limitation, reasonable fees and expenses of counsel the Borrower shall remain liable for any such payments by the Lender and such amounts shall accrue interest at the Post-Default Rate. No such payment by the Lender shall be deemed a waiver of any of its rights under the Loan.

SECTION 4. COLLATERAL SECURITY.

4.01 Collateral; Security Interest.

(a) Subject to any amendments, restatements, supplements or other modifications in Section 4.01 of Appendix A, as security for the prompt and complete payment when due of the Obligations and the performance by the Borrower of all the covenants and obligations to be performed by it pursuant to this Loan Agreement and the other Loan Documents, the Borrower hereby mortgages, pledges and grants to the Lender a Lien on and security interest in all of its rights, title and interest in and to all personal property and real property wherever located and whether now or hereafter existing and whether now owned or hereafter acquired, of every kind and description, tangible or intangible, including without limitation, the following, whether now or hereafter existing and wherever located:

- (i) all Intellectual Property as well as royalties therefrom;
- (ii) each Individual Property;
- (iii) all cash and Cash Equivalents, and all other property from time to time deposited in any account or deposit account and the monies and property in the possession or under the control of Lender or any affiliate, representative, agent or correspondent of Lender related to the foregoing;
- (iv) all other tangible and intangible personal property of the Borrower (whether or not subject to the Uniform Commercial Code), including, without limitation, all bank and other accounts and all cash and all investments therein, all rights to receive cash and investments, including without limitation, state, Federal or local tax refunds, intercompany debt, all proceeds, products, offspring, accessions, rents, profits, income, benefits, substitutions and replacements of and to any of the property of the Borrower described in the preceding clauses of this Section 4.01(a) (including, without limitation, any proceeds of insurance thereon and all causes of action, claims and warranties now or hereafter held by the Borrower in respect of any of the items listed above), and all books, correspondence, files and other Records in the possession or under the control of the Borrower or any other Person from time to time acting for the Borrower that at any time evidence or contain information relating to any of the property described in the preceding clauses of this Section 4.01(a) or are otherwise necessary or helpful in the collection or realization thereof;
- (v) all rights, title and interest of the Borrower (but not any of the obligations, liabilities or indemnifications of the Borrower) in, to and under the Loan Documents;
- (vi) all “accounts,” “chattel paper,” “commercial tort claims,” “deposit accounts,” “documents,” “equipment,” “general intangibles” (including without limitation, uncertificated Equity Interests), “goods,” “instruments,” “inventory,” “investment property,” “letter of credit rights,” and “securities’ accounts,” as each of those terms is defined in the Uniform Commercial Code;
- (vii) and all products and proceeds relating to or constituting any or all of the foregoing (clauses (i) through (vii) collectively, the “Collateral”);

in each case howsoever the Borrower's interest therein may arise or appear (whether by ownership, security interest, claim or otherwise), provided that, notwithstanding anything to the contrary contained herein or in any other Loan Document, the term "Collateral" and each other term used in the definition thereof shall not include, and the Borrower is not pledging or granting a security interest in, any Property to the extent that such Property constitutes Excluded Collateral; provided further that if and when, and to the extent that, any Property ceases to be Excluded Collateral, the Borrower hereby grants to the Lender, and at all times from and after such date, the Lender shall have, a first priority or junior priority, as applicable, Lien in and on such Property (subject to Permitted Liens) and the Borrower shall cooperate in all respects to ensure the prompt perfection of the Lender's security interest therein.

The Liens granted to Lender hereinabove shall be first priority Liens on all of the Collateral (subject to Permitted Liens and to the extent legally and contractually permissible); provided that, with respect to the Collateral which is subject to a Senior Lien, as set forth on **Schedule 6.28**, the Lien shall be of junior priority (subject to Permitted Liens and to the extent legally and contractually permissible).

The Obligations of the Borrower under the Loan Documents constitute recourse obligations of the Borrower, and therefore, their satisfaction is not limited to payments from the Facility Collateral.

(b) With respect to each right to payment or performance included in the Collateral from time to time, the Lien granted therein includes a continuing security interest in (i) any supporting obligation that supports such payment or performance and (ii) any Lien that (A) secures such right to payment or performance or (B) secures any such supporting obligation.

4.02 UCC Matters; Further Assurances. The Borrower, shall, at all times on and after the date hereof, and at its expense, cause Uniform Commercial Code financing statements and continuation statements to be filed in all applicable jurisdictions as required to continue the perfection of the security interests created by this Loan Agreement. The Borrower shall, from time to time, at its expense and in such manner and form as the Lender may reasonably require, execute, deliver, file and record any other statement, continuation statement, specific assignment or other instrument or document and take any other action that may be necessary, or that the Lender, may reasonably request, to create, evidence, preserve, perfect or validate the security interests created hereunder or to enable the Lender to exercise and enforce its rights hereunder with respect to any of the Facility Collateral. To the extent contemplated in the Post-Closing Letter Agreement, the Borrower agrees that, if the grant of a security interest in any Property to Lender requires a consent to such grant from any other Person (other than the Borrower or any of its Affiliates), the Borrower shall use its best efforts to procure such consent. Further, the Borrower agrees that if any Excluded Collateral should, at any time following the Effective Date, become Collateral on which the Lender is permitted to take a Lien, the Borrower shall so notify the Lender and cooperate with and shall take all steps as may be reasonably required by the Lender to enable and continue the perfection of the Lender's security interests therein and shall comply with the provisions of Section 7.16 hereof in connection therewith, to the extent applicable. Without limiting the generality of the foregoing, the Borrower shall: upon the request of the Lender, execute and file such Uniform Commercial Code financing or continuation statements, or amendments thereto or assignments thereof, Mortgages, and such other instruments or notices, as may be necessary or appropriate or as the Lender may request. The Borrower hereby authorizes the Lender to file one or more Uniform Commercial Code financing or continuation statements, and amendments thereto and assignments thereof, relative to all or any of the Collateral now existing or hereafter arising without the signature of the Borrower where permitted by law. A carbon, photographic or other reproduction of this Loan Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement.

4.03 Changes in Locations, Name, etc. If the Borrower shall (i) change the location of its chief executive office/chief place of business from that specified in Section 6.10 hereof, (ii) change

its name, identity or corporate structure (or the equivalent) or change the location where it maintains records with respect to the Collateral, or (iii) reincorporate or reorganize under the laws of another jurisdiction, it shall give the Lender written notice thereof not later than ten (10) days after such event occurs, and shall deliver to the Lender all Uniform Commercial Code financing statements and amendments as the Lender shall request and taken all other actions deemed reasonably necessary by the Lender to continue its perfected status in the Collateral with the same or better priority.

4.04 Lender's Appointment as Attorney-in-Fact.

(a) The Borrower hereby irrevocably constitutes and appoints the Lender and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Borrower and in the name of the Borrower or in its own name, from time to time in the Lender's discretion, for the purpose of carrying out the terms of this Loan Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Loan Agreement, which the Borrower is required to do hereunder but has failed to do within the time limits required, including without limitation, to protect, preserve and realize upon the Collateral, to file such financing statements relating to the Collateral as the Lender at its option deems appropriate, and, without limiting the generality of the foregoing, the Borrower hereby gives the Lender the power and right, on behalf of the Borrower, without assent by, but with notice to, the Borrower, if an Event of Default shall have occurred and be continuing, to do the following:

(i) in the name of the Borrower or its own name, or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any insurance policies or with respect to any of the Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Lender for the purpose of collecting any and all such moneys due with respect to any other Collateral whenever payable;

(ii) to pay or discharge taxes and Liens levied or placed on or threatened against the Collateral; and

(iii) (A) to direct any party liable for any payment under any Collateral to make payment of any and all moneys due or to become due thereunder directly to the Lender or as the Lender shall direct; (B) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (C) to sign and endorse any invoices, assignments, verifications, notices and other documents in connection with any of the Collateral; (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral; (E) to defend any suit, action or proceeding brought against the Borrower with respect to any Collateral; (F) to settle, compromise or adjust any suit, action or proceeding described in clause (E) above and, in connection therewith, to give such discharges or releases as the Lender may deem appropriate; and (G) in connection with its exercise of its remedies hereunder pursuant to Sections 4.07 or 10, generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Lender were the absolute owner thereof for all purposes, and to do, at the Lender's option and the Borrower's expense, at any time, or from time to time, all acts and things which the Lender deems necessary to protect, preserve or realize upon the Collateral and

the Lender's Liens thereon and to effect the intent of this Loan Agreement and the other Loan Documents, all as fully and effectively as the Borrower might do.

The Borrower hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

(b) The Borrower also authorizes the Lender, at any time and from time to time, to execute, in connection with the sale provided for in Section 4.07 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(c) The powers conferred on the Lender are solely to protect the Lender's interests in the Collateral and subject to Applicable Law shall not impose any duty upon the Lender to exercise any such powers. The Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Lender nor any of its officers, directors, agents or employees shall be responsible to the Borrower for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

4.05 Performance by the Lender of the Borrower's Obligations. If the Borrower fails to perform or comply with any of its agreements contained in the Loan Documents, the Lender may itself perform or comply, or otherwise cause performance or compliance, with such agreement, and the reasonable out-of-pocket expenses of the Lender incurred in connection with such performance or compliance, together with interest thereon at a rate per annum equal to the Post-Default Rate, shall be payable by the Borrower to the Lender on demand and shall constitute Obligations.

4.06 Proceeds. If an Event of Default shall occur and be continuing, (a) all proceeds of Facility Collateral received by the Borrower consisting of cash, checks and Cash Equivalents shall be held by the Borrower in trust for the Lender, segregated from other funds of the Borrower, and shall forthwith upon receipt by the Borrower be turned over to the Lender in the exact form received by the Borrower (duly endorsed by the Borrower to the Lender, if required), and (b) any and all such proceeds received by the Borrower will be applied by the Lender against, the Obligations (whether matured or unmatured), such application to be in such order as the Lender shall elect. For purposes hereof, proceeds shall include, but not be limited to, all principal and interest payments, royalty payments, license fees, all prepayments and payoffs, all dividends and distributions, insurance claims, condemnation awards, sale proceeds, rents and any other income and all other amounts received with respect to the Facility Collateral and upon the liquidation of any Facility Collateral, all such proceeds received by the Lender will be distributed by the Lender in such order as the Lender shall elect. Any balance of such proceeds remaining after the Obligations shall have been paid in full and this Loan Agreement shall have been terminated shall be promptly paid over to the Borrower or to whomsoever may be lawfully entitled to receive the same.

4.07 Remedies. If a Default or Event of Default shall occur and be continuing, the Lender may exercise, in addition to all other rights and remedies granted to it in this Loan Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Uniform Commercial Code, at law and in equity. Without limiting the generality of the foregoing, the Lender, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon the Borrower or any other Person (all and each of which demands, defenses, presentments, protests, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Facility Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Facility Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels

or as an entirety at public or private sale or sales, at any exchange, broker's board or office of the Lender or elsewhere upon such terms and conditions and at prices that are consistent with the prevailing market for similar collateral as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Lender shall act in good faith to obtain the best execution possible under prevailing market conditions. The Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Facility Collateral so sold, free of any right or equity of redemption in the Borrower, which right or equity is hereby waived and released. The Borrower further agrees, at the Lender's request, to assemble the Facility Collateral and make it available to the Lender at places which the Lender shall reasonably select, whether at the Borrower's premises or elsewhere. The Lender shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Facility Collateral or in any way relating to the Facility Collateral or the rights of the Lender hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as the Lender may elect, and only after such application and after the payment by the Lender of any other amount required or permitted by any provision of law, including, without limitation, Section 9-504(1)(c) of the Uniform Commercial Code, need the Lender account for the surplus, if any, to the Borrower. To the extent permitted by Applicable Law, each Loan Party waives all claims, damages and demands it may acquire against the Lender arising out of the exercise by the Lender of any of its rights hereunder. If any notice of a proposed sale or other Disposition of Facility Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least ten (10) days before such sale or other Disposition. The Borrower shall remain liable for any deficiency (plus accrued interest thereon) if the proceeds of any sale or other disposition of the Facility Collateral are insufficient to pay the Obligations and the reasonable fees and disbursements incurred by the Lender, including reasonable fees and expenses of any attorneys employed by the Lender to collect such deficiency. Because the Borrower recognizes that the Lender may not be able to purchase or sell all of the Facility Collateral on a particular Business Day, or in a transaction with the same purchaser, or in the same manner because the market for such Facility Collateral may not be liquid, the Borrower agrees that liquidation of the Facility Collateral does not require a public purchase or sale and that a good faith private purchase or sale shall be deemed to have been made in a commercially reasonable manner. Accordingly, the Lender may elect, in its sole discretion, the time and manner of liquidating any Facility Collateral and nothing contained herein shall (i) obligate the Lender to liquidate any Facility Collateral on the occurrence of an Event of Default or to liquidate all Facility Collateral in the same manner or on the same Business Day or (ii) constitute a waiver of any of the Lender's rights or remedies.

4.08 Continuing Liability of the Borrower. The security interests described above are granted as security only and shall not subject the Lender or any of its assigns to, or transfer or in any way affect or modify, any obligation, liability or indemnity of the Borrower with respect to, any of the Facility Collateral or any transaction relating thereto. None of the Lender or its assigns shall be required or obligated in any manner to make any inquiry as to the nature or sufficiency of any payment received by it or the sufficiency of any performance by any party under any such obligation, or to make any payment or present or file any claim, or to take any action to collect or enforce any performance or the payment of any amount thereunder to which any such Person may be entitled at any time.

4.09 Limitation on Duties Regarding Preservation of Facility Collateral. The Lender's duty with respect to the custody, safekeeping and physical preservation of the Facility Collateral in its possession, under Section 9-207 of the Uniform Commercial Code or otherwise, shall be to deal with it in the same manner as the Lender deals with similar property for its own account. Neither the Lender nor any of its directors, officers or employees shall be liable for failure to demand, collect or realize upon all or any part of the Facility Collateral or for any delay in doing so or shall be under any

obligation to sell or otherwise dispose of any Facility Collateral upon the request of the Borrower or otherwise.

4.10 Powers Coupled with an Interest. All authorizations and agencies herein contained with respect to the Facility Collateral are irrevocable and powers coupled with an interest.

4.11 Release of Security Interest Upon Satisfaction of all Obligations. Upon termination of this Loan Agreement and repayment to the Lender of all Obligations and the performance of all obligations under the Loan Documents, the Lender shall release its security interest in any remaining Facility Collateral; provided that if any payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or a trustee or similar officer for the Borrower or any substantial part of its Property, or otherwise, this Loan Agreement, all rights hereunder and the Liens created hereby shall continue to be effective, or be reinstated, until such payments have been made.

4.12 Partial Release of Facility Collateral. Provided that no Event of Default shall then exist, the Lender shall, in connection with any Disposition of any Facility Collateral permitted under this Loan Agreement (other than dispositions of Facility Collateral between and among Loan Parties and Pledged Entities), release from the Lien of the Loan Documents the portion of the Facility Collateral Disposed of, upon the applicable Loan Parties' satisfaction of each of the following conditions:

(a) the Borrower shall provide the Lender with at least ten (10) Business Days prior written notice of its request to obtain a release of such Facility Collateral;

(b) except in the case of a Collateral Substitution or as otherwise permitted in Appendix A, the Lender shall have received a wire transfer of immediately available federal funds in the amount of the proceeds of the Disposition, together with (i) all accrued and unpaid interest on the amount of principal being prepaid through and including the prepayment date; and (ii) all other sums then due and owing under this Loan Agreement, the Note or the other Loan Documents in connection with a partial prepayment;

(c) the Borrower shall submit to the Lender, not less than ten (10) Business Days prior to the date of such release, a release of Lien (and related Loan Documents) for such Facility Collateral for execution by Lender. Such release shall be in a form that would be satisfactory to a prudent institutional lender. In addition, the Borrower shall provide all other documentation the Lender reasonably requires to be delivered by the Borrower in connection with such release, together with a certificate of a Responsible Person of the Borrower certifying that (i) such documentation is in compliance with all applicable Requirements of Law, and (ii) the release will not impair or otherwise adversely affect the Liens, security interests and other rights of the Lender under the Loan Documents not being released (or as to the parties to the Loan Documents and property subject to the Loan Documents not being released); and

(d) the Lender shall have received payment of all the Lender's reasonable, third party costs and expenses, including reasonable counsel fees and disbursements incurred in connection with the release of such Facility Collateral from the Lien of the Loan Documents and the review and approval of the documents and information required to be delivered in connection therewith.

For the avoidance of doubt, the Lien of the Lender on Facility Collateral (i) shall be automatically released upon the Disposition of Facility Collateral consisting of current assets Disposed of in the ordinary course of business and (ii) other than as provided in clause (i) above, shall not be released in

connection with the Disposition of Facility Collateral between and among Loan Parties and Pledged Entities unless the Net Proceeds of such Disposition have been applied in accordance with Section 2.07.

6.01 Existence. Each Loan Party (a) is a corporation, limited partnership or limited liability company duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has all requisite corporate or other power, and has all governmental licenses, authorizations, consents and approvals, necessary to own its assets and carry on its business as now being or as proposed to be conducted, except where the lack of such licenses, authorizations, consents and approvals would not be reasonably likely to have a Material Adverse Effect, (c) is qualified to do business and is in good standing in all other jurisdictions in which the nature of the business conducted by it makes such qualification necessary, except where failure so to qualify would not be reasonably likely (either individually or in the aggregate) to have a Material Adverse Effect, and (d) is in compliance in all material respects with all Requirements of Law.

6.02 Financial Condition. The Borrower has heretofore furnished to the Lender a copy of its audited Consolidated balance sheets and the audited Consolidated balance sheets of its Consolidated Subsidiaries (including each Loan Party), each as at December 31, 2007, with the opinion thereon of an independent auditor, a copy of which has been provided to the Lender, together with copies of the Borrower's unaudited pro forma Consolidated balance sheet and the unaudited pro forma Consolidated balance sheets of its Consolidated Subsidiaries (including each Loan Party), each as of the Effective Date. SECTION 10. REMEDIES.

(a) Upon the occurrence and during the continuance of one or more Events of Default, other than those referred to in Section 9.01(i) or (j), the Lender may immediately declare the principal amount of all Advances then outstanding under the Note to be immediately due and payable, together with all interest thereon and fees and out-of-pocket expenses accruing under this Loan Agreement; provided that upon the occurrence of an Event of Default referred to in Sections 9(i) or (j), such amounts shall immediately and automatically become due and payable without any further action by the Lender. Upon such declaration or such automatic acceleration, the balance then outstanding on the Note shall become immediately due and payable, without presentment, demand, protest or other

formalities of any kind, all of which are hereby expressly waived by the Borrower and each other Loan Party and may thereupon exercise any remedies available to it at law and pursuant to the Loan Documents, including, but not limited to, the liquidation of the Facility Collateral. Notwithstanding anything to the contrary contained in this Section 10(a), subject to the requirements of the Bankruptcy Code, upon the occurrence of an Event of Default referred to in Sections 9(i) or (j), the Lender shall have the exclusive right, exercisable at its option, to convert this Loan Agreement into a debtor-in-possession facility in form and substance acceptable to the Lender. The Lender may exercise at any time after the occurrence of an Event of Default one or more remedies, as they so desire, and may thereafter at any time and from time to time exercise any other remedy or remedies.

