BOARD OF DIRECTORS

The Board of Directors has 25 members, of whom eight are MPs elected by the Folketing (Parliament) and two are appointed by the Minister for Industry, Business and Financial Affairs. The other 15 members are elected by the Board of Directors on the basis of in-depth knowledge of business conditions and with the aim of ensuring a geographical and professional spread and representation of employees. The members of the Board of Directors are elected for a term of five years at a time and may not be re-elected more than twice.

The Board of Directors oversees Danmarks Nationalbank's compliance with the Danmarks Nationalbank Act and the by-laws. The Board of Directors elects two of the governors, performs quarterly inspections, approves the annual accounts, funding of banknote circulation, collective agreements and appoints members of the Committee of Directors. The Board of Directors usually meets once every quarter.
