# CDIC guarantees all deposits effective from October 7, 2008 to December 31, 2009.

Update date : 2008-10-08

Considering the instability of both domestic and international financial markets and for the sake of maintaining public confidence and providing full protection to depositors, the government in Taiwan has announced to temporarily guarantee all deposits in full amount. The temporary measure has taken effect from October 7, 2008 until December 31, 2009.