(b) Upon the occurrence and during the continuance of one or more Events of Default, the Lender shall have the right to obtain physical possession of the files of each Loan Party relating to the Facility Collateral and all documents relating to the Facility Collateral which are then or may thereafter come in to the possession of any Loan Party or any third party acting for any Loan Party and each Loan Party shall deliver to the Lender such assignments as the Lender shall request. In addition, the Lender shall be entitled to specific performance of all agreements of each Loan Party contained in this Loan Agreement and under any other Loan Document.

(c) In addition to all the rights and remedies specifically provided herein, the Lender shall have all other rights and remedies provided by applicable federal, state, foreign, and local laws, whether existing at law, in equity or by statute, including, without limitation, all rights and remedies available to a purchaser or a secured party, as applicable, under the Uniform Commercial Code.

(d) Except as otherwise expressly provided in this Loan Agreement, the Lender shall have the right to exercise any of its rights and/or remedies without presentment, demand, protest or further notice of any kind other than as expressly set forth herein, all of which are hereby expressly waived by each Loan Party.

(e) The Lender may enforce its rights and remedies hereunder without prior judicial process or hearing, and each Loan Party hereby expressly waives, to the extent permitted by law, any right such Loan Party might otherwise have to require the Lender to enforce its rights by judicial process. Each Loan Party also waives to the extent permitted by law, any defense such Loan Party might otherwise have to the Obligations, arising from use of nonjudicial process, enforcement and sale of all or any portion of the Facility Collateral or from any other election of remedies. Each Loan Party recognizes that nonjudicial remedies are consistent with the usages of the trade, are responsive to commercial necessity and are the result of a bargain at arm's length.

(f) Each Loan Party shall be liable to the Lender for the amount of all expenses (plus interest thereon at a rate equal to the Post-Default Rate), and breakage costs including, without limitation, all costs and expenses incurred within thirty (30) days of the Event of Default in connection with hedging or covering transactions related to the Facility Collateral.

(g) The Lender shall also be entitled to all rights and remedies set forth in Section 4 hereof.

(h) Notwithstanding any exercise of the Lender's rights with respect to Trademarks or other Intellectual Property contained in the Facility Collateral, each Loan Party and any holder of a security interest in inventory of a Loan Party shall have the right to sell such inventory free and clear of any Lender interest in the Trademarks or other Intellectual Property regardless of whether it bears any such Trademark or other Intellectual Property but subject to the Lender's security interest in such inventory, if any.

SECTION 11. MISCELLANEOUS.

11.01 Waiver. No failure or delay on the part of the Lender to exercise, and no course of dealing with respect to, any right, power, privilege or remedy under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise by the Lender of any right, power, privilege or remedy under any Loan Document preclude any other or further exercise thereof or the exercise of any other right, power, privilege or remedy. All rights, powers, privileges and remedies of the Lender provided for herein are cumulative and in addition to any and all other rights, powers, privileges and remedies provided by law, the Loan Documents and the other instruments and agreements contemplated hereby and thereby, and are not conditional or contingent on any attempt by the Lender to exercise any of its rights under any other related document. The Lender may exercise at any time after the occurrence of an Event of Default one or more remedies, as it so desires, and may thereafter at any time and from time to time exercise any other remedy or remedies.

11.02 Notices. Except as otherwise expressly permitted by this Loan Agreement, all notices, requests and other communications provided for herein and under the other Loan Documents (including, without limitation, any modifications of, or waivers, requests or consents under, this Loan Agreement) shall be given or made in writing (including, without limitation, by telecopy or Electronic Transmission) delivered to the intended recipient at the "Address for Notices" specified on the signatures pages hereof, beneath each party's name or in Section 11.02 of Appendix A; or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. Except as otherwise provided in this Loan Agreement and except for notices given under Section 2 (which shall be effective only on receipt), all such communications shall be deemed to have been duly given when transmitted by telecopier or Electronic Transmission or personally delivered or, in the case of a mailed notice, upon receipt, in each case given or addressed as aforesaid.

11.03 Indemnification and Expenses.

(a) Each Loan Party agrees to hold the Lender, and its Affiliates and their officers, directors, employees, agents and advisors (each an "Indemnified Party") harmless from and indemnify any Indemnified Party against any and all claims, suits, actions, proceedings, obligations, liabilities (including, without limitation, strict liabilities) and debts, and all losses, actual damages, judgments, awards, amounts paid in settlement of whatever kind or nature, fines, penalties, charges, costs and expenses of any kind (including, but not limited to, reasonable attorneys' fees and other costs of defense), which may be imposed on, incurred by or asserted against such Indemnified Party (collectively, the "Costs") relating to or arising out of this Loan Agreement, the Note, any other Loan Document or any transaction contemplated hereby or thereby, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Loan Agreement, the Note, any other Loan Document or any transaction contemplated hereby or thereby, that, in each case, results from anything other than any Indemnified Party's gross negligence or willful misconduct. Without limiting the generality of the foregoing, each Loan Party agrees to hold any Indemnified Party harmless from and indemnify such Indemnified Party against all Costs with respect to or arising out of any violation or alleged violation of any rule or regulation or any other laws, that, in each case, results from anything other than such Indemnified Party's gross negligence or willful misconduct. In any suit, proceeding or action brought by an Indemnified Party in connection with any Facility Collateral for any sum owing thereunder, or to enforce any provisions of any Loan Document, each Loan Party will save, indemnify and hold such Indemnified Party harmless from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim, recoupment or reduction or liability whatsoever of the account debtor or obligor thereunder, arising out of a breach by any Loan Party of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such account debtor or obligor or its successors from any Loan Party. Each Loan Party also

agrees to reimburse an Indemnified Party as and when billed by such Indemnified Party for all such Indemnified Party's reasonable costs and expenses incurred in connection with the enforcement or the preservation of such Indemnified Party's rights under this Loan Agreement, the Note, any other Loan Document or any transaction contemplated hereby or thereby, including without limitation the reasonable fees and disbursements of its counsel. The Borrower hereby acknowledges that, notwithstanding the fact that the Obligations are secured by the Facility Collateral, the Obligations are recourse obligations of the Borrower.

(b) Each Loan Party agrees to pay as and when billed by the Lender all of the reasonable out-of-pocket costs and expenses incurred by the Lender in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Loan Agreement, the Note, any other Loan Document or any other documents prepared in connection herewith or therewith. Each Loan Party agrees to pay as and when billed by the Lender all of the out-of-pocket costs and expenses incurred in connection with the consummation and administration of the transactions contemplated hereby and thereby including, without limitation, (i) all the reasonable fees, disbursements and expenses of counsel to the Lender and (ii) all the due diligence, inspection, testing and review costs and expenses incurred by the Lender with respect to Facility Collateral under this Loan Agreement, including, but not limited to, those costs and expenses incurred by the Lender pursuant to Sections 11.03(a), 11.15 and 11.16 hereof. Each Loan Party also agrees not to assert any claim against the Lender or any of its Affiliates, or any of their respective officers, directors, employees, attorneys and agents, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to the Loan Documents, the actual or proposed use of the proceeds of the Advances, this Loan Agreement or any of the transactions contemplated hereby or thereby.

(c) Each Loan Party agrees to pay as and when billed by the Lender all of the reasonable out-of-pocket costs and expenses incurred by the Lender in connection with the exercise of the Lender's rights and remedies upon the occurrence of an Event of Default, including without limitation all the reasonable fees, disbursements and expenses of counsel to the Lender.

(d) If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it under this Loan Agreement, including, without limitation, reasonable fees and expenses of counsel and indemnities, such amount may be paid on behalf of the Borrower by the Lender, in its sole discretion and the Borrower shall remain liable for any such payments by the Lender and such amounts shall accrue interest at the Post-Default Rate. No such payment by the Lender shall be deemed a waiver of any of its rights under the Loan Documents.

(e) Without prejudice to the survival of any other agreement of a Loan Party hereunder, the covenants and obligations of each Loan Party contained in this Section 11.03 shall survive the payment in full of the Loan and all other amounts payable hereunder and delivery of the Facility Collateral by the Lender against full payment therefor.

11.04 Amendments. Except as otherwise expressly provided in this Loan Agreement, any provision of this Loan Agreement may be modified or supplemented only by an instrument in writing signed by the Lender and the Borrower and any provision of this Loan Agreement may be waived by the Lender.

11.05 Successors and Assigns. This Loan Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

11.06 Survival. The obligations of the Borrower under Sections 2.05, 3.03, and 11.03 hereof shall survive the repayment of the Advances and the termination of this Loan Agreement. In

addition, each representation and warranty made, or deemed to be made by a request for a borrowing herein or pursuant hereto shall survive the making of such representation and warranty, and the Lender shall not be deemed to have waived, by reason of making any Advance, any Default that may arise by reason of such representation or warranty proving to have been false or misleading, notwithstanding that the Lender may have had notice or knowledge or reason to believe that such representation or warranty was false or misleading at the time such Advance was made.

11.07 Captions. The table of contents and captions and section headings appearing herein are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Loan Agreement.

11.08 Counterparts and Facsimile. This Loan Agreement may be executed simultaneously in any number of counterparts. Each counterpart shall be deemed to be an original, and all such counterparts shall constitute one and the same instrument. The parties agree that this Loan Agreement, any documents to be delivered pursuant to this Loan Agreement and any notices hereunder may be transmitted between them by email and/or by facsimile. The parties intend that faxed signatures and electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties. The original documents shall be promptly delivered, if requested.

11.09 Loan Agreement Constitutes Security Agreement. This Loan Agreement shall constitute a security agreement within the meaning of the Uniform Commercial Code

11.10 Governing Law. Insofar as there may be no applicable Federal law, this Loan Agreement shall be construed in accordance with the laws of the State of New York, without regard to any rule of conflicts of law (other than Section 5-1401 of the New York General Obligations Law) that would result in the application of the substantive law of any jurisdiction other than the State of New York. Nothing in this Loan Agreement shall require any unlawful action or inaction by either party.

11.11 SUBMISSION TO JURISDICTION; WAIVERS. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY:

(A) SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS LOAN AGREEMENT, THE NOTE AND THE OTHER LOAN DOCUMENTS, OR FOR RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF, TO THE EXCLUSIVE GENERAL JURISDICTION OF ANY COURT OF THE STATE AND COUNTY OF NEW YORK, OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK;

(B) CONSENTS THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN SUCH COURTS AND, TO THE EXTENT PERMITTED BY LAW, WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT OR THAT SUCH ACTION OR PROCEEDING WAS BROUGHT IN AN INCONVENIENT COURT AND AGREES NOT TO PLEAD OR CLAIM THE SAME;

(C) AGREES THAT SERVICE OF PROCESS IN ANY SUCH ACTION OR PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO ITS ADDRESS SET FORTH IN SECTION 11.02 OR AT SUCH OTHER ADDRESS OF WHICH THE LENDER SHALL HAVE BEEN NOTIFIED; AND

(D) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT TO SUE IN ANY OTHER JURISDICTION.

11.12 WAIVER OF JURY TRIAL. EACH LOAN PARTY AND THE LENDER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS LOAN AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

11.13 Acknowledgments. Each Loan Party hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Loan Agreement, the Note and the other Loan Documents to which it is a party;

(b) the Lender has no fiduciary relationship to any Loan Party, and the relationship between the Borrower and the Lender is solely that of debtor and creditor; and

(c) no joint venture exists among or between the Lender and any Loan Party.

11.14 Hypothecation or Pledge of Facility Collateral. Nothing in this Loan Agreement shall preclude the Lender from engaging in repurchase transactions with the Facility Collateral or otherwise pledging, repledging, transferring, hypothecating, or rehypothecating the Facility Collateral (subject to the interest of the relevant Senior Lien Lender). Nothing contained in this Loan Agreement shall obligate the Lender to segregate any Facility Collateral delivered to the Lender by any Loan Party.

11.15 Assignments; Participations.

(a) The Borrower and the other Loan Parties may assign, sell, transfer, participate, pledge, or hypothecate any or all of their rights or obligations hereunder or under the other Loan Documents only with the prior written consent of the Lender, which consent may be withheld at the sole discretion of the Lender. The Lender may assign, sell, transfer, participate, pledge, or hypothecate to any Person all or any of its rights under this Loan Agreement and the other Loan Documents.

(b) The Lender may, in accordance with Applicable Law, at any time sell to one or more lenders or other entities ("Participants") participation interests in any Advance, the Note, its right to make Advances, or any other interest of the Lender hereunder and under the other Loan Documents. In the event of any such sale by the Lender of participating interests to a Participant, the Lender's obligations under this Loan Agreement to the Borrower shall remain unchanged, the Lender shall remain solely responsible for the performance thereof, the Lender shall remain the holder of the Note for all purposes under this Loan Agreement and the other Loan Documents, and the Borrower shall continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations under this Loan Agreement and the other Loan Documents. The Borrower agrees that if amounts outstanding under this Loan Agreement and the Note are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Loan Agreement and the Note to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Loan Agreement or the Note; provided, that such Participant shall only be entitled to such right of set-off if it shall have agreed in the agreement pursuant to which it shall have acquired its participating interest to share with the Lender the proceeds thereof. The Lender also agrees that each

Participant shall be entitled to the benefits of Sections 2.04, 2.08, 3.03 and 11.03 with respect to its participation in the Advances outstanding from time to time; provided, that the Lender and all Participants shall be entitled to receive no greater amount in the aggregate pursuant to such Sections than the Lender would have been entitled to receive had no such transfer occurred.

(c) The Lender may furnish any information concerning any Loan Party or any of its Subsidiaries in the possession of the Lender from time to time to assignees and Participants (including prospective assignees and Participants) only after notifying such Loan Party in writing and securing signed confidentiality statements (a form of which is attached hereto as **Exhibit D**) and only for the sole purpose of evaluating participations and for no other purpose unless disclosure is required pursuant to the Freedom of Information Act.

(d) Each Loan Party agrees to cooperate with the Lender in connection with any such assignment and/or participation, to execute and deliver such replacement notes, and to enter into such restatements of, and amendments, supplements and other modifications to, this Loan Agreement and the other Loan Documents in order to give effect to such assignment and/or participation. Each Loan Party further agrees to furnish to any Participant identified by the Lender to such Loan Party copies of all reports and certificates to be delivered by such Loan Party to such Participant or lender's assignee hereunder, as and when delivered to the Lender.

11.16 Periodic Due Diligence Review.

(a) At all times while any Advances are outstanding or until such later time as may be specified in Appendix A, each Loan Party and each of its direct and indirect Subsidiaries shall permit the (i) Lender and its agents, consultants, contractors and advisors, (ii) the Special Inspector General of the Troubled Asset Relief Program, and (iii) the Comptroller General of the United States access to personnel and any books, papers, records or other data, in each case to the extent relevant to ascertaining compliance with the financing terms and conditions; provided that prior to disclosing any information pursuant to clause (y) or (z), the Special Inspector General of the Troubled Asset Relief Program shall have agreed, with respect to documents obtained under this agreement in furtherance of its function, to follow applicable law and regulation (and the customary policies and procedures for inspector generals) regarding the dissemination of confidential materials, including redacting confidential information from the public version of its reports, as appropriate, and soliciting the input from the Borrower as to information that should be afforded confidentiality. Each of the Lender and the Loan Parties represents that it has been informed by the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States that they, before making any request for access or information relating to an audit, will establish a protocol to avoid, to the extent reasonably possible, duplicative requests. Nothing in this Section 11.16 shall be construed to limit the authority that the Special Inspector General of the Troubled Asset Relief Program or the Comptroller General of the United States have under law.

(b) Each Loan Party acknowledges that the Lender has the right to perform continuing due diligence reviews with respect to the business and operations of the Loan Parties and the Facility Collateral. Each Loan Party also shall make available to the Lender a knowledgeable financial or accounting officer for the purpose of answering questions respecting the business and operations of such Loan Party and the Facility Collateral. Without limiting the generality of the foregoing, each Loan Party acknowledges that the Lenders shall make the Advances to the Borrower based upon the information concerning the Loan Parties and the Facility Collateral provided by the Loan Parties to the Lender, and the representations, warranties and covenants contained herein, and that the Lender, at its option, have the right, at any time to conduct a due diligence review on the business and operations of any Loan Party and some or all of the Facility Collateral securing the Advances. In addition, the Lender

has the right to perform continuing Due Diligence Reviews of each Loan Party and its Affiliates, directors, officers, employees and significant shareholders, if any. The Borrower and the Lender further agree that all out-of-pocket costs and expenses incurred by the Lender in connection with the Lender's or Special Inspector General of the Troubled Asset Relief Program's activities pursuant to this Section 11.16 shall be paid by the Borrower.

(c) The Lender will use reasonable best efforts to hold, and will use reasonable best efforts to cause its agents, consultants, contractors, advisors, and United States executive branch officials and employees, to hold, in confidence all non-public records, books, contracts, instruments, computer data and other data and information (collectively, "Information") concerning the Loan Parties furnished or made available to them by the Borrower or its representatives pursuant to this Loan Parties (except to the extent that such information can be shown to have been (i) previously known by such party on a non-confidential basis, (ii) in the public domain through no fault of such party or (iii) later lawfully acquired from other sources by the party to which it was furnished (and without violation of any other confidentiality obligation)); provided that nothing herein shall prevent the Lender from disclosing any Information to the extent required by Applicable Law or regulations or by any subpoena or similar legal process. The Lender understands that the Information may contain commercially sensitive confidential information entitled to an exception from a Freedom of Information Act request.

11.17 Set-Off. The Borrower hereby irrevocably authorizes the Lender at any time and from time to time without notice to the Borrower, any such notice being expressly waived by the Borrower, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by the Lender or any Affiliate thereof to or for the credit or the account of the Borrower, or any part thereof in such amounts as Lender may elect, against and on account of the obligations and liabilities of the Borrower to Lender hereunder and claims of every nature and description of Lender against Borrower, in any currency, whether arising hereunder, under the Loan Agreement, or under any other Loan Document, as Lender may elect, whether or not Lender has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Lender may set-off cash, the proceeds of the liquidation of any Facility Collateral and all other sums or obligations owed by the Lender or its Affiliates to Borrower against all of Borrower's obligations to the Lender or its Affiliates, whether under this Loan Agreement or under any other agreement with the Borrower, or otherwise, whether or not such obligations are then due, without prejudice to the Lender's or its Affiliate's right to recover any deficiency. The rights of Lender under this Section are in addition to other rights and remedies (including without limitation, other rights of set-off) which Lender may have. Upon the occurrence of an Event of Default, the Lender shall have the right to cause liquidation, termination or acceleration to the extent of any assets pledged by the Borrower to secure its Obligations hereunder or under any other agreement to which this Section 11.17 applies.

11.18 Reliance. With respect to each Advance, the Lender may conclusively rely upon, and shall incur no liability to any Loan Party in acting upon, any request or other communication that the Lender reasonably believes to have been given or made by a person authorized to enter into any Advance on the Borrower's behalf.

11.19 Reimbursement. All sums reasonably expended by the Lender in connection with the exercise of any right or remedy provided for herein shall be and remain the obligation of each Loan Party (unless and to the extent that the Loan Parties are the prevailing party in any dispute, claim or action relating thereto). Each Loan Party agrees to pay, with interest at the Post-Default Rate to the extent that an Event of Default has occurred, the reasonable out of pocket expenses and reasonable attorneys' fees incurred by the Lender in connection with the preparation, negotiation, enforcement (including any

waivers), administration and amendment of the Loan Documents (regardless of whether the Loan is entered into hereunder), the taking of any action, including legal action, required or permitted to be taken by the Lender pursuant thereto, any “due diligence” or loan agent reviews conducted by the Lender or on their behalf or by refinancing or restructuring in the nature of a “workout.”

11.20 Waiver Of Redemption And Deficiency Rights. Each Loan Party hereby expressly waives, to the fullest extent permitted by law, every statute of limitation on a deficiency judgment, any reduction in the proceeds of any Facility Collateral as a result of restrictions upon the Lender contained in the Loan Documents or any other instrument delivered in connection therewith, and any right that they may have to direct the order in which any of the Facility Collateral shall be disposed of in the event of any Disposition pursuant hereto.

11.21 Single Agreement. The Borrower and the Lender acknowledge that, and have entered hereinto and will enter into each Advance hereunder in consideration of and in reliance upon the fact that, all Advances hereunder constitute a single business and contractual relationship and have been made in consideration of each other. Accordingly, the Borrower and the Lender each agree (i) to perform all of their obligations in respect of each Advance hereunder, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Advances hereunder, and (ii) that payments, deliveries and other transfers made by any of them in respect of any Advance shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Advance hereunder, and the obligations to make any such payments, deliveries and other transfers may be applied against each other and netted.

11.22 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. If any provision of any Loan Document shall be held invalid or unenforceable (in whole or in part) as against any one or more Loan Parties, then such Loan Document shall continue to be enforceable against all other Loan Parties without regard to any such invalidity or unenforceability.

11.23 Entire Agreement. This Loan Agreement and the other Loan Documents embody the entire agreement and understanding of the parties hereto and supersede any and all prior agreements, arrangements and understandings relating to the matters provided for herein and therein. No alteration, waiver, amendments, or change or supplement hereto shall be binding or effective unless the same is set forth in writing by a duly authorized representative of the Lender.

11.24 Appendix A. Each provision of this Loan Agreement is subject to the amendments, restatements, supplements or other modifications contained in Appendix A.

EXHIBIT A

FORM OF NOTE

[MAXIMUM LOAN AMOUNT]
December 31, 2008

Washington, District of Columbia

FOR VALUE RECEIVED, [BORROWER], a [BORROWER ENTITY TYPE AND JURISDICTION] (the "Borrower"), hereby promises to pay to the order of the UNITED STATES DEPARTMENT OF THE TREASURY (the "Lender"), at the principal office of the Lender in Washington, D.C. in lawful money of the United States, and in immediately available funds, the principal sum of [MAXIMUM LOAN AMOUNT] (or such lesser amount as shall equal the aggregate unpaid principal amount of the Advances made by the Lender to the Borrower under the Loan Agreement), on the dates and in the principal amounts provided in the Loan Agreement, and to pay interest on the unpaid principal amount of each such Advance, at such office, in like money and funds, for the period commencing on the date of the such Advance until such Advances shall be paid in full, at the rates per annum and on the dates provided in the Loan Agreement.

The date, amount and interest rate of each Advance made by the Lender to the Borrower, and each payment made on account of the principal thereof, shall be recorded by the Lender on its books and, prior to any transfer of this Note, endorsed by the Lender on the schedule attached hereto or any continuation thereof; provided, that the failure of the Lender to make any such recordation or endorsement shall not affect the obligations of the Borrower to make a payment when due of any amount owing under the Loan Agreement or hereunder in respect of the Advances made by the Lender.

This Note is the Note referred to in the Loan and Security Agreement dated as of December 31, 2008 (as amended, supplemented or otherwise modified and in effect from time to time, the "Loan Agreement"), between the Borrower and the United States Department of the Treasury, as Lender, and evidences the Advances made by the Lender thereunder. Terms used but not defined in this Note have the respective meanings assigned to them in the Loan Agreement.

The Borrower agrees to pay all the Lender's costs of collection and enforcement (including reasonable attorneys' fees and disbursements of Lender's counsel) in respect of this Note when incurred, including, without limitation, reasonable attorneys' fees through appellate proceedings.

Notwithstanding the pledge of the Facility Collateral, the Borrower hereby acknowledges, admits and agrees that the Borrower's obligations under this Note are recourse obligations of the Borrower to which the Borrower pledges its full faith and credit.

The Borrower, and any indorsers or guarantors hereof, (a) severally waive diligence, presentment, protest and demand and also notice of protest, demand, dishonor and nonpayment of this Note, (b) expressly agree that this Note, or any payment hereunder, may be extended from time to time, and consent to the acceptance of further Facility Collateral, the release of any Facility Collateral for this Note, the release of any party primarily or secondarily liable hereon, and (c) expressly agree that it will not be necessary for the Lender, in order to enforce payment of this Note, to first institute or exhaust the Lender's remedies against the Borrower or any other party liable hereon or against any Facility Collateral for this Note. No extension of time for the payment of this Note, or any installment hereof, made by agreement by the Lender with any person now or hereafter liable for the payment of this Note, shall affect the liability under this Note of the Borrower, even if the Borrower is not a party to such agreement; provided, however, that the Lender and the Borrower, by written agreement between them, may affect the liability of the Borrower.

Any reference herein to the Lender shall be deemed to include and apply to every subsequent holder of this Note. Reference is made to the Loan Agreement for provisions concerning optional and mandatory prepayments, Facility Collateral, acceleration and other material terms affecting this Note.

Any enforcement action relating to this Note may be brought by motion for summary judgment in lieu of a complaint pursuant to Section 3213 of the New York Civil Practice Law and Rules. The Borrower hereby irrevocably and unconditionally submits for itself and its property in any legal action or proceeding relating to this Note or the Loan Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of any court of the State and county of New York, or in the United States District Court for the Southern District of New York. The Borrower consents that any such action or proceeding may be brought in such courts and, to the extent permitted by law, waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same. The Borrower agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to its address set forth in the Loan Agreement or at such other address of which the Lender shall have been notified. The Borrower agrees that nothing in this Note shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

Insofar as there may be no applicable Federal law, this Note shall be construed in accordance with the laws of the State of New York, without regard to any rule of conflicts of law (other than Section 5-1401 of the New York General Obligations Law) that would result in the application of the substantive law of any jurisdiction other than the State of New York. Nothing in this Note shall require any unlawful action or inaction by the Borrower.

In consideration of, and as a condition to, furnishing you with such information and any other information (whether communicated in writing or communicated orally) delivered to you by the Lender or its affiliates, directors, officers, employees, advisors, agents or "controlling persons" (within the meaning of the Securities Exchange Act of 1934, as amended (the "1934 Act")) (such affiliates and other persons being herein referred to collectively as the Lender "Representatives"), in connection with the consideration of a Transaction (such information being herein referred to as "Evaluation Material"), the Lender hereby requests your agreement as follows:

(a) The Evaluation Material will be used solely for the purpose of evaluating a possible Transaction with Lender involving you or your affiliates, and unless and until you have completed such Transaction pursuant to a definitive agreement between you or any such affiliate and Lender, such Evaluation Material will be kept strictly confidential by you and your affiliates, directors, officers, employees, advisors, agents or controlling persons (such affiliates and other persons being herein referred to collectively as "your Representatives"), except that the Evaluation Material or portions thereof may be disclosed to those of your Representatives who need to know such information for the purpose of evaluating a possible Transaction with Lender (it being understood that prior to such disclosure your Representatives will be informed of the confidential nature of the Evaluation Material and shall agree to be bound by this Confidentiality Agreement) or if disclosure is required pursuant to the Freedom of Information Act. You agree to be responsible for any breach of this Confidentiality Agreement by your Representatives.

(b) The term "Evaluation Material" does not include any information which (i) at the time of disclosure or thereafter is generally known by the public (other than as a result of its disclosure by you or your Representatives) or (ii) was or becomes available to you on a nonconfidential basis from a person not otherwise bound by a confidential agreement with Lender or its Representatives or is not otherwise prohibited from transmitting the information to you. As used in this Confidentiality Agreement, the term "person" shall be broadly interpreted to include, without limitation, any corporation, company, joint venture, partnership or individual.

(e) You agree not to initiate or maintain contact (except for those contacts made in the ordinary course of business) with any officer, director or employee of any Loan Party regarding the business, operations, prospects or finances of any Loan Party or the employment of such officer, director or employee, except with the express written permission of the Borrower.

(f) You understand and acknowledge that no Loan Party is making any representation or warranty, express or implied, as to the accuracy or completeness of the Evaluation Material or any other information provided to you by the Lender. Neither the Loan Parties, their affiliates or Representatives, nor any of their respective officers, directors, employees, agents or controlling persons (within the meaning of the 1934 Act) shall have any liability to you or any other person (including, without limitation, any of your Representatives) resulting from your use of the Evaluation Material.

If it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) that any term or provision hereof is invalid or unenforceable, (i) the remaining terms and provisions hereof shall be unimpaired and shall remain in full force and effect and (ii) the invalid or unenforceable provision or term shall be replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of such invalid or unenforceable term or provision.

This Agreement embodies the entire agreement and understanding of the parties hereto and supersedes any and all prior agreements, arrangements and understandings relating to the matters provided for herein. No alteration, waiver, amendments, or change or supplement hereto shall be binding or effective unless the same is set forth in writing by a duly authorized representative of each party and may be modified or waived only by a separate letter executed by the Borrower and you expressly so modifying or waiving such Agreement.

FOR VALUE RECEIVED, CHRYSLER HOLDING LLC, a Delaware limited liability company (the "Borrower"), hereby promises to pay to the order of the UNITED STATES DEPARTMENT OF THE TREASURY (the "Lender"), at the principal office of the Lender in Washington, D.C. in lawful money of the United States, and in immediately available funds, the principal sum of \$266,800,000 on January 2, 2012, and to pay interest on the unpaid principal amounts of such principal sum, at such office, in like money and funds, for the period commencing on January 2, 2009 until such principal sum is paid in full, at the rate per annum equal to LIBOR plus 3.00%, payable in arrears (i) on the last Business Day of each calendar quarter, commencing with the first calendar quarter in 2009 (each an "Interest Payment Date") and (ii) on payment or prepayment of this Additional Note, in whole or in part, in the amount of interest accrued on the amount paid or prepaid. "LIBOR" shall mean the greater of (a) 2.00% and (b) the rate (adjusted for statutory reserve requirements for eurocurrency liabilities) for eurodollar deposits for a period equal to three months appearing on Reuters Screen LIBOR01 Page or if such rate ceases to appear on Reuters Screen LIBOR01 Page, on any other service providing comparable rate quotations at approximately 11:00 a.m., London time. LIBOR shall be determined on January 2, 2009 and reset on each Interest Payment Date. "Business Day" shall mean any day other than (i) a Saturday or Sunday, (ii) a Federal holiday or other day on which banks in New York, New York or the District of Columbia are permitted to close, or (iii) a day on which trading in securities on the New York Stock Exchange or any other major securities exchange in the United States is not conducted.

The date, amount and interest rate of each such principal payment made by the Lender to the Borrower, and each payment made on account of the principal thereof, shall be recorded by the Lender on its books and, prior to any transfer of this Additional Note, endorsed by the Lender on a schedule to be attached hereto; provided, that the failure of the Lender to make any such recordation or endorsement shall not affect the obligations of the Borrower to make a payment when due of any amount owing under the Loan and Security Agreement dated as of January 2, 2009 (as amended, supplemented or otherwise modified and in effect from time to time, the "Loan Agreement") or hereunder in respect of the payment of this Additional Note made by the Lender.

This Additional Note is the Additional Note referred to in the Loan and Security Agreement dated as of January 2, 2009 (as amended, supplemented or otherwise modified and in effect from time to time, the "Loan Agreement"), between the Borrower and the United States Department of the Treasury, as Lender, and evidences the payment made by the Lender thereunder.

The Borrower agrees to pay all the Lender's costs of collection and enforcement (including reasonable attorneys' fees and disbursements of Lender's counsel) in respect of this Additional Note when incurred, including, without limitation, reasonable attorneys' fees through appellate proceedings.

CHRYSLER CONFIDENTIAL COMMERCIAL INFORMATION

The Borrower hereby acknowledges, admits and agrees that the Borrower's obligations under this Additional Note are recourse obligations of the Borrower to which the Borrower pledges its full faith and credit.

The Borrower, and any indorsers or guarantors hereof, (a) severally waive diligence, presentment, protest and demand and also notice of protest, demand, dishonor and nonpayment of this Additional Note, (b) expressly agree that this Additional Note, or any payment hereunder, may be extended from time to time, and consent to the release of any party primarily or secondarily liable hereon, and (c) expressly agree that it will not be necessary for the Lender, in order to enforce payment of this Additional Note, to first institute or exhaust the Lender's remedies against the Borrower or any other party liable hereon. No extension of time for the payment of this Additional Note, or any installment hereof, made by agreement by the Lender with any person now or hereafter liable for the payment of this Additional Note, shall affect the liability under this Additional Note of the Borrower, even if the Borrower is not a party to such agreement; provided, however, that the Lender and the Borrower, by written agreement between them, may affect the liability of the Borrower.

Any reference herein to the Lender shall be deemed to include and apply to every subsequent holder of this Additional Note.

If all or a portion of this Additional Note, any payment on this Additional Note or any fee or other amount payable hereunder shall not be paid when due, or if the Borrower or its subsidiaries shall default under, or fail to perform as required under, or shall otherwise materially breach the terms of any instrument, agreement or contract for indebtedness between the Borrower, on the one hand, and the Lender on the other (provided, however, that the aggregate amount of all such indebtedness exceeds \$100,000,000), all accrued interest, principal and other amounts owing hereunder shall immediately be due and payable, and such amount shall bear interest at a rate equal to 5.00%, plus (a) the interest rate otherwise applicable to the Additional Note, or (b) if no interest rate is otherwise applicable, the sum of (i) LIBOR plus (ii) 3.00%. (the "Post-Default Rate"), in each case from the date of such non-payment until such amount is paid in full. This Additional Note is prepayable without premium or penalty, in whole or in part on at any time. Any amounts prepaid shall be applied (i) first, to pay any indemnity obligations owed to the Lender, (ii) second, to pay accrued and unpaid interest and (iii) third, to repay the outstanding principal amount of this Additional Note until paid in full. Amounts repaid may not be reborrowed. If the Borrower intends to prepay this Additional Note in whole or in part from any source, the Borrower shall give two Business Days' prior written notice thereof to the Lender. If such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with accrued interest to such date on the amount prepaid.

Any enforcement action relating to this Additional Note may be brought by motion for summary judgment in lieu of a complaint pursuant to Section 3213 of the New York Civil Practice Law and Rules. The Borrower hereby irrevocably and unconditionally submits for itself and its property in any legal action or proceeding relating to this Additional, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of any court of the State and county of New York, or in the United States District Court for the Southern District of New York. The Borrower consents that any such action or proceeding may be brought in such courts and, to the extent permitted by law, waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not

to plead or claim the same. The Borrower agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to its address set forth in the Loan Agreement or at such other address of which the Lender shall have been notified. The Borrower agrees that nothing in this Additional Note shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

Insofar as there may be no applicable Federal law, this Additional Note shall be construed in accordance with the laws of the State of New York, without regard to any rule of conflicts of law (other than Section 5-1401 of the New York General Obligations Law) that would result in the application of the substantive law of any jurisdiction other than the State of New York. Nothing in this Additional Note shall require any unlawful action or inaction by the Borrower.

THIS NOTE HAS BEEN ISSUED WITH AN ORIGINAL ISSUE DISCOUNT (“OID”) FOR UNITED STATES FEDERAL INCOME TAX PURPOSES. THE ISSUE PRICE, AMOUNT OF OID, ISSUE DATE AND YIELD TO MATURITY OF THIS NOTE MAY BE OBTAINED BY WRITING TO THE BORROWER AT 299 PARK AVENUE, 22ND FLOOR; NEW YORK, NY 10171.

(a) As used herein, the term "Equity Interests" shall mean (i) all of the equity in an issuing entity set forth in Annex A ("Issuing Entity") acquired by, issued to or held by the related Pledgor, up to the extent (but only to the extent) required to prevent the inclusion of more than 65% of all voting equity interests in any controlled Foreign Subsidiary, in order to comply with Treasury Regulation section 1.956-2(c) or any successor or related provision (the "Deemed Dividend Rules") as set forth on Annex A under the heading "Percentage Pledged" (the "Pledge Limitation") and (ii) all options, warrants, calls or commitments of any character whatsoever relating to Equity Interests of such Issuing Entities, in each case listed in Annex A hereto. issued and outstanding Equity Interests of the related Issuing Entities as set forth in Annex A hereto; and (iii) such Pledgor is the owner of such Equity Interests so held by it and there exist no options or preemption rights in respect of any of such Equity Interests.

(b) All Equity Interests at any time pledged or required (to the extent legally and contractually permitted) to be pledged hereunder are hereinafter called the "Pledged Equity Interests," which together with: (i) all Chattel Paper, Documents, Instruments and General Intangibles attributable to the Pledged Equity Interests; (ii) all official books, records, and ledgers of the Issuing Entities attributable solely to the Pledged Equity Interests; (iii) all rights of any Pledgor to receive moneys (including dividends) due but unpaid or to become due under the Pledged Equity Interests and all property received in substitution or exchange therefor; (iv) all of Pledgors' rights and privileges with respect to the Pledged Equity Interests; (v) all rights to receive dividends and distributions in respect of the Pledged Equity Interests; (vi) all Proceeds with respect to the foregoing clauses (i) through (v); and (vii) to the extent not included in the foregoing, all proceeds, products, offspring rents, revenues, issues, profits, royalties, income, benefits, accessions, additions, substitutions and replacements of and to any and all of the foregoing, are hereinafter called the "Collateral."

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the term Collateral and each other term used in the definition thereof in Section 1.1(b) above shall not include, and the Pledgee shall not have a Lien pursuant to this Agreement on, any of the (i) the Excluded Collateral or (ii) any property to the extent that such grant by the relevant Pledgor of a security interest in such Pledgor's right, title or interest therein (A) is prohibited by any Requirement of Law of a Governmental Authority, or (B) requires a consent that cannot be obtained of any Governmental Authority pursuant to such Requirement of Law, except, in the case of clauses (A) and (B) above, to the extent that such Requirement of Law or the term in any contract, lease, license, agreement, instrument or other document providing for such prohibition, breach, default or termination or requiring such consent is ineffective under the Uniform Commercial Code as in effect in the State of New York or other applicable law; provided further, however, that if and when any property that at any time is excluded from the Collateral later becomes Collateral, the Pledgee shall have, and at all times from and after the date hereof be deemed to have had, a security interest in such property.

1.2. Obligations. As used herein, the term "Obligations" shall mean the obligations and liabilities of the Borrower and each Pledgor to the Lender, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, or out of or in connection with the Loan Agreement, any other Loan Documents and any other document made, delivered or given in connection therewith or herewith, whether on account of covenants, reimbursement obligations, fees, indemnities, costs, expenses (including, without limitation, all reasonable fees and disbursements of counsel to Lender that are required to be paid by Borrower pursuant to the terms of the Loan Agreement) or otherwise.

2. PLEDGE OF EQUITY INTERESTS.

2.1. Pledge. As collateral security for the prompt satisfaction and performance of the Obligations, each Pledgor hereby: (i) pledges, collaterally assigns and hypothecates to Pledgee and hereby grants to the Pledgee for the benefit of the Pledgee and its assigns a first priority security interest in all of the Collateral now or from time to time owned by such Pledgor; (ii) pledges and deposits as security with the Pledgee the Pledged Equity Interests of the related Issuing Entities owned by such Pledgor on the date hereof and delivers to the Pledgee, any certificates therefor or instruments thereof, accompanied by such other instruments of transfer as are reasonably acceptable to the Pledgee; and (iii) collaterally assigns, transfers, hypothecates, mortgages, charges and sets over to the Pledgee all of such Pledgor's right, title and interest in and to the Pledged Equity Interests of the related Issuing Entities (and in and to the certificates or instruments evidencing such Pledged Equity Interests of the related Issuing Entities) to be held by the Pledgee, upon the terms and conditions set forth in this Agreement; provided, that, in each case of clauses (i), (ii) and (iii) above, if, on the Closing Date, a senior security interest has attached and been perfected with respect to any Collateral thereof (pursuant to the agreements listed on Annex B hereto), then the Pledgor hereby grants a valid perfected security interest in such Collateral, subject and subordinate only to the Liens created by such agreements in accordance with the Collateral Trust Agreement (collectively, the "Prior Liens").

2.2. Subsequently Acquired Equity Interests. If a Pledgor acquires (by purchase, stock dividend or otherwise) any additional Equity Interests of the related Issuing Entities at any time or from time to time after the date hereof or, if any Equity Interests constituting Excluded Collateral cease to be Excluded Collateral, such Pledgor hereby automatically pledges and shall forthwith deposit such Equity Interests of the related Issuing Entities (including any certificates or instruments representing such Equity Interests of the related Issuing Entities) as security with the Pledgee and deliver to the Pledgee certificates or instruments thereof, accompanied by such other instruments of transfer as are reasonably acceptable to the Pledgee, and will promptly thereafter deliver to the Pledgee a certificate executed by a Responsible Person of such Pledgor describing such Equity Interests and certifying that the same have been duly pledged to the Pledgee hereunder as Collateral.

2.3. Delivery of Share Certificates and Powers of Attorney. Prior to, or simultaneously with, the delivery of this Agreement, each Pledgor has delivered or is delivering to the Pledgee, all certificated securities (including, without limitation, certificated instruments and stock certificates) representing the Pledged Equity Interests, together with powers duly executed in blank by the related Pledgor authorizing Pledgee to transfer ownership of such Pledged Equity Interests to a third party and to memorialize such transfers on the registration book maintained by the Pledgor with respect to such Pledged Equity Interest. Each Pledgor shall promptly deliver to the Pledgee, or cause the Borrower or any other Issuing Entity to deliver directly to the Pledgee, (i) share certificates or other instruments representing any Pledged Equity Interest acquired or received by such Pledgor after the date of the Agreement and (ii) a power duly executed in blank by such Pledgor authorizing Pledgee to transfer ownership of any Pledged Equity Interests to a third party. If at any time the Lender notifies any Pledgor that it requires additional powers endorsed in blank, such Pledgor shall promptly execute in blank and deliver the requested power(s) to the Lender.

2.4. Uncertificated Securities. Notwithstanding anything to the contrary contained in Sections 2.1 and 2.2, if any Pledged Equity Interests are uncertificated securities, the shares, partnership interests or membership interests of each such Issuing Entity shall not be (A) dealt in or traded on securities exchanges or in securities markets, (B) securities for purposes of Article 8 of any relevant Uniform Commercial Code, (C) investment company securities within the meaning of Section 8-103 of the applicable Uniform Commercial Code and (D) evidenced by a certificate. Such, shares, partnership interests or membership interests will constitute General Intangibles. Each Pledgor further agrees to take all actions required to perfect the security interest of the Pledgee under applicable law and to permit the Pledgee to exercise any of its rights and remedies hereunder and under applicable law.

3. APPOINTMENT OF AGENTS; ENDORSEMENTS, ETC. The Pledgee shall have the right to appoint one or more agents for the purpose of retaining physical possession of any certificated Pledged Equity Interests, which may be held (in the discretion of the Pledgee) in the name of the relevant Pledgor, endorsed or assigned in blank or, following an Event of Default, in the name of the Pledgee or any nominee or nominees of the Pledgee or an agent appointed by the Pledgee; provided that the Pledgee shall remain primarily liable for any and all actions and inactions of any such agent or nominee of the Pledgee.

All such rights of a Pledgor to vote and to give consents, waivers and ratifications shall cease in case an Event of Default shall occur and Section 9 hereof shall become applicable; *provided* that the Pledgee shall have the right from time to time following the occurrence of an Event of Default to permit such Pledgor to exercise such rights. After all Events of Default have been cured or waived, each Pledgor will have the right to exercise the voting and consensual rights and powers that such Pledgor would otherwise be entitled to exercise pursuant to the terms of this Section 4.

5. DIVIDENDS AND OTHER DISTRIBUTIONS. Unless and until an Event of Default shall have occurred and is continuing, all dividends, interest and principal or other amounts payable in respect of the Pledged Equity Interests shall be paid to the Pledgors in accordance with the related operating agreement or other ownership or management agreement. On and after the date on which an Event of Default shall have occurred and is continuing, all such amounts shall be paid to and shall be the sole property of the Pledgee, subject to the rights of the holders of any Prior Liens. All dividends, distributions or other payments which are received by a Pledgor contrary to the provisions of this Section 5 or Section 9 shall be received in trust for the benefit of the Pledgee, shall be segregated from other property or funds of such Pledgor and shall be forthwith paid over to the Pledgee as collateral for the obligations of the Pledgor under the Loan Documents in the same form as so received (with any necessary endorsement).

6. REPRESENTATION AND WARRANTIES OF THE PLEDGOR.

6.1. Representations and Warranties.

(a) Each Pledgor represents, warrants and covenants that:

(i) it is the sole owner of the Pledged Equity Interests, free and clear (except for any Prior Liens) of all claims, mortgages, pledges, Liens, security interests and other encumbrances of any nature whatsoever (and no right or option to acquire the same exists in favor of any other person or entity), except for the assignment, pledge and security interest in favor of the Pledgee ~~created or provided for herein and except for any Prior Liens, the Pledgor agrees that it will not~~ encumber or grant any security interest in or with respect to the Pledged Equity Interest or permit any of the foregoing;

(ii) there are no outstanding options, warrants or other agreements with respect to the Collateral, except as set forth in Annex B;

7.1. Each Pledgor agrees that it will join with the Pledgee in filing and refiling under the Uniform Commercial Code such financing statements, continuation statements and other documents in such filing offices in any Uniform Commercial Code jurisdiction as may reasonably be necessary or advisable and wherever required or advisable by law in order to perfect and preserve the Pledgee's first priority security interest in the Collateral hereunder and hereby authorizes the Pledgee to file financing statements and amendments thereto relative to all or any part of the Collateral, and agrees to do such further acts and things and to execute and deliver to the Pledgee such additional conveyances, assignments, agreements and instruments as the Pledgee may reasonably require or reasonably deem advisable to carry into effect the purposes of this Agreement or to further assure and confirm unto the Pledgee their rights, powers and remedies hereunder or thereunder.

7.2. Each Pledgor hereby constitutes and irrevocably appoints the Pledgee as its true and lawful attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, during the period during which an Event of Default has occurred and is continuing, to (i) affix to any notes and documents representing the Collateral, the stock or bond powers delivered with respect thereto, (ii) transfer or cause the transfer of the Collateral, or any part thereof, on the books of the Issuing Entity, to the name of the Pledgee or any nominee, (iii) exercise with respect to such Collateral, all the rights, powers and remedies of an owner, and (iv) act from time to time in the Pledgee's sole discretion to take any action and to execute any instrument which the Pledgee may deem necessary or advisable to accomplish the purposes of this Agreement. This power of attorney shall be irrevocable as one coupled with an interest until the Maturity Date.

8. **TRANSFER BY THE PLEDGOR.** No Pledgor will sell or otherwise dispose of, grant any option with respect to, or mortgage, pledge or otherwise encumber any of the Collateral except in accordance with the terms of this Agreement and the Loan Documents or as may otherwise be agreed to in writing by the Pledgee.

9. **REMEDIES; PRIVATE SALE.**

9.1. **Remedies.** During the period during which an Event of Default has occurred and is continuing:

(a) the Pledgee shall have all of the rights and remedies with respect to the Pledged Equity Interests of a secured party under the Uniform Commercial Code and such additional rights and remedies to which a secured party is entitled under the laws in effect in any jurisdiction where any rights and remedies hereunder may be asserted (including, without limitation, the right, to the maximum extent permitted by law, to exercise all voting, consensual and other powers of ownership pertaining to the Pledged Equity Interests as if the Pledgee was the sole and absolute owner thereof (and the Pledgors agree to take all such action as may be appropriate to give effect to such right));

(b) the Pledgee may make any reasonable compromise or settlement deemed desirable with respect to any of the Pledged Equity Interests and may extend the time of payment, arrange for payment in installments, or otherwise modify the terms of, any of the Pledged Equity Interests;

(c) the Pledgee may, in its name or in the name of related Pledgor or otherwise, demand, sue for, collect or receive any money or property at any time payable or receivable on account of, or in exchange for, any of the Pledged Equity Interests, but shall be under no obligation to do so;

(d) the Pledgee may, with respect to the Pledged Equity Interests or any part thereof which shall then be or shall thereafter come into the possession, custody or control of the Pledgee or any of its agents, upon not less than ten (10) days prior written notice to the Pledgor, sell, lease, assign or otherwise dispose of all or any part of such Pledged Equity Interests, at such place or places as the Pledgee deems best, and for cash or for credit or for future delivery (without thereby assuming any credit risk), at public or private sale, without demand of performance or notice of intention to effect any such disposition or of the time or place thereof (except such notice as is required above or by applicable statute and cannot be waived), and any Person may be the purchaser, lessee, assignee or recipient of any or all of the Pledged Equity Interests so disposed of at any public sale (or, to the extent permitted by law, at any private sale) and thereafter hold the same absolutely free from any claim or right of whatsoever kind, including any right or equity of redemption (statutory or otherwise), of any Pledgor, any such demand, notice and right or equity being hereby expressly waived and released. The Pledgee may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the sale may be so adjourned;

(e) subject to the rights of the holder of any Prior Lien, the Pledgee shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Pledged Equity Interests and make application thereof to the Obligations in such order as the Pledgee shall elect; and

(f) any or all of the Pledged Equity Interests shall be registered in the name of the Pledgee or its nominee, and the Pledgee or its nominee may thereafter exercise, (A) all voting, corporate

or other organizational and other rights pertaining to such Pledged Equity Interests at any meeting of shareholders of the relevant Issuing Entities or otherwise and (B) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Equity Interests as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Equity Interests upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate or other organizational structure of any Issuing Entity, or upon the exercise by any Pledgor or the Pledgee of any right, privilege or option pertaining to such Pledged Equity Interests, and in connection therewith, the right to deposit and deliver any and all of the Pledged Equity Interests with any committee, depositary, transfer agent, registrar or other designated agency upon such terms and conditions as the Lender may determine), all without liability except to account for property actually received by it, but the Lender shall have no duty to any Pledgor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

The Pledgors recognize that, by reason of certain prohibitions contained in the Securities Act of 1933, as amended (the "Securities Act"), and applicable state securities laws (to the extent not preempted), the Pledgee may be compelled, with respect to any sale of all or any part of the Pledged Equity Interests which constitutes a "security" under the Securities Act, to limit purchasers to those who will agree, among other things, to acquire such Pledged Equity Interests for their own account, for investment and not with a view to the distribution or resale thereof. The Pledgors acknowledge that any such private sale may be at prices and on terms less favorable to the Pledgee than those obtainable through a public sale without such restrictions, and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Pledgee shall not have any obligation to engage in public sales and no obligation to delay the sale of any such Pledged Equity Interests for the period of time necessary to permit the respective issuer thereof to register it for public sale.

9.2. Private Sale. The Pledgee shall not incur any liability as a result of the sale of the Pledged Equity Interests, or any part thereof, at any private sale pursuant to Section 9.1. of this Agreement conducted in good faith. Each Pledgor hereby waives any claims against the Pledgee by reason of the fact that the price at which the Pledged Equity Interests may have been sold at such a private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of any obligations.

10. COVENANTS OF THE PLEDGOR.

(a) Each Pledgor covenants and agrees that it will take all reasonable steps to defend the right, title and interest of the Pledgee in and to the Collateral and the proceeds thereof against the claims and demands of all persons whomsoever (except the holders of any Prior Lien); and each Pledgor covenants and agrees that it will have like title to and right to pledge any other property at any time hereafter pledged to the Pledgee as Collateral hereunder and will likewise take all reasonable steps to defend its rights thereto and interests therein.

(d) Each Pledgor covenants and agrees that it will cause its pledge hereunder to be noted conspicuously on its books and records. If any certificates or other instruments are issued to represent the Pledged Equity Interests, then the related Pledgor shall deliver or cause to be delivered to the Pledgee or its designee such certificates or other instruments.

(e) No Pledgor will, nor will it permit any of the related Issuing Entities (for so long as all or a portion of its related Equity Interests constitute Collateral hereunder) to, without the prior written consent of the Pledgee, (i) enter into or permit to exist any arrangement or agreement (excluding the Loan Agreement and the other Loan Documents) which directly or indirectly prohibits such Pledgor or any of the related Issuing Entities from creating, assuming or incurring any Lien upon its properties, revenues or assets whether now owned or hereafter acquired, (ii) permit any Lien to exist on any of the Equity Interests with respect to the Issuing Entities (other than the Lien granted to the Pledgee hereunder), regardless of whether such Equity Interests constitute Collateral hereunder, (iii) sell, transfer or otherwise dispose of any of the Equity Interests with respect to the Issuing Entities, regardless of whether such Equity Interests constitute Collateral hereunder, or (iv) enter into any agreement, contract or arrangement (excluding the Loan Agreement and the other Loan Documents) restricting the ability of any Issuing Entity to pay or make dividends or distributions in cash or kind to the Pledgor or the Pledgee (to the extent the Pledgee is entitled hereunder to receive the payment of same), to make loans, advances or other payments of whatsoever nature to the Pledgor, or to make transfers or distributions of all or any part of its assets to the Pledgor or any Person owning or holding the Equity Interests with respect to such Issuing Entity; in each case other than: (i) customary anti-assignment provisions contained in leases, permits, licensing agreements and other contracts entered into by the Pledgor or such Issuing Entity in the ordinary course of its business, (ii) restrictions and conditions imposed by any laws, rules or regulations of any governmental authority, (iii) restrictions and conditions arising under the Loan Agreement and the other Loan Documents, and (iv) any other relevant exceptions provided in, or in accordance with, the Loan Agreement (or Appendix A thereto).

(f) Each Pledgor covenants and agrees that, throughout the term of the Loan Agreement, if the Deemed Dividend Rules are amended or repealed, the Pledge Limitation shall be adjusted accordingly and the parties hereto shall promptly cooperate to effectuate the return of the portion of the Collateral that invokes the Deemed Dividend Rules, or the pledge of additional Collateral up to the revised Pledge Limitation, or the pledge of the remaining Collateral, as the case may be, in accordance with the terms and conditions herein.

(f) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Pledgors in respect of its obligations hereunder or the Pledgors in respect of this Agreement or otherwise (other than full payment and extinguishment of the Obligations).

12. **NOTICES, ETC.** Except as otherwise expressly permitted by this Agreement, all notices, requests and other communications provided for herein and under the other Loan Documents (including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement) shall be given or made in writing (including, without limitation, by telecopy or Electronic Transmission) delivered to the intended recipient at the "Address for Notices" specified (i) on the signatures pages hereof, beneath each party's name, (ii) in Section 11.02 of Appendix A of the Loan Agreement or (iii) on Annex A attached hereto; or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. Intellectual Property Pledge Agreement

INTELLECTUAL PROPERTY PLEDGE AGREEMENT, dated as of January 2, 2009, by Chrysler Holding LLC (the "Borrower") and each of the entities identified on Schedule A attached hereto (collectively, "Guarantors"), in favor of the United States Department of the Treasury (the "Secured Party").

RECITALS

The Borrower and the Guarantors are parties to the Loan and Security Agreement dated January 2, 2009 (the "Loan Agreement"), in favor of the Secured Party pursuant to which the Borrower and the Guarantors are required to execute and deliver this Intellectual Property Pledge Agreement;

Accordingly, for good and valuable consideration of the premises and to induce the Secured Party to enter into the Loan Agreement and to induce the Secured Party to make its extensions of credit to the Borrower under the Loan Agreement, Borrower and Guarantors hereby agree with the Secured Party as follows:

Section 1. Defined Terms

Unless otherwise defined herein, all capitalized terms used herein have the meaning given to them in the Loan Agreement.

Section 2. Grant of Security Interest in Collateral

As security for the prompt and complete payment when due of the Obligations and the performance by the Borrower of all the covenants and obligations to be performed by it pursuant to the Loan Agreement and the other Loan Documents, the Borrower, and each Guarantor, in order to secure its guaranty under the Guaranty, hereby assigns and pledges to the Secured Party and grants to the Secured Party a Lien on and security interest in all of its rights, title and interest in and to the following property of the Borrower or such Guarantor, as the case may be, whether now owned or existing or hereafter acquired or arising and regardless of where located (the "Collateral"):

(a) All domestic and foreign letters patent, design patents, utility patents, industrial designs, and all intellectual property rights in inventions, trade secrets, ideas, concepts, methods, techniques, processes, proprietary information, technology, know-how, formulae, and other general intangibles of like nature, now existing or hereafter acquired or owned by any Loan Party (including, without limitation, all domestic and foreign letters patent, design patents, utility patents, industrial designs, inventions, trade secrets, ideas, concepts, methods, techniques, processes, proprietary information, technology, know-how and formulae described in Exhibit A hereto), all applications, registrations and recordings thereof (including, without limitation, applications, registrations and

recordings in the United States Patent and Trademark Office, or in any similar office or agency of the United States or any other country or any political subdivision thereof), and all reissues, divisions, continuations, continuations in part and extensions or renewals thereof;

(b) All domestic and foreign trademarks, service marks, collective marks, certification marks, trade dress, trade names, business names, d/b/a's, Internet domain names, trade styles, designs, logos and other source or business identifiers and all general intangibles of like nature, now or hereafter owned, adopted, or acquired by any Loan Party (including, without limitation, all domestic and foreign trademarks, service marks, collective marks, certification marks, trade dress, trade names, business names, d/b/a's, Internet domain names, trade styles, designs, logos and other source or business identifiers described in Exhibit B hereto), all applications, registrations and recordings thereof (including, without limitation, applications, registrations and recordings in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision thereof), and all reissues, extensions or renewals thereof, together with all goodwill of the business symbolized by such marks;

(c) All domestic and foreign copyrights, whether registered or unregistered, including, without limitation, all copyright rights throughout the universe (whether now or hereafter arising), in any and all media (whether now or hereafter developed), in and to all original works of authorship (including, without limitation, all marketing materials created by or on behalf of any Loan Party), acquired or owned by any Loan Party (including, without limitation, all copyrights described in Exhibit C hereto) all applications, registrations and recordings thereof (including, without limitation, applications, registrations and recordings in the United States Copyright Office or in any similar office or agency of the United States or any other country or any political subdivision thereof), and all reissues, renewals, restorations, extensions or revisions thereof;

(d) all Proceeds with respect to the foregoing clauses (a) through (c);
and

(e) to the extent not included in the foregoing, all proceeds, products, rents, revenues, issues, profits, royalties, income, benefits, accessions, additions, substitutions and replacements of and to any and all of the foregoing.

Notwithstanding the foregoing, in no event shall the Collateral include any Excluded Collateral.

Section 3. Pledge Agreement

(a) THE INTEREST IN THE COLLATERAL BEING ASSIGNED
HEREUNDER SHALL NOT BE CONSTRUED AS A CURRENT ASSIGNMENT

BUT, RATHER AS A SECURITY INTEREST THAT PROVIDES THE SECURED PARTY SUCH RIGHTS AS ARE PROVIDED TO HOLDERS OF SECURITY INTERESTS UNDER APPLICABLE LAW.

(b) The security interest granted pursuant to this Intellectual Property Pledge Agreement is granted in conjunction with the security interest granted to the Secured Party pursuant to the Loan Agreement and the Guaranty and Borrower and each of the Guarantors hereby acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of the Loan Agreement and this Intellectual Property Pledge Agreement, the Loan Agreement shall govern.

Section 4. Authorization

To the extent applicable, the parties hereto authorize and request that the Commissioner of Patents and Trademarks of the United States record this security interest in the Collateral.

To the extent applicable, the parties hereto authorize and request that the Copyright Office of the United States record this security interest in the Collateral.

Section 5. Continuing Security Interest; Release And Discharge of Security Interest

(a) This Intellectual Property Pledge Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until the Obligations have matured and have been paid and satisfied in full, (ii) be binding upon and inure to the benefit of the Loan Parties, each of the Loan Parties' executors, administrators, successors and assigns, and (iii) inure to the benefit of and be binding upon the Secured Party and its successors, transferees and assigns. Upon the payment and satisfaction in full of the Obligations, each Loan Party shall be entitled to the return, upon its request and at its expense, of such of the Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof.

(b) **Release of Security Interest Upon Satisfaction of all Obligations.** Upon termination of this Intellectual Property Pledge Agreement and repayment to the Secured Party of all Obligations and the performance of all obligations under the Loan Documents, the Secured Party shall release its security interest in any remaining Collateral; provided, that if any payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or a trustee or similar officer for the Borrower or any substantial part of its Property, or otherwise, this Intellectual Property Pledge Agreement, all rights

hereunder and the Liens created hereby shall continue to be effective, or be reinstated, until such payments have been made.

(c) **Partial Release of Collateral.** Provided that no Default or Event of Default shall then exist, the Borrower or a Guarantor may, in connection with any Disposition of any Collateral permitted under the Loan Agreement, obtain the release from the Lien of the Loan Documents of the portion of the Collateral sold, upon the satisfaction of the conditions set forth in the Loan Agreement.

Section 6. Miscellaneous

(a) **Waiver; Amendment.** None of the terms and conditions of this Intellectual Property Pledge Agreement may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by the Secured Party and the Loan Parties.

(b) **Notices.** Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (including telegraphic, telex, telecopier, facsimile or cable communication) and shall be mailed, telegraphed, telexed, telecopied, faxed, cabled or delivered to the parties hereto at the respective address set forth below and shall be effective when received:

- (i) if to a Loan Party, at its address set forth on Annex A hereto;
- (ii) if to the Secured Party, at the respective addresses set forth on Annex A hereto;

or at such other address as shall have been furnished in writing by any Person described above to the party required to give notice hereunder.

(c) **Miscellaneous.** The headings of the several sections and subsections in this Intellectual Property Pledge Agreement are for purposes of reference only and shall not limit or define the meaning hereof. This Intellectual Property Pledge Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument. In the event that any provision of this Intellectual Property Pledge Agreement shall prove to be invalid or unenforceable, such provision shall be deemed to be severable from the other provisions of this Agreement which shall remain binding on all parties hereto.

(d) **Intellectual Property Pledge Agreement Constitutes Security Agreement.** This Intellectual Property Pledge Agreement shall constitute a security agreement within the meaning of the Uniform Commercial Code.

(e) **GOVERNING LAW.** Insofar as there may be no applicable Federal law, this Loan Agreement shall be construed in accordance with the laws of the State of New York, without regard to any rule of conflicts of law (other than Section 5-

1401 of the New York General Obligations Law) that would result in the application of the substantive law of any jurisdiction other than the State of New York. Nothing in this Loan Agreement shall require any unlawful action or inaction by either party.

(f) **Hypothecation or Pledge of Collateral.** Nothing in this Intellectual Property Pledge Agreement shall preclude the Secured Party from engaging in repurchase transactions with the Collateral or otherwise pledging, repledging, transferring, hypothecating, or rehypothecating the Collateral (subject to the interest of the relevant Senior Lien Lender). Nothing contained in this Intellectual Property Pledge Agreement shall obligate the Secured Party to segregate any Collateral delivered to the Secured Party by Borrower or any of the Guarantors.

(g) **Severability.** Any provision of this Intellectual Property Pledge Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. If any provision of this Intellectual Property Pledge Agreement shall be held invalid or unenforceable (in whole or in part) as against any one or more of Borrower and the Guarantors, then this Intellectual Property Pledge Agreement shall continue to be enforceable against all other Guarantors and Borrower, as applicable, without regard to any such invalidity or unenforceability.

(h) **Entire Agreement.** This Intellectual Property Pledge Agreement and the other Loan Documents embody the entire agreement and understanding of the parties hereto and supersede any and all prior agreements, arrangements and understandings relating to the matters provided for herein and therein.

(i) **CONSENT TO JURISDICTION AND VENUE; SERVICE OF PROCESS. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY:**

(i) **SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS INTELLECTUAL PROPERTY PLEDGE AGREEMENT AND THE OTHER LOAN DOCUMENTS, OR FOR RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF, TO THE EXCLUSIVE GENERAL JURISDICTION OF ANY COURT OF THE STATE AND COUNTY OF NEW YORK, OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK;**

(ii) **CONSENTS THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN SUCH COURTS AND, TO THE EXTENT PERMITTED BY LAW, WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT OR THAT SUCH ACTION OR PROCEEDING WAS BROUGHT**

IN AN INCONVENIENT COURT AND AGREES NOT TO PLEAD OR CLAIM THE SAME;

(iii) AGREES THAT SERVICE OF PROCESS IN ANY SUCH ACTION OR PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO ITS ADDRESS SET FORTH IN SECTION 6(b) OR AT SUCH OTHER ADDRESS OF WHICH THE SECURED PARTY SHALL HAVE BEEN NOTIFIED; AND

(iv) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT TO SUE IN ANY OTHER JURISDICTION.

(j) WAIVER OF JURY TRIAL. EACH LOAN PARTY AND THE SECURED PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INTELLECTUAL PROPERTY PLEDGE AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

GUARANTY AND SECURITY AGREEMENT

THIS GUARANTY AND SECURITY AGREEMENT, dated as of January 2, 2009 (as amended, supplemented and otherwise modified from time to time, this "Guaranty"), is made by the undersigned (each, a "Guarantor", and collectively, the "Guarantors", each of which are set forth on Exhibit A hereto) in favor of the United States Department of the Treasury, including each of its respective successors and assigns (the "Lender").

RECITALS

A. Pursuant to the Loan and Security Agreement, dated as of January 2, 2009 (as amended, supplemented or otherwise modified from time to time, the "Loan Agreement"), among the Lender and Chrysler Holding LLC (the "Borrower"), the Lender has agreed to make Advances to the Borrower upon the terms and subject to the conditions set forth therein.

B. Each of the Guarantors will derive a substantial direct and/or indirect benefit from the Lender's making of Advances to the Borrower pursuant to the Loan Agreement. To induce the Lender to make such Advances and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor has agreed to provide the guaranty set forth herein in favor of the Lender.

C. It is a condition precedent to the obligation of the Lender to make Advances to the Borrower under the Loan Agreement that each Guarantor shall have executed and delivered this Guaranty to the Lender.

NOW, THEREFORE, for good and valuable consideration, receipt of which by the parties hereto is hereby acknowledged, the parties hereto hereby agree as follows:

1. Defined Terms.

(a) Unless otherwise defined herein, terms defined in the Loan Agreement and used herein shall have the meanings given to them in the Loan Agreement.

"Expiration Date" shall have the meaning set forth in Section 2(c) herein.

"Guarantor Event of Default" shall mean an Event of Default with respect to a Guarantor.

"Obligations" shall mean the obligations and liabilities of Borrower to the Lender, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, or out of or in connection with the Loan Agreement, any other Loan Documents and any other document made, delivered or given in connection therewith or herewith, whether on account of covenants, reimbursement obligations, fees, indemnities, costs, expenses (including, without limitation, all reasonable fees and disbursements of counsel to Lender that are required to be paid by Borrower pursuant to the terms of the Loan Agreement) or otherwise.

(b) The words "hereof", "herein" and "hereunder" and words of similar import when used in this Guaranty shall refer to this Guaranty as a whole and not to any particular provision of this Guaranty, and section and paragraph references are to this Guaranty unless otherwise specified.

(c) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

2. **Guaranty.**

(a) Each Guarantor hereby unconditionally and irrevocably guarantees to the Lender and each of its indorsees, transferees and assigns the prompt and complete payment and performance by Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations.

(b) Each Guarantor further agrees to pay any and all expenses (including, without limitation, all reasonable fees and disbursements of counsel) which may be paid or incurred by the Lender in enforcing any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, the Guarantors under this Guaranty. This Guaranty shall remain in full force and effect until the Obligations are paid in full, notwithstanding that from time to time prior thereto there may not be any outstanding Obligations.

(c) No payment or payments made by Borrower, a Guarantor, any other guarantor or any other Person or received or collected by the Lender from Borrower, a Guarantor, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of the Guarantors hereunder. Each Guarantor shall remain liable for the Obligations until (i) the Obligations are satisfied and paid in full and (ii) the date on which any payment made to the Lender in respect of the Obligations shall no longer be subject to avoidance under the Bankruptcy Code (such date, the "Expiration Date"), notwithstanding any payment or payments referred to in the foregoing sentence other than payments made by Guarantors in respect of the Obligations or payments received or collected from Guarantors in respect of the Obligations.

(d) Each Guarantor agrees that whenever, at any time, or from time to time, it shall make any payment on account of its liability hereunder, it will notify the Lender in writing that such payment is made under this Guaranty for such purpose.

3. **Security Interest; Right of Set-off.**

(a) *Guaranty Collateral.* As security for the prompt and complete payment when due of the Obligations and the performance by each Guarantor of all the covenants and obligations to be performed by it pursuant to this Guaranty and the other Loan Documents to which it is a party, each Guarantor hereby mortgages, pledges and grants to the Lender a Lien on and security interest in all of its rights, title and interest in and to all personal property and real property wherever located and whether now or hereafter existing and whether now owned or hereafter acquired, of every kind and description, tangible or intangible, including without limitation, the following, whether now or hereafter existing and wherever located:

(i) all Intellectual Property as well as royalties therefrom and from other sources;

(ii) each Individual Property;

(iii) all cash and Cash Equivalents, and all other property from time to time deposited in any account or deposit account and the monies and property in the possession or under the control of Lender or any affiliate, representative, agent or correspondent of Lender related to the foregoing;

(iv) all other tangible and intangible personal property of such Guarantor (whether or not subject to the Uniform Commercial Code), including, without limitation,

all bank and other accounts and all cash and all investments therein, all rights to receive cash and investments, including without limitation, state, Federal, or local tax refunds, intercompany debt, all proceeds, products, offspring, accessions, rents, profits, income, benefits, substitutions and replacements of and to any of the property of such Guarantor ~~described in the preceding clauses of this Section 3(a) (including, without limitation, any~~ proceeds of insurance thereon and all causes of action, claims and warranties now or hereafter held by such Guarantor in respect of any of the items listed above), and all books, correspondence, files and other Records, including, without limitation, all customer lists, credit files, tapes, disks, cards, software, data, computer programs, printouts and other computer materials and records in the possession or under the control of such Guarantor or any other Person from time to time acting for such Guarantor that at any time evidence or contain information relating to any of the property described in the preceding clauses of this Section 3 (a) or are otherwise necessary or helpful in the collection or realization thereof;

(v) all rights, title and interest of such Guarantor (but not any of the obligations, liabilities or indemnifications of such Guarantor) in, to and under the Loan Documents;

(vi) all "accounts," "chattel paper," "commercial tort claims," "deposit accounts," "documents," "equipment," "general intangibles," "goods," "instruments," "inventory," "investment property," "letter of credit rights," and "securities' accounts," as each of those terms is defined in the Uniform Commercial Code; and

(vii) all products and proceeds relating to or constituting any or all of the foregoing; (clauses (i) through (vii) collectively, the "Guaranty Collateral");

in each case howsoever such Guarantor's interest therein may arise or appear (whether by ownership, security interest, claim or otherwise), provided that, notwithstanding anything to the contrary contained herein or in any other Loan Document, the term "Guaranty Collateral" and each other term used in the definition thereof shall not include, and no Guarantor is pledging or granting a security interest in, any Property to the extent that such Property constitutes Excluded Collateral; provided further, however, that if and when, and to the extent that, any Property ceases to be Excluded Collateral, such Guarantor hereby grants to Lender, and at all times from and after such date, the Lender shall have a first priority or junior priority, as applicable, Lien in and on such Property (subject to Permitted Liens), and such Guarantor shall cooperate in all respects to ensure the prompt perfection of the Lender's security interest therein.

The Liens granted to Lender hereinabove (a) in the MOPAR Inventory and the proceeds thereof, and the First Lien Real Property and the proceeds thereof, shall be first priority Liens and (b) in the remainder of the Guaranty Collateral (to the extent legally and contractually permissible), shall be junior priority Liens to the extent and subject to the terms of the Collateral Trust Agreement.

The Obligations of each Guarantor under the Loan Documents constitute recourse obligations of such Guarantor, and therefore, their satisfaction is not limited to payments from the Guaranty Collateral.

With respect to each right to payment or performance included in the Guaranty Collateral from time to time, the Lien granted therein includes a continuing security interest in (i) any supporting obligation that supports such payment or performance and (ii) any Lien that (A) secures such right to payment or performance or (B) secures any such supporting obligation.

(b) *Right of Set-off.* Each Guarantor hereby irrevocably authorizes the Lender at any time and from time to time without notice to any Guarantor, any such notice being expressly waived by Guarantors, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Lender to or for the credit or the account of Guarantors, or any part thereof in such amounts as Lender may elect, against and on account of the obligations and liabilities of Guarantors to Lender hereunder and claims of every nature and description of Lender against Guarantors, in any currency, whether arising hereunder, under the Loan Agreement, or under any other Loan Document, as Lender may elect, whether or not Lender has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Lender may set-off cash, the proceeds of the liquidation of any Guaranty Collateral and all other sums or obligations owed by Lender to Borrower or Guarantors against all of each Guarantor's obligations to Lender under this Guaranty, whether or not such obligations are then due, without prejudice to any Lender's right to recover any deficiency. The rights of Lender under this Section are in addition to other rights and remedies (including without limitation, other rights of set-off) which Lender may have under any other agreement or applicable law. This Section 3(b) shall not apply to set-offs for United States federal income tax refunds owed to the Borrower before the Maturity Date has occurred.

(c) *UCC Matters, Further Assurances.* Each Guarantor, shall, at all times on and after the date hereof, and at its expense, cause Uniform Commercial Code financing statements and continuation statements to be filed in all applicable jurisdictions as required to continue the perfection of the security interests created by this Guaranty. Each Guarantor shall, from time to time, at its expense and in such manner and form as the Lender may reasonably require, execute, deliver, file and record any other statement, continuation statement, specific assignment or other instrument or document and take any other action that may be necessary, or that the Lender, may reasonably request, to create, evidence, preserve, perfect or validate the security interests created hereunder or to enable the Lender to exercise and enforce its rights hereunder with respect to any of the Guaranty Collateral. To the extent contemplated in the Post-Closing Letter Agreement, each Guarantor agrees that, if the grant of a security interest in any Property to Lender requires a consent to such grant from any other Person (other than such Guarantor or any of its Affiliates), such Guarantor shall use its best efforts to procure such consent. Further, each Guarantor agrees that if any Excluded Collateral should, at any time following the Effective Date, become Guaranty Collateral on which the Lender is permitted to take a Lien, the relevant Guarantor shall so notify the Lender and cooperate with and shall take all steps as may be reasonably required by the Lender to enable and continue the perfection of the Lender's security interests therein and shall comply with the provisions of Section 7.16 of the Loan Agreement in connection therewith, to the extent applicable. Without limiting the generality of the foregoing, each Guarantor shall, upon the request of the Lender, execute and file such Uniform Commercial Code financing or continuation statements, or amendments thereto or assignments thereof, Mortgages and such other instruments or notices, as may be necessary or appropriate or as the Lender may request. Each Guarantor hereby authorizes the Lender to file one or more Uniform Commercial Code financing or continuation statements, and amendments thereto and assignments thereof, relative to all or any of the Guaranty Collateral now existing or hereafter arising without the signature of such Guarantor where permitted by law and any financing statement that describes the Guaranty Collateral as "all assets" or "all personal property" (or words of similar effect). A carbon, photographic or other reproduction of this Guaranty or any financing statement covering the Guaranty Collateral or any part thereof shall be sufficient as a financing statement.

(d) *Changes in Locations, Names, etc.* If any Guarantor shall (i) change the location of its chief executive office/chief place of business from that specified in Section 6.10 of the Loan Agreement, (ii) change its name, identity or corporate structure (or the equivalent) or change the location where it maintains records with respect to the Guaranty Collateral, or (iii) reincorporate or reorganize under the laws of another jurisdiction, it shall give the Lender written notice thereof not later than ten (10)

days after such event occurs, and shall deliver to the Lender all Uniform Commercial Code financing statements and amendments as the Lender shall request and taken all other actions deemed reasonably necessary by the Lender to continue its perfected status in the Guaranty Collateral with the same or better priority.

(e) *Lender's Appointment as Attorney-in-Fact.* Each Guarantor hereby irrevocably constitutes and appoints the Lender and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Guarantor and in the name of such Guarantor or in its own name, from time to time in the Lender's discretion, for the purpose of carrying out the terms of this Guaranty, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Guaranty which the Guarantor is required to do hereunder but has failed to do within the time limits required, including without limitation, to protect, preserve and realize upon the Guaranty Collateral, to file such financing statements relating to the Guaranty Collateral as the Lender at its option deems appropriate, and, without limiting the generality of the foregoing, such Guarantor hereby gives the Lender the power and right, on behalf of such Guarantor, without assent by, but with notice to, such Guarantor, if an Event of Default shall have occurred and be continuing, to do the following:

(i) in the name of such Guarantor or its own name, or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any insurance policies or with respect to any of the Guaranty Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Lender for the purpose of collecting any and all such moneys due with respect to any other Guaranty Collateral whenever payable;

(ii) to pay or discharge taxes and Liens levied or placed on or threatened against the Guaranty Collateral; and

(iii) (A) to direct any party liable for any payment under any Guaranty Collateral to make payment of any and all moneys due or to become due thereunder directly to the Lender or as the Lender shall direct; (B) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Guaranty Collateral; (C) to sign and endorse any invoices, assignments, verifications, notices and other documents in connection with any of the Guaranty Collateral; (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Guaranty Collateral or any part thereof and to enforce any other right in respect of any Guaranty Collateral; (E) to defend any suit, action or proceeding brought against such Guarantor with respect to any Guaranty Collateral; (F) to settle, compromise or adjust any suit, action or proceeding described in clause (E) above and, in connection therewith, to give such discharges or releases as the Lender may deem appropriate; and (G) in connection with its exercise of its remedies hereunder pursuant to this Sections 3, generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Guaranty Collateral as fully and completely as though the Lender were the absolute owner thereof for all purposes, and to do, at the Lender's option and such Guarantor's expense, at any time, or from time to time, all acts and things which the Lender deems necessary to protect, preserve or realize upon the Guaranty Collateral and the Lender's Liens thereon and to effect the intent of this Guaranty and the other Loan Documents, all as fully and effectively as such Guarantor might do.

Each Guarantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

Each Guarantor also authorizes the Lender, at any time and from time to time, to execute, in connection with any sale of Guaranty Collateral provided for in this Guaranty, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Guaranty Collateral.

The powers conferred on the Lender are solely to protect the Lender's interests in the Guaranty Collateral and, subject to Applicable Law, shall not impose any duty upon the Lender to exercise any such powers. The Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Lender nor any of its officers, directors, agents or employees shall be responsible to such Guarantor for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(f) *Proceeds.* If an Event of Default shall occur and be continuing, (a) all proceeds of Guaranty Collateral received by such Guarantor consisting of cash, checks and Cash Equivalents shall be held by such Guarantor in trust for the Lender, segregated from other funds of such Guarantor, and shall forthwith upon receipt by such Guarantor be turned over to the Lender in the exact form received by such Guarantor (duly endorsed by such Guarantor to the Lender, if required), and (b) any and all such proceeds received by such Guarantor will be applied by the Lender against the Obligations (whether matured or unmatured), such application to be in such order as the Lender shall elect. For purposes hereof, proceeds shall include, but not be limited to, all principal and interest payments, royalty payments, license fees, all prepayments and payoffs, all dividends and distributions, insurance claims, condemnation awards, sale proceeds, rents and any other income and all other amounts received with respect to the Guaranty Collateral and upon the liquidation of any Guaranty Collateral, all such proceeds received by the Lender will be distributed by the Lender in such order as the Lender shall elect. Any balance of such proceeds remaining after the Obligations shall have been paid in full and this Guaranty shall have been terminated shall be promptly paid over to such Guarantor or to whomsoever may be lawfully entitled to receive the same.

(g) *Remedies.* If a Guarantor Event of Default shall occur and be continuing, the Lender may exercise, in addition to all other rights and remedies granted to it in this Guaranty and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Uniform Commercial Code, at law and in equity. Without limiting the generality of the foregoing, the Lender, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon such Guarantor or any other Person (all and each of which demands, defenses, presentments, protests, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Guaranty Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Guaranty Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels or as an entirety at public or private sale or sales, at any exchange, broker's board or office of the Lender or elsewhere upon such terms and conditions and at prices that are consistent with the prevailing market for similar collateral as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Lender shall act in good faith to obtain the best execution possible under prevailing market conditions. The Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Guaranty Collateral so sold, free of any right or equity of redemption in the related Guarantor, which right or equity is hereby waived and released. Each Guarantor further agrees, at the Lender's request, to assemble the Guaranty Collateral and make it available to the Lender at places which the Lender shall reasonably select, whether at the related Guarantor's premises or

elsewhere. The Lender shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Guaranty Collateral or in any way relating to the Guaranty Collateral or the rights of the Lender hereunder, including, without limitation, reasonable attorneys' fees and disbursements, ~~to the payment in whole or in part of the Obligations, in such order as~~ the Lender may elect, and only after such application and after the payment by the Lender of any other amount required or permitted by any provision of law, including, without limitation, Section 9-615 of the Uniform Commercial Code, need the Lender account for the surplus, if any, to the related Guarantor. To the extent permitted by Applicable Law, each Loan Party waives all claims, damages and demands it may acquire against the Lender arising out of the exercise by the Lender of any of its rights hereunder. If any notice of a proposed sale or other Disposition of Guaranty Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least ten (10) days before such sale or other Disposition. Each Guarantor shall remain liable for any deficiency (plus accrued interest thereon) if the proceeds of any sale or other disposition of the Guaranty Collateral are insufficient to pay the Obligations and the reasonable fees and disbursements incurred by the Lender, including reasonable fees and expenses of any attorneys employed by the Lender to collect such deficiency. Because each Guarantor recognizes that the Lender may not be able to purchase or sell all of the Guaranty Collateral on a particular Business Day, or in a transaction with the same purchaser, or in the same manner because the market for such Guaranty Collateral may not be liquid, each Guarantor agrees that liquidation of the Guaranty Collateral does not require a public purchase or sale and that a good faith private purchase or sale shall be deemed to have been made in a commercially reasonable manner. Accordingly, the Lender may elect, in its sole discretion, the time and manner of liquidating any Guaranty Collateral and nothing contained herein shall (i) obligate the Lender to liquidate any Guaranty Collateral on the occurrence of a Guarantor Event of Default or to liquidate all Guaranty Collateral in the same manner or on the same Business Day or (ii) constitute a waiver of any of the Lender's rights or remedies.

(h) *Continuing Liability of each Guarantor.* The security interests described above are granted as security only and shall not subject the Lender or any of its assigns to, or transfer or in any way affect or modify, any obligation, liability or indemnity of each Guarantor with respect to, any of the Guaranty Collateral or any transaction relating thereto. None of the Lender or its assigns shall be required or obligated in any manner to make any inquiry as to the nature or sufficiency of any payment received by it or the sufficiency of any performance by any party under any such obligation, or to make any payment or present or file any claim, or to take any action to collect or enforce any performance or the payment of any amount thereunder to which any such Person may be entitled at any time.

(i) *Limitation on Duties Regarding Preservation of Guaranty Collateral.* The Lender's duty with respect to the custody, safekeeping and physical preservation of the Guaranty Collateral in its possession, under Section 9-207 of the Uniform Commercial Code or otherwise, shall be to deal with it in the same manner as the Lender deals with similar property for its own account. Neither the Lender nor any of its directors, officers or employees shall be liable for failure to demand, collect or realize upon all or any part of the Guaranty Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Guaranty Collateral upon the request of the related Guarantor or otherwise

(j) *Powers Coupled with an Interest.* All authorizations and agencies herein contained with respect to the Guaranty Collateral are irrevocable and powers coupled with an interest.

(k) *Release of Security Interest Upon Satisfaction of all Obligations.* Upon termination of this Guaranty and repayment to the Lender of all Obligations and the performance of all obligations under the Loan Documents, the Lender shall release its security interest in any remaining Guaranty Collateral; provided that if any payment, or any part thereof, of any of the Obligations is

rescinded or must otherwise be restored or returned by the Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the related Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or a trustee or similar officer for such Guarantor or any substantial part of its Property, or otherwise, this Guaranty, all rights hereunder and the Liens created hereby shall continue to be effective, or be reinstated, until such payments have been made.

4. **No Subrogation.** Notwithstanding any payment or payments made by any Guarantor hereunder or any set-off or application of funds of any Guarantors by the Lender, no Guarantor shall be entitled to be subrogated to any of the rights of the Lender against Borrower or any other guarantor or any collateral security or guarantee or right of offset held by such Lender for the payment of the Obligations or the obligations of any Guarantor, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to Lender by Borrower on account of the Obligations are indefeasibly paid and satisfied in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Obligations shall not have been paid and satisfied in full, such amount shall be held by such Guarantor in trust for Lender, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Lender in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Lender, if required), to be applied against the Obligations, whether matured or unmatured, in such order as the Lender may determine.

5. **Amendments, Etc. with Respect to the Obligations.** Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against Guarantors and without notice to or further assent by any Guarantor, any demand for payment of any of the Obligations made by Lender may be rescinded and any of the Obligations continued, and the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, terminated, waived, surrendered or released by Lender, and the Loan Agreement and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as Lender may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by Lender for the payment of the Obligations or the obligations of any Guarantor may be sold, exchanged, waived, surrendered or released. Lender shall not have any obligation to protect, secure, perfect or insure any lien at any time held by it as security for the Obligations or for this Guaranty or any property subject thereto. When making any demand hereunder against any Guarantor, the Lender may, but shall be under no obligation to, make a similar demand on the Borrower or any other Guarantor, and any failure by the Lender to make any such demand or to collect any payments from Borrower or any such other Guarantor or any release of Borrower or such other Guarantor shall not relieve any Guarantor of its obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Lender against such Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

6. **Waiver of Rights.** Except as otherwise expressly provided herein, each Guarantor waives any and all notice of any kind including, without limitation, notice of the creation, renewal, extension or accrual of any of the Obligations, and notice of or proof of reliance by the Lender upon this Guaranty or acceptance of this Guaranty. All of the Obligations shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived in reliance upon this Guaranty and all dealings between Borrower and Guarantors, on the one hand, and the Lender, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guaranty. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon Borrower or Guarantors with respect to the Obligations. In addition,

each Guarantor waives any requirement that the Lender exhaust any right, power or remedy or proceed against Borrower or any other Guarantor.

7. **Guaranty Absolute and Unconditional.** Each Guarantor understands and agrees that this Guaranty shall be construed as a continuing, absolute and unconditional guarantee of the full and punctual payment and performance by Borrower of the Obligations and not of their collectibility only and is in no way conditioned upon any requirement that Lender first attempt to collect any of the Obligations from the Borrower or any other Guarantor, without regard to (a) the validity, regularity or enforceability of the Loan Agreement or any other Loan Document, any of the Obligations or the obligations of each Guarantor hereunder or any other collateral security therefor or guarantee thereof or right of offset with respect thereto at any time or from time to time held by Lender, (b) any defense, set-off, deduction, abatement, recoupment, reduction or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by Borrower against the Lender or any other Guarantor, or (c) any other circumstance whatsoever (with or without notice to or knowledge of Borrower or any Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of Borrower from the Obligations, or of any Guarantor from this Guaranty, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against any Guarantor, Lender may, but shall be under no obligation to, pursue such rights, powers, privileges and remedies as it may have against Borrower or any other Person or against the Guaranty Collateral or any other collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by Lender to pursue such other rights or remedies or to collect any payments from Borrower or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of Borrower or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any liability hereunder, and shall not impair or affect the rights, powers, privileges and remedies, whether express, implied or available as a matter of law or equity, of the Lender against Guarantors. This Guaranty shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon Guarantors and the successors and assigns thereof, and shall inure to the benefit of Lender, and each of its successors, indorsees, transferees and assigns, until all the Obligations and the obligations of Guarantors under this Guaranty shall have been satisfied by performance and payment in full and the Loan Agreement and the other Loan Documents shall have been terminated, notwithstanding that from time to time during the term of the Loan Agreement a Borrower may be free from any Obligations.

8. **Reinstatement.** This Guaranty shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

9. **Payments.** Each Guarantor hereby guarantees that payments hereunder will be paid to the Lender, in U.S. Dollars, promptly after demand therefor and in accordance with the wiring instructions of the Lender.

10. **Notices.** Except as otherwise expressly permitted by this Guaranty, all notices, requests and other communications provided for herein (including, without limitation, any modifications of, or waivers, requests or consents under, this Guaranty) shall be given or made in writing (including, without limitation, by telecopy or Electronic Transmission) delivered to the intended recipient at the "Address for Notices" specified on the signatures pages hereof, beneath each party's name or in Section 11.02 of Appendix A of the Loan Agreement; or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. Except as otherwise provided in this Guaranty, all such

communications shall be deemed to have been duly given when transmitted by telecopier or Electronic Transmission or personally delivered or, in the case of a mailed notice, upon receipt, in each case given or addressed as aforesaid.

11. Severability. ~~If any of the provisions of this Guaranty shall be held invalid or unenforceable, this Guaranty shall be construed as if not containing such provisions, and the rights and obligations of the parties hereto shall be construed and enforced accordingly. If any of the provisions of this Guaranty shall be held invalid or unenforceable (in whole or in part) as against any one or more Guarantors, then this Guaranty shall continue to be enforceable against all other Guarantors without regard to any such invalidity or unenforceability.~~

12. Amendments in Writing; No Waiver; Cumulative Remedies.

(a) None of the terms or provisions of this Guaranty may be waived, amended, supplemented or otherwise modified except by a written instrument executed by each Guarantor and the Lender; provided that any provision of this Guaranty may be waived in a writing executed by the Lender.

(b) The Lender shall not be deemed by any act (except by a written instrument pursuant to Section 12(a) hereof), delay, indulgence or omission to have acquiesced in any Default, Event of Default, Guarantor Event of Default or in any breach of any of the terms and conditions hereof, and, in the absence of a written instrument pursuant to Section 12(a) hereof, the Lender shall not be deemed to have waived any right, power, privilege or remedy hereunder. No failure to exercise, nor any delay in exercising, on the part of Lender, any right, power, remedy or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power, remedy or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by Lender of any right, power, privilege or remedy hereunder on any one occasion shall not be construed as a bar to any right, power, privilege or remedy which Lender would otherwise have on any future occasion.

(c) The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

13. Section Headings. The section headings used in this Guaranty are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

14. Successors and Assigns. This Guaranty shall be binding upon the successors and permitted assigns of each Guarantor and shall inure to the benefit of the Lender and each successor and assign thereof. No Guarantor may assign any of its rights, interests or obligations hereunder to any Person without the express written consent of the Lender in its sole discretion and any attempt to assign or transfer this Guaranty without such consent shall be null and void and of no effect whatsoever.

15. GOVERNING LAW. IN SO FAR AS THERE MAY BE NO APPLICABLE FEDERAL LAW, THIS LOAN AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY RULE OF CONFLICTS OF LAW (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW) THAT WOULD RESULT IN THE APPLICATION OF THE SUBSTANTIVE LAW OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK. NOTHING IN THIS GUARANTY SHALL REQUIRE ANY UNLAWFUL ACTION OR INACTION BY EITHER PARTY.

16. CONSENT TO JURISDICTION AND VENUE; SERVICE OF PROCESS. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY:

(a) SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS GUARANTY AND THE OTHER LOAN DOCUMENTS, OR FOR RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF, TO THE EXCLUSIVE GENERAL JURISDICTION OF ANY COURT OF THE STATE AND COUNTY OF NEW YORK, OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK;

(b) CONSENTS THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN SUCH COURTS AND, TO THE EXTENT PERMITTED BY LAW, WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT OR THAT SUCH ACTION OR PROCEEDING WAS BROUGHT IN AN INCONVENIENT COURT AND AGREES NOT TO PLEAD OR CLAIM THE SAME;

(c) AGREES THAT SERVICE OF PROCESS IN ANY SUCH ACTION OR PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO ITS ADDRESS SET FORTH IN SECTION 10 OR AT SUCH OTHER ADDRESS OF WHICH THE LENDER SHALL HAVE BEEN NOTIFIED; AND

(d) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT TO SUE IN ANY OTHER JURISDICTION.

17. WAIVER OF JURY TRIAL. EACH GUARANTOR AND THE LENDER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

18. Counterparts. This Guaranty may be executed in any number of counterparts, all of which when taken together shall constitute one and the same instrument and any of the parties hereto may execute this Guaranty by signing any such counterpart.

19. Joint and Several Liability. Each Guarantor hereby acknowledges and agrees that the Guarantors are jointly and severally liable to the Lender for all representations, warranties, covenants, obligations and liabilities of each Guarantor hereunder and under the Loan Documents. Each Guarantor hereby further acknowledges and agrees that (a) any Guarantor Event of Default or any default, or breach of a representation, warranty or covenant by any Guarantor hereunder or under any Loan Document is hereby considered a default or breach by each Guarantor, as applicable, and (b) the Lender shall have no obligation to proceed against one Guarantor before proceeding against the other Guarantors. Each Guarantor hereby waives any defense to its obligations under this Guaranty based upon or arising out of the disability or other defense or cessation of liability of one Guarantor versus the other. A Guarantor's subrogation claim arising from payments to the Lender shall constitute a capital investment in the other Guarantor subordinated to any claims of the Lender and equal to a ratable share of the equity interests in such Guarantor.

20. **Limitation of Individual Guarantor Liability.** Notwithstanding any provision herein contained to the contrary, each Guarantor's liability for the payment of its obligations under this Guaranty shall be limited to an amount not to exceed as of any date of determination the amount which could be claimed by Lender from such Guarantor under this Guaranty without rendering such claim voidable or avoidable under Section 548 of the Bankruptcy Code (Title 11, U.S.C.) or under any applicable state fraudulent transfer or similar statute or common law after taking into account, among other things, such Guarantor's right of contribution and indemnification from each other Guarantor, if any. To the end set forth above, but only to the extent that the obligations of any Guarantor hereunder would otherwise be subject to avoidance under the avoidance provisions, if such Guarantor is not deemed to have received valuable consideration, fair value, fair consideration or reasonably equivalent value for the Obligations, or if the Obligations would render such Guarantor insolvent, or leave such Guarantor with an unreasonably small capital to conduct its business, or cause such Guarantor to have incurred debts (or to have intended to have incurred debts) beyond its ability to pay such debts as they mature, in each case as of the time any of the Obligations is deemed to have been incurred for the purposes of the avoidance provisions, the maximum Obligations for which such Guarantor shall be liable hereunder shall be reduced to that amount which, after giving effect thereto, would not cause the Obligations as so reduced, to be subject to avoidance under the avoidance provisions.

21. **Final Agreement; Severability.** Other than as referenced in the preceding sentence, this Guaranty contains the entire and exclusive agreement of the parties hereto with reference to the matters discussed herein. This Guaranty supersedes all prior drafts and communications with respect thereto. The headings of paragraphs herein are inserted only for convenience and shall in no way define, describe or limit the scope or intent of any provision of this Guaranty. If any term or provision of this Guaranty shall be deemed prohibited by or invalid under any applicable law, such provision shall be invalidated without affecting the remaining provisions of this Guaranty. In the event of any conflict between the terms of the Loan Agreement relating to the subject matter hereof and this Guaranty, the Loan Agreement shall govern.

PROMISSORY NOTE

\$4,000,000,000

January 2, 2009

Washington, District of Columbia

FOR VALUE RECEIVED, CHRYSLER HOLDING LLC, a Delaware limited liability company (the "Borrower"), hereby promises to pay to the order of THE UNITED STATES DEPARTMENT OF THE TREASURY (the "Lender"), at the principal office of the Lender at 1500 Pennsylvania Avenue, NW, Room 2312, Washington, D.C. 20220, in lawful money of the United States, and in immediately available funds, the principal sum of FOUR BILLION DOLLARS (\$4,000,000,000) (or such lesser amount as shall equal the aggregate unpaid principal amount of the Advances made by the Lender to the Borrower under the Loan Agreement), on the dates and in the principal amounts provided in the Loan Agreement, and to pay interest on the unpaid principal amount of each such Advance, at such office, in like money and funds, for the period commencing on the date of the such Advance until such Advances shall be paid in full, at the rates per annum and on the dates provided in the Loan Agreement.

The date, amount and interest rate of each Advance made by the Lender to the Borrower, and each payment made on account of the principal thereof, shall be recorded by the Lender on its books and, prior to any transfer of this Note, endorsed by the Lender on the schedule attached hereto or any continuation thereof; provided, that the failure of the Lender to make any such recordation or endorsement shall not affect the obligations of the Borrower to make a payment when due of any amount owing under the Loan Agreement or hereunder in respect of the Advances made by the Lender.

This Note is the Note referred to in the Loan and Security Agreement dated as of January 2, 2009 (as amended, supplemented or otherwise modified and in effect from time to time, the "Loan Agreement") between the Borrower and The United States Department of the Treasury, as Lender, and evidences the Advances made by the Lender thereunder. Terms used but not defined in this Note have the respective meanings assigned to them in the Loan Agreement.

The Borrower agrees to pay all the Lender's costs of collection and enforcement (including reasonable attorneys' fees and disbursements of Lender's counsel) in respect of this Note when incurred, including, without limitation, reasonable attorneys' fees through appellate proceedings.

Notwithstanding the pledge of the Facility Collateral, the Borrower hereby acknowledges, admits and agrees that the Borrower's obligations under this Note are recourse obligations of the Borrower to which the Borrower pledges its full faith and credit.

The Borrower, and any indorsers or guarantors hereof, (a) severally waive diligence, presentment, protest and demand and also notice of protest, demand, dishonor and nonpayment of this Note, (b) expressly agree that this Note, or any payment hereunder, may be extended from time to time, and consent to the acceptance of further Facility Collateral, the release of any Facility Collateral for this Note, the release of any party primarily or secondarily liable hereon, and (c) expressly agree that it will not be necessary for the Lender, in order to enforce payment of this Note, to first institute or exhaust the Lender's remedies against the Borrower or any other party liable hereon or against any Facility Collateral for this Note. No extension of time for the payment of this Note, or any installment hereof, made by agreement by the Lender with any person now or hereafter liable for the payment of this Note, shall affect the liability under this Note of the Borrower, even if the Borrower is not a party to such agreement; provided, however, that the Lender and the Borrower, by written agreement between them, may affect the liability of the Borrower.

Any reference herein to the Lender shall be deemed to include and apply to every subsequent holder of this Note. Reference is made to the Loan Agreement for provisions concerning optional and mandatory prepayments, Facility Collateral, acceleration and other material terms affecting this Note.

Any enforcement action relating to this Note may be brought by motion for summary judgment in lieu of a complaint pursuant to Section 3213 of the New York Civil Practice Law and Rules. The Borrower hereby irrevocably and unconditionally submits for itself and its property in any legal action or proceeding relating to this Note or the Loan Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of any court of the State and county of New York, or in the United States District Court for the Southern District of New York. The Borrower consents that any such action or proceeding may be brought in such courts and, to the extent permitted by law, waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same. The Borrower agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to its address set forth in the Loan Agreement or at such other address of which the Lender shall have been notified. The Borrower agrees that nothing in this Note shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

Insofar as there may be no applicable Federal law, this Note shall be construed in accordance with the laws of the State of New York, without regard to any rule of conflicts of law (other than Section 5-1401 of the New York General Obligations Law) that would result in the application of the substantive law of any jurisdiction other than the State of New York. Nothing in this Note shall require any unlawful action or inaction by the Borrower.

FORM OF WARRANTY ADVANCE NOTE

[WARRANTY ADVANCE AMOUNT]

[DATE]

Washington, District of Columbia

FOR VALUE RECEIVED, [BORROWER], a [BORROWER ENTITY TYPE AND JURISDICTION] (the "Borrower"), hereby promises to pay to the order of the UNITED STATES DEPARTMENT OF THE TREASURY (the "Lender"), at the principal office of the Lender in Washington, D.C. in lawful money of the United States, and in immediately available funds, the principal sum of [WARRANTY ADVANCE AMOUNT] (or such lesser amount as shall equal the aggregate unpaid principal amount of the Warranty Advance) made by the Lender to the Borrower under the Loan Agreement, on the dates and in the principal amounts provided in the Loan Agreement, and to pay interest on the unpaid principal amount of such Warranty Advance, at such office, in like money and funds, for the period commencing on the date of such Warranty Advance until such Warranty Advance shall be paid in full, at the rates per annum and on the dates provided in the Loan Agreement.

The date, amount and interest rate of the Warranty Advance made by the Lender to the Borrower, and each payment made on account of the principal thereof, shall be recorded by the Lender on its books and, prior to any transfer of this Warranty Advance Note, endorsed by the Lender on the schedule attached hereto or any continuation thereof; provided, that the failure of the Lender to make any such recordation or endorsement shall not affect the obligations of the Borrower to make a payment when due of any amount owing under the Loan Agreement or hereunder in respect of the Warranty Advance made by the Lender.

This Warranty Advance Note is the Warranty Advance Note referred to in the Loan and Security Agreement dated as of January 2, 2009 (as amended, supplemented or otherwise modified and in effect from time to time, the "Loan Agreement"), between the Borrower and the United States Department of the Treasury, as Lender, and evidences the Warranty Advance made by the Lender thereunder. Terms used but not defined in this Warranty Advance Note have the respective meanings assigned to them in the Loan Agreement.

The Borrower agrees to pay all the Lender's costs of collection and enforcement (including reasonable attorneys' fees and disbursements of Lender's counsel) in respect of this Warranty Advance Note when incurred, including, without limitation, reasonable attorneys' fees through appellate proceedings.

Notwithstanding the pledge of the Warranty Advance Collateral, the Borrower hereby acknowledges, admits and agrees that the Borrower's obligations under this Warranty Advance Note are recourse obligations of the Borrower to which the Borrower pledges its full faith and credit.

The Borrower, and any indorsers or guarantors hereof, (a) severally waive diligence, presentment, protest and demand and also notice of protest, demand, dishonor and nonpayment of this Warranty Advance Note, (b) expressly agree that this Warranty Advance Note, or any payment hereunder, may be extended from time to time, and consent to the

acceptance of further Warranty Advance Collateral, the release of any Warranty Advance Collateral for this Note, the release of any party primarily or secondarily liable hereon, and (c) expressly agree that it will not be necessary for the Lender, in order to enforce payment of this Warranty Advance Note, to first institute or exhaust the Lender's remedies against the Borrower or any other party liable hereon or against any Warranty Advance Collateral for this Note. No extension of time for the payment of this Warranty Advance Note, or any installment hereof, made by agreement by the Lender with any person now or hereafter liable for the payment of this Warranty Advance Note, shall affect the liability under this Warranty Advance Note of the Borrower, even if the Borrower is not a party to such agreement; provided, however, that the Lender and the Borrower, by written agreement between them, may affect the liability of the Borrower.

Any reference herein to the Lender shall be deemed to include and apply to every subsequent holder of this Warranty Advance Note. Reference is made to the Loan Agreement for provisions concerning optional and mandatory prepayments, Warranty Advance Collateral, acceleration and other material terms affecting this Warranty Advance Note.

Any enforcement action relating to this Warranty Advance Note may be brought by motion for summary judgment in lieu of a complaint pursuant to Section 3213 of the New York Civil Practice Law and Rules. The Borrower hereby irrevocably and unconditionally submits for itself and its property in any legal action or proceeding relating to this Warranty Advance Note or the Loan Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of any court of the State and county of New York, or in the United States District Court for the Southern District of New York. The Borrower consents that any such action or proceeding may be brought in such courts and, to the extent permitted by law, waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same. The Borrower agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to its address set forth in the Loan Agreement or at such other address of which the Lender shall have been notified. The Borrower agrees that nothing in this Warranty Advance Note shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

Insofar as there may be no applicable Federal law, this Warranty Advance Note shall be construed in accordance with the laws of the State of New York, without regard to any rule of conflicts of law (other than Section 5-1401 of the New York General Obligations Law) that would result in the application of the substantive law of any jurisdiction other than the State of New York. Nothing in this Warranty Advance Note shall require any unlawful action or inaction by the Borrower.

ACCOUNT CONTROL AGREEMENT

April 29, 2009

THE UNITED STATES DEPARTMENT OF THE TREASURY (the "Secured Party"); CHRYSLER WARRANTY SPV LLC (the "Customer"); and JPMORGAN CHASE BANK, N.A. (the "Bank") hereby agree as follows:

PREAMBLE

1. The Bank has established at the request of the Customer a securities custody account number E20738 (the "Account") in the name of Customer.
2. The Customer has granted the Secured Party a security interest in the Account pursuant to that certain Guaranty and Security Agreement, dated as of January 2, 2009, as amended.
3. The Secured Party, the Customer and the Bank, at the request of the Secured Party and the Customer, are entering into this Agreement so as to provide for the control of the Account and to perfect the security interest of the Secured Party in the Account. It is understood that the Bank has no responsibility with respect to the validity or perfection of the security interest other than to act in accordance with the terms of this Agreement.

DEFINITIONS

As used herein the following terms shall have the following meanings:

Entitlement Holder shall mean a person identified in the records of the Bank as the person having a Security Entitlement against the Bank.

Entitlement Order shall mean a notification communicated to the Bank directing transfer or redemption of a Financial Asset in which the Entitlement Holder has a Security Entitlement.

Financial Assets shall mean any securities and other property held in the Account, but does not include any cash credit balance that may be maintained in the Account.

Master Agreement means the Loan and Security Agreement (including Appendix A attached thereto), dated as of January 2, 2009 (as amended, restated, supplemented or otherwise modified), by and between Chrysler Holding LLC, the Customer, certain subsidiaries of Chrysler Holding LLC and the Secured Party.

Pledged Assets shall mean any Financial Assets and any cash credit balance which may be maintained in the Account.

Security Entitlement shall mean the rights and property interest of an Entitlement Holder with respect to a Financial Asset specified in Part 5 of Article 8 of the New York Uniform Commercial Code (the "UCC").

TERMS

Section 1. The Account. Exhibit A attached hereto is a complete and accurate statement of the Pledged Assets currently maintained in the Account. Exhibit A does not reflect any Financial Assets which are registered in the name of the Customer, payable to the Customer's order, or specifically endorsed to the Customer, which have not been endorsed to the Bank or in blank. To the Bank's knowledge, the Security Entitlements arising out of the Financial Assets carried in the Account are valid and legally binding obligations of the Bank, and except for the claims and interest of the Secured Party and the Customer in the Account (subject to any claim in favor of the Bank permitted under Section 2 hereof), the Bank has not been notified in writing of any claim to or interest in the Account.

Section 2. Priority of Lien. The Bank hereby acknowledges the security interest granted to the Secured Party by the Customer. The Bank hereby waives and releases all liens, encumbrances, claims and rights of setoff it may have against the Account or any Pledged Assets carried in the Account, except that the Bank shall retain a lien on any Pledged Assets in the Account for the payment of its fees and for the payment of any Pledged Assets credited to the Account for which payment or reimbursement to the Bank has not been made or received. The Bank will not agree with any third party to comply with Entitlement Orders concerning the Account originated by such third party without the prior written consent of the Secured Party and the Customer.

Section 3. Control. The Bank will comply with Entitlement Orders and other directions originated by the Secured Party concerning the Account without further consent by the Customer. (Exhibit B attached hereto contains the names of persons authorized to give to the Bank Entitlement Orders and other directives regarding the Pledged Assets on behalf of the Secured Party.) Except as otherwise provided by Section 2 above and Section 4 below, the Bank shall comply with Entitlement Orders and other directions concerning Pledged Assets held in the Account at the direction of the Customer or its authorized representatives, until such time as the Secured Party delivers a written notice to the Bank in the form annexed hereto as Exhibit C, that the Secured Party is thereby exercising exclusive control over the Account (such notice may be referred to herein as the "Notice of Exclusive Control"). After the Bank receives the Notice of Exclusive Control, it will promptly cease complying with Entitlement Orders or other directions concerning the Account originated by the Customer or its representatives. The Customer agrees, for the benefit of the Secured Party, that it will not provide the Bank with Entitlement Orders or other directives regarding the Pledged Assets except pursuant to the Warranty Support Program (as defined in the Master Agreement).

Section 4. Payment of Income; Voting Rights; Withdrawals. Unless the Bank has received a Notice of Exclusive Control, the Bank shall (a) without further action by the Customer or Secured Party, (i) remit or make available to the Customer all interest, dividends and other income on the Financial Assets in the Account, and (ii) pursuant to the terms of the Account agreement with the Customer, send to the Customer any proxies and other voting rights

and corporate actions received by the Bank in respect of the Pledged Assets and follow any instructions and directions from the Customer in respect of such proxies and rights, and (b) comply with each Entitlement Order and other directive received from the Customer.

Section 5. Statements, Confirmations and Notices of Adverse Claims. (a) The Bank will send or make available by electronic means copies of all statements and confirmations concerning the Account to each of the Customer and the Secured Party, at the address set forth in Section 19 of this Agreement or such other address or location as instructed by the Customer and the Secured Party. If any person notifies the Bank of its assertion of any lien, encumbrance or adverse claim against the Account or in any Pledged Asset contained therein, the Bank will promptly notify the Secured Party and the Customer thereof.

(b) In the event funds transfer instructions are given (other than in writing at the time of execution of this Agreement), whether in writing, by telecopier or otherwise, the Bank is authorized to seek confirmation of such instructions by telephone call-back to the authorized person or persons designated on Exhibit B hereto, and the Bank may rely upon the confirmation of anyone purporting to be the person or persons so designated. The persons and telephone numbers for call-backs may be changed only in a writing actually received and acknowledged by the Bank. The Bank and the beneficiary's bank in any funds transfer may rely solely upon any account numbers or similar identifying numbers provided by the Customer or Secured Party to identify (i) the beneficiary, (ii) the beneficiary's bank, or (iii) an intermediary bank. The Bank may apply any of the deposited funds for any payment order it executes using any such identifying number, even where its use may result in a person other than the beneficiary being paid, or the transfer of funds to a bank other than the beneficiary's bank or an intermediary bank. The parties to this Agreement acknowledge that these security procedures are commercially reasonable.

Section 6. Responsibility of the Bank. The Bank shall have no responsibility or liability to the Secured Party for executing settlements of Financial Assets held in the Account at the direction of the Customer or its authorized representatives, or complying with Entitlement Orders or other directions concerning the Account from the Customer or its authorized representatives, which are received by the Bank before the Bank has received, and had a reasonable opportunity to comply with, a Notice of Exclusive Control. The Bank shall have no responsibility or liability to the Customer for complying with a Notice of Exclusive Control or complying with Entitlement Orders or other directives concerning the Account originated by the Secured Party. The Bank shall have no duty to investigate or make any determination as to whether a default exists under any agreement between the Customer and the Secured Party and shall comply with a Notice of Exclusive Control regardless of whether it believes that any such default exists; for the Bank must fully comply with a Notice of Exclusive Control duly executed by the Secured Party. A Notice of Exclusive Control is duly executed if it is signed by an authorized person of the Secured Party, and it may be delivered to the Bank in any manner set forth in Section 19. This Agreement does not create any obligation or duty for the Bank other than those expressly set forth herein.

Section 7. Standard of Care. Notwithstanding any provision contained herein or in any other document or instrument to the contrary, neither the Bank nor any of its officers,

employees or agents shall be liable for (i) following the instruction of the Secured Party or (ii) in all other respects, for any action taken or not taken by it (or them) under or in connection with this Agreement, except for the Bank's (or their) own gross negligence or willful misconduct. In no event shall the Bank be liable for indirect, special or consequential damages of any kind whatsoever (including lost profits and lost business opportunity) even if it is advised of the possibility of such damages and regardless of the form of action in which any such damages may be claimed. Without limiting the foregoing, and notwithstanding any provision to the contrary elsewhere, the Bank and its officers, employees and agents:

- a. shall have no responsibilities, obligations or duties other than those expressly set forth in this Agreement, and no implied duties, responsibilities or obligations shall be read into this Agreement against the Bank; without limiting the foregoing, the Bank shall have no duty to preserve, exercise or enforce rights in the Pledged Assets (against prior parties or otherwise);
- b. may in any instance where the Bank determines that it lacks or is uncertain as to its authority to take or refrain from taking certain action, or as to the requirements of this Agreement under any circumstance before it, delay or refrain from taking action unless and until it has received instructions from the Secured Party or advice from legal counsel, as the case may be;
- c. so long as it and they shall have acted (or refrained from acting) in good faith, shall not be liable for any error of judgment in any action taken, suffered or omitted by, or for any act done or step taken, suffered or omitted by, or for any mistake of fact or law, unless such action constitutes gross negligence or willful misconduct on its (or their) part;
- d. may consult with legal counsel selected by it (or other experts for the Secured Party or the Customer), and shall not be liable for any action taken or not taken by it or them in good faith in accordance with the advice of such experts;
- e. will not be responsible to the Secured Party for any statement, warranty or representation made by any party other than the Bank in connection with this Agreement;
- f. will have no duty to ascertain or inquire as to the performance or observance by the Customer of any of the terms, conditions or covenants of any security agreement with the Secured Party;
- g. will not be responsible to the Secured Party or the Customer for the due execution, legality, validity, enforceability, genuineness, effectiveness or sufficiency of this Agreement, (provided, however, that the Bank warrants below that the Bank has legal capacity to enter into this Agreement);
- h. will not incur any liability by acting or not acting in reliance upon any notice, consent, certificate, statement or other instrument or writing believed by it or them to be genuine and signed or sent by the proper party or parties;

- i. will not incur liability for any notice, consent, certificate, statement, wire instruction, telecopy, or other writing which is delayed, canceled or changed without the actual knowledge of the Bank;
- j. shall not be deemed to have or be charged with notice or knowledge of any fact or matter unless a written notice thereof has been received by the Bank at the address and to the person designated in (or as subsequently designated pursuant to) this Agreement;
- k. shall not be obligated or required by any provision of this Agreement to expend or risk the Bank's own funds, or to take any action (including but not limited to the institution or defense of legal proceedings) which in its or their judgment may cause it or them to incur or suffer any expense or liability; provided, however, if the Bank elects to take any such action it shall be entitled to security or indemnity for the payment of the costs, expenses (including but not limited to attorneys' fees) and liabilities which may be incurred therein or thereby, satisfactory to the Bank;
- l. shall not incur any liability for acts or omissions of any domestic or foreign depository or book-entry system for the central handling of Financial Assets or for any domestic or foreign custodian or subcustodian; and
- m. shall not be responsible for the title, validity or genuineness of any Financial Asset in or delivered into the Account.

Section 8. Indemnification of the Bank.

(a) The Customer agrees to indemnify and hold the Bank and its directors, officers, agents and employees (collectively the "Indemnitees") harmless from and against any and all claims, liabilities, losses, damages, fines, penalties, and expenses, including out-of-pocket and incidental expenses and legal fees (collectively "Losses") that may be imposed on, incurred by, or asserted against, the Indemnitees or any of them for following any Entitlement Orders, instructions or other directions upon which the Bank is authorized to rely pursuant to the terms of this Agreement.

(b) In addition to and not in limitation of paragraph (a) immediately above, the Customer agrees to indemnify and hold the Indemnitees and each of them harmless from and against any and all Losses that may be imposed on, incurred by, or asserted against, the Indemnitees or any of them in connection with or arising out of the Bank's performance under this Agreement, provided the Indemnitees have not acted with gross negligence or engaged in willful misconduct.

(c) The foregoing indemnifications shall survive any termination of this Agreement

Section 9. Compliance with Legal Process and Judicial Orders. If any Pledged Assets subject to this Agreement are at any time attached or levied upon, or in case the transfer, delivery, redemption or withdrawal of any such Pledged Assets shall be stayed or enjoined, or in the case of any other legal process or judicial order affecting such Pledged Assets,

the Bank is authorized to comply with any such order in any matter as the Bank or its legal counsel reasonably deems appropriate. If the Bank complies with any process, order, writ, judgment or decree relating to the Pledged Assets subject to this Agreement, then the Bank shall not be liable to the Customer or the Secured Party or to any other person or entity even if such order or process is subsequently modified, vacated or otherwise determined to have been without legal force or effect.

Section 10. Force Majeure. The Bank shall not be responsible for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war or terrorism, epidemics, nationalization, expropriation, currency restrictions, United States governmental regulations superimposed after the fact, fire, communication line failures, power failures, earthquakes or other disasters; provided, that no such force majeure can delay, invalidate, or can, in any event, be deemed to delay or invalidate any Notice of Exclusive Control of the Secured Party over the Account.

Section 11. Representations. Each of the parties represents and warrants that (i) it is duly incorporated or organized and is validly existing in good standing in its jurisdiction of incorporation or organization, (ii) the execution, delivery and performance of this Agreement and all documents and instruments to be delivered hereunder or thereunder have been duly authorized, (iii) the person executing this Agreement on its behalf has been duly authorized to act on its behalf, (iv) this Agreement constitutes its legal, valid, binding and enforceable obligation, and (v) its entry into this Agreement will not violate any agreement, law, rule or regulation by which it is bound or by which any of its assets are affected.

Section 12. Customer Agreement. In the event of a conflict between this Agreement and any other agreement between the Bank and the Customer relating to the Account, the terms of this Agreement will prevail, and in all other respects the terms of the other agreement relating to the Account shall apply with respect to any matters not covered by this Agreement. Regardless of any provision in any such agreement, the State of New York is hereby deemed to be the Bank's location for the purposes of this Agreement and the perfection and priority of the Secured Party's security interest in the Account.

Section 13. Termination. The rights and powers granted herein to the Secured Party have been granted in order to perfect its security interest in the Account, are powers coupled with an interest and will neither be affected by the bankruptcy of the Customer nor by the lapse of time. The obligations of the Bank under this Agreement shall continue in effect (i) until the security interest of the Secured Party in the Account has been terminated and the Secured Party has notified the Bank of such termination in writing, or (ii) this Agreement is terminated. Any of the parties may terminate this Agreement upon 30 days' prior written notice to both of the other parties hereto; provided, however, that any Pledged Assets which have not been released by the Secured Party at or prior to the time of termination shall be transferred to a substitute bank designated by the Customer and acceptable to the Secured Party; provided, further, however, that if the Customer has not made such designation of a substitute bank within 10 business days of the notice of termination, the Secured Party may make such designation. The provisions of Sections 7 and 8 shall survive the termination of this Agreement.

Section 14. Entire Agreement. This Agreement and the exhibits hereto and the agreements and instruments required to be executed and delivered hereunder set forth the entire agreement of the parties with respect to the subject matter hereof and supersede and discharge all prior agreements (written or oral) and negotiations and all contemporaneous oral agreements concerning such subject matter and negotiations. There are no oral conditions precedent to the effectiveness of this Agreement.

Section 15. Amendments. No amendment, modification or termination of this Agreement or waiver of any right hereunder shall be binding on any party hereto unless it is in writing and is signed by the party to be charged.

Section 16. Severability. If any term or provision set forth in this Agreement shall be invalid or unenforceable, the remainder of this Agreement, or the application of such terms or provisions to persons or circumstances, other than those to which it is held invalid or unenforceable, shall be construed in all respects as if such invalid or unenforceable term or provision were omitted.

WHEREAS, Chrysler Warranty SPV has been or will be initially capitalized with sufficient funds, which consist of funds provided by both Chrysler LLC and Lender, to satisfy the Limited Warranty Obligations under the Chrysler Warranty Commitment Program consistent with the financial projections and assumptions set forth in Exhibit B hereto;

WHEREAS, during the term of the Program, the respective Company will continue to perform the Limited Warranty Obligations in accordance with the terms and subject to the conditions of the Subject Limited Warranties; provided, however, that in the event of a Business Failure, Chrysler Warranty SPV will perform the obligations set forth in this Agreement;

Article I. Duties of Chrysler Warranty SPV.

Section 1.01 Administration of Claims. In the event of a Business Failure or in the event Lender has provided notice to Chrysler Warranty SPV that a Business Failure is imminent, Chrysler Warranty SPV shall, as soon as practicable, upon receipt of the prior written approval of Lender, use the funds contributed to it by Chrysler LLC to enter into agreements with one or

Limited Warranty Program Data shall be provided by each Company to Chrysler Warranty SPV within five (5) Business Days after receipt of notice that a Business Failure is imminent.

Section 1.02 Extinguishment of Warranty Liabilities. In the event of a Business Failure, upon the prior written consent of Lender, in addition to transferring or assigning the Limited Warranty Obligations of the Company to a Person legally authorized to provide limited warranty benefits substantially similar to the those benefits covered under the Subject Limited Warranties or assume the Limited Warranty Obligations as provided in Section 1.01, Chrysler Warranty SPV may take all reasonable actions necessary or appropriate to settle or extinguish the Limited Warranty Obligations in a manner mutually agreeable to the purchaser of a Subject Vehicle.

Section 1.03 Services of Chrysler Warranty SPV. - (d) promptly notify Chrysler Warranty SPV of any claims that are disputed, suspected to be fraudulent, or otherwise questionable (including but not limited to any claims involving

Chrysler Warranty SPV acknowledges and agrees that it will not, without the prior written consent of the Lender, use the funds initially contributed to it by Chrysler LLC or contributed to it pursuant to Section 2.02, or any other monies received by Chrysler Warranty SPV from time to time, for any purpose other than to fulfill its obligations as set forth in Article I Duties of Chrysler Warranty SPV and to make distributions as provided in Sections 1.05, 6.01 and 6.02. All such funds and other monies shall be deposited in the Account established pursuant to and shall be subject to the Account Control Agreement. All disbursements of such funds and other monies shall require the written consent of the Lender.

Section 1.05 Other Governmental Support. Notwithstanding Sections 1.01, 1.02 and 1.03, if any Foreign Government, agency, instrumentality, program, facility or other entity of any type funded or supported by a Foreign Government provides any guaranty, substitute coverage, or any other form of financial support or coverage ("Alternative Government Support") that results in the owner of a Subject Vehicle or any other Person receiving limited warranty benefits or payments substantially similar to the Limited Warranty Obligations of the respective Company, then the Subject Vehicles covered by such Alternative Government Support shall be excluded from the Chrysler Warranty Commitment Program and this Agreement, and upon written notice with supporting detail from the Company, all amounts held by Chrysler Warranty SPV with respect to such Subject Vehicles shall be distributed, except to the extent additional funds are required in accordance with Section 2.02, as follows: (i) twelve percent (12%) of such amount to Chrysler LLC and (ii) eighty-eight percent (88%) of such amount to the Lender (a) to

The Party participating in such Alternative Government Support and Chrysler Warranty SPV shall thereafter have no further obligations under this Agreement in connection with the Subject Vehicle(s) excluded from this Program.

Article II. Obligations of The Company

Section 2.01 Modification of Limited Warranties. Company may modify the coverage provided under the Limited Warranties during the Program Period; provided, however, that any modifications of such Limited Warranties shall not be effective without the prior written approval of the Lender.

Section 2.02 Funding of Projected Cost of Limited Warranties. Company warrants that its assumptions and projections concerning the number of Subject Vehicles, by vehicle type and the average cost per vehicle of providing the Limited Warranty Obligations, as set forth in Exhibit B, both of which have been used by and relied upon by Company and the Lender to determine the initial capitalization of Chrysler Warranty SPV, are believed by the Company in good faith to be fair and reasonable and based on historic actual experience of the Company with respect to the Limited Warranties and the Limited Warranty Program Data of each Company. In the event (i) the number of Subject Vehicles increases by more than ten percent (10%) above the projections used to determine the initial capitalization of Chrysler Warranty SPV or (ii) the relative proportion of the different types of Subject Vehicles changes so that the average cost of the Limited Warranty Obligations per vehicle increases by more than ten percent (10%), Chrysler LLC shall contribute additional funds to Chrysler Warranty SPV in an amount sufficient to fund 125% of the revised projected Limited Warranty Obligations for the Subject Vehicles, (the “Additional Funds”) provided, however, in determining the Additional Funds to be contributed by Chrysler LLC to Chrysler Warranty SPV, Chrysler LLC shall be entitled to reduce the amount of the Additional Funds by the projected reduction in required Additional Funds attributable to (a) any change in projected Subject Vehicle sales during the remainder of the Program Period and (b) the projected average cost of the Limited Warranty Obligations per vehicle based on the relative proportion of the different types of vehicles projected to be sold during the remainder of the Program Period. Commencing promptly after the execution date of this Agreement, each Company shall provide to Chrysler Warranty SPV, with a copy to Lender, a report, updated monthly thereafter until the end of the Program Period, that sets forth all Subject Vehicles contracted to be sold during the Program Period and all information with respect to such Subject Vehicles that is necessary or appropriate to evaluate the actual projected average cost per vehicle of the Subject Limited Warranties.

Section 2.03 Transfer of Limited Warranties. The Company authorizes Chrysler Warranty SPV to act and to enter into binding agreements on its behalf to transfer or contract for the servicing of the Subject Limited Warranties and Limited Warranty Obligations as provided in Sections 1.01 and 1.03, above.

Section 2.04 Notice to Warranty Servicer. In the event the End Date of the Program Period is changed to a date prior to June 30, 2009 (or such extended time period as the Lender and the Company shall have mutually agreed upon), or upon execution of any amendments to this Agreement that change the obligations of the Parties under Article I hereof, the Company shall immediately provide written notice of such change or amendment to its Warranty Servicers.

Article III. Confidentiality

Section 3.01 Confidentiality. Neither Company nor Chrysler Warranty SPV shall disclose or communicate at any time to any other person any confidential information or trade secrets relating to the business of the other Party or any affiliate or agent thereof, including but not limited to business methods and techniques, research data, marketing and sales information, customer lists, know-how and any other information concerning the business of the other Party or any affiliate or agent thereof, its manner of operation, plans or other data not disclosed to the general public, unless prior written consent is obtained from the other Party. The Limited Warranty Program Data shall be considered confidential information under Section 3.01 by Chrysler Warranty SPV, Lender and any third party that enters into a contract with Chrysler Warranty SPV pursuant to Section 1.03. Chrysler Warranty SPV shall obtain a written agreement from each third party engaged by Chrysler Warranty SPV pursuant to Article I hereof to be bound by the terms of the preceding sentences.

Article IV. Independent Contractor

Section 4.01 Independent Contractor. Chrysler Warranty SPV is an independent contractor, and nothing herein shall be construed to create the relationship of employer/employee, principal/agent, partners or joint venturers between Chrysler Warranty SPV and Company.

Article V. Limitation of Liability

Section 5.01 Limitation of Liability. To the fullest extent permitted by applicable law, none of the Parties, any employee or agent of the Parties or any employee, representative, agent or Affiliate of each Party (collectively, the "Covered Persons") shall be liable to the Company or any other Person that is a party to or is otherwise bound by this Agreement or who has an interest in or claim against the Company for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on such Covered Person by this Agreement, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence or willful misconduct.

Article VI. Term and Termination

Section 6.01 Term and Termination. This Agreement shall be effective as of the Effective Date and shall continue for a term ending the earlier of (i) one year after June 30, 2009 (or such extended time period as the Lender and the Company shall have mutually agreed upon), if a Business Failure of Chrysler LLC or any Company has not occurred prior to such date, (the "Final Termination Date"), in which event the obligations of the Chrysler Warranty SPV under

Sections 1.01, 1.02 and 1.03 of this Agreement shall terminate and the respective Company shall retain full responsibility for any remaining Limited Warranty Obligations, (ii) the date Chrysler Warranty SPV has entered into an agreement with a third party as described in Section 1.01; or (iii) upon written notice from Chrysler LLC that it has completed a successful reorganization or restructuring, and delivery of written concurrence by Lender of completion of a successful reorganization or restructuring, as determined by the Lender in its sole discretion, prior to the Final Termination Date (the earlier of (i), (ii) and (iii), the "Termination Date").

Section 6.02 Application of Funds Upon Termination. Upon the Termination Date all amounts available in the Account together with any additional funds contributed by Chrysler LLC pursuant to Section 2.02 and any other monies received by Chrysler Warranty SPV from time to time shall be distributed in the following order of priority:

first, to pay any costs and expenses then due and payable and any other amounts due and payable in accordance with Article 1, hereof, to any Person entitled to payment under Article I, hereof;

second, to pay the outstanding interest due to the Lender with respect to the Warranty Advance pursuant to the Loan And Security Agreement until such outstanding interest amount shall have been paid in full;

third, to pay the outstanding principal amount due to the Lender with respect to the Warranty Advance pursuant to the Loan And Security Agreement until such outstanding principal amount shall have been paid in full;

fourth, to distribute any remaining amount to the Member of Chrysler Warranty SPV in accordance with the terms of the Limited Liability Company Agreement of Chrysler Warranty SPV LLC.

Section 6.03 Survival. Notwithstanding anything in this Agreement to the contrary, any provision of this Agreement that contemplates performance or observance subsequent to any termination or expiration of this Agreement shall survive any termination or expiration of this Agreement and continue in full force and effect.

2. DEFAULTS AND FORBEARANCE

2.1. The Borrower acknowledges and agrees that (i) the Chrysler Bankruptcy constitutes and/or has caused various Defaults and Events of Default under the Loan Agreement with respect to the Bankrupt Loan Parties (the "Bankruptcy Defaults"), (ii) the Bankruptcy Defaults are continuing as of the date hereof, and (iii) the Lender is entitled to exercise its rights and remedies under the Loan Documents against the Bankrupt Loan Parties as a result of the occurrence and continuance of the Bankruptcy Defaults, including, without limitation, pursuant to Sections 4, 7.24 and 10 of the Loan Agreement.

2.2. (a) The Borrower acknowledges and agrees that (i) the Defaults and Events of Default set forth in Sections A.1 and B of Schedule 2 of this Amendment Number Four have occurred and that the Defaults and Events of Default set forth in Section A.2 of Schedule 2 of

this Amendment Number Four may occur in the future with respect to the Borrower-Controlled Loan Parties (such existing and potential future Defaults and Events of Default, collectively, the "Specified Defaults"); (ii) the Specified Defaults set forth in Sections A.1 and B of Schedule 2 of this Amendment Number Four are continuing as of the date hereof, and (iii) the Lender is entitled to exercise its rights and remedies under the Loan Documents against the Borrower-Controlled Loan Parties as a result of the occurrence and continuance of such Specified Defaults, absent the forbearance provided for hereunder.

(b) Until and including August 31, 2009, the Borrower may add Specified Defaults to Schedule 2 only if the Lender approves of such additions, which approval shall not be unreasonably withheld and shall be deemed to exist if the Lender has not rejected such additions within five (5) days of the Borrower delivering written notice to the Lender thereof.

(c) On and after September 1, 2009, the Borrower may add additional Specified Defaults to Schedule 2 only if (a) such Specified Defaults had occurred and were continuing as of the date hereof, (b) the Borrower was unaware of such additional Specified Defaults as of the date hereof after due investigation, (c) the Borrower notifies the Lender of such additional Specified Defaults within five (5) days of becoming aware thereof and (d) the Lender, in its sole discretion, approves of such additions to Schedule 2, which approval shall be deemed to exist if the Lender has not rejected such additions within five (5) days of the Borrower delivering written notice to the Lender thereof.

(d) From and after the date of this Amendment Number Four, exclusively for the purposes of determining whether a Borrower-Controlled Loan Party Default or a Borrower-Controlled Loan Party Event of Default has occurred and as specified in Section 3.1 below, the definitions of the following defined terms as used in the Loan Agreement and Appendix A thereto shall be construed as follows:

- (i) "Consolidated Subsidiaries" shall be deemed not to include the Bankrupt Loan Parties;
- (ii) "Controlled Affiliates" shall be deemed not to include the Bankrupt Loan Parties and each Subsidiary of any Bankrupt Loan Party;
- (iii) "ERISA Affiliate" of any Borrower-Controlled Loan Party shall be deemed not to include the Bankrupt Loan Parties and each Subsidiary of any Bankrupt Loan Party;
- (iv) "Facility Collateral" shall be deemed to include only (A) the Facility Collateral pledged by the Borrower-Controlled Loan Parties under the Loan Agreement, the Guaranty, and the Intellectual Property Agreement, as applicable, and (B) the Collateral (as defined in the Equity Pledge Agreement) pledged to the Lender by CarCo Intermediate HoldCo I LLC, CarCo Intermediate HoldCo II LLC and the Borrower, in each case, that is not Excluded Collateral;
- (v) "Guarantors" shall be deemed not to include the Bankrupt Loan Parties;

- (vi) "Loan Documents" shall mean the terms and provisions of the documents identified as Loan Documents, as such terms and provisions apply only to the Borrower-Controlled Loan Parties;
- (vii) "Loan Parties" shall be deemed not to include the Bankrupt Loan Parties;
- (viii) "Pledged Entity" shall be deemed to mean CarCo Intermediate HoldCo I LLC, CarCo Intermediate HoldCo II LLC, or either of them;
- (ix) "Pledgors" shall be deemed not to include the Bankrupt Loan Parties;
- (x) "Relevant Companies" shall be deemed not to include the Bankrupt Loan Parties;
and
- (xi) "Subsidiaries" shall be deemed not to include the Bankrupt Loan Parties.

2.3. The Borrower further acknowledges and agrees that, pursuant to Section 10(a) of the Loan Agreement, the Bankruptcy Defaults and the Specified Defaults have caused the principal amount of all Advances (except the Warranty Advance) to become immediately due and payable on and as of April 30, 2009, with interest thereon from and after such date accruing at the Post-Default Rate. For the avoidance of doubt, the Loan Parties shall remain subject to all limitations and restrictions imposed upon them as a result of the Bankruptcy Defaults and Specified Defaults, including those in Section 8.05 of the Loan Agreement.

2.4. Notwithstanding the occurrence and continuance of the Specified Defaults, unless a Forbearance Default (defined below) occurs, the Lender will forbear from exercising its rights and remedies under the Loan Documents against the Borrower-Controlled Loan Parties arising from (x) the Specified Defaults and (y) Defaults and Events of Defaults that are not Borrower-Controlled Loan Party Defaults or Borrower-Controlled Loan Party Events of Default, respectively, except as provided in Section 2.3 of this Amendment Number Four. A "Forbearance Default" shall occur if:

(a) the Borrower breaches Section 4.01 of Appendix A to the Loan Agreement (as amended by this Amendment Number Four) or Section 7.27 of Appendix A to the Loan Agreement (as amended by this Amendment Number Four) and such breach continues for three Business Days;

(b) a Borrower-Controlled Loan Party Event of Default, shall have occurred (whether prior to or after the date hereof);

(c) 

(d) the Legal Final Maturity Date occurs.

If a Forbearance Default shall occur (unless the Lender in its sole discretion has granted the Borrower a waiver, additional forbearance, or approved an amendment to the Loan Agreement), then the agreement herein of the Lender to forbear shall automatically terminate and, subject to Section 4.01 of Appendix A to the Loan Agreement including, for the avoidance of doubt,

subsections (a), (c) and (e) thereof, the Lender may take whatever action against the Loan Parties and/or the Facility Collateral as may be available to it and which it in its sole discretion deems necessary or appropriate, without demand, protest, presentment or any other notice of any kind.

2.5. Except as stated herein, the Lender expressly reserves all other rights and remedies available to it under the Loan Documents and all other related agreements, and all rights, remedies, obligations, and liabilities created or evinced thereby with respect to the Specified Defaults. Except as stated herein, the Lender shall not be deemed to have waived or modified any of its rights hereunder or under any other agreement, instrument or paper signed by Borrower unless such waiver or modification is in writing and signed by the Lender. No failure or delay on the part of the Lender in exercising any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or under the Loan Documents.
