

**CAD–USD SWAP AGREEMENT
DATED AS OF December 20, 2011**

This CAD-USD swap agreement (“**Swap Agreement**”) is between the Bank of Canada (“**BOC**”) and Federal Reserve Bank of New York (“**FRBNY**”), (together, the “**Parties**”) and is dated December 20, 2011 and takes effect from December 22, 2011 (the “**Effective Date**”).

WHEREAS, the Parties wish to create a temporary arrangement to purchase and subsequently repurchase Canadian Dollars (“**CAD**”) and U.S. Dollars (“**USD**”) from each other to facilitate the functioning of financial markets and provide liquidity in CAD.

NOW THEREFORE, the Parties agree to the following Swap Agreement:

1. Commitments by the Parties to Purchase and Repurchase Currency

- a. The BOC agrees to sell CAD to the FRBNY and to purchase USD from the FRBNY by means of a spot transaction, with a simultaneous agreement by the BOC to sell USD to the FRBNY and to purchase CAD from the FRBNY on the maturity date of such swap transaction (the “**Maturity Date**”) by means of a forward transaction.
- b. The purchases and the subsequent repurchases under this Swap Agreement shall be referred to collectively as “**Swap Transactions**” and individually as a “**Swap Transaction**”.
- c. The Parties agree, at such times as they mutually agree, to enter into Swap Transactions up to an aggregate outstanding value of no greater than \$30,000,000,000 (30 billion CAD) provided that: (i) the BOC must receive at least one Business Days’ (defined below) prior notice before the proposed Value Date (defined below) of a proposed Swap Transaction (except in the case of a Swap Transaction where the Maturity Date is the first Business Day after the Value Date (“**Overnight Swap Transaction**”) where the BOC must receive notice by 8:00 a.m. Ottawa time on the day on which the FRBNY wishes to enter into that Overnight Swap Transaction) and (ii) all Swap Transactions will have a maximum duration of 88 days or as otherwise agreed upon by the Parties. The Parties may agree to waive or modify either or both of these conditions (i) and (ii). In addition, an additional \$5,000,000,000 (5 billion CAD) will be made available solely for the purposes of Rollover Swap Transactions as provided in Paragraph 6(b).
- d. The term “**Value Date**” will mean the day on which the BOC advances CAD to the FRBNY.
- e. The term “**Business Day**” will mean a day (other than Saturday or Sunday) on which banks are open for business in Ottawa.

2. Establishment of BOC Account on the Books of the FRBNY

- a. For the purposes of implementing this Swap Agreement the FRBNY will open an account in the name of the BOC (the “**BOC Account**”), which account shall be used solely in connection with the implementation of this Swap Agreement.
- b. No payment instructions shall be executed in connection with the BOC Account other than those executed in connection with the implementation of this Swap Agreement.

- c. No intra-day or overnight credit shall be granted by the FRBNY in respect of the BOC Account.

3. Establishment of FRBNY Account on the Books of the BOC

- a. For the purposes of implementing this Swap Agreement the BOC has opened an account in the name of the FRBNY (the “**FRBNY Account**”), which account shall be used solely in connection with the implementation of this Swap Agreement and for the transfer of CAD received under this Swap Agreement.
- b. No payment instructions shall be executed in connection with the FRBNY Account other than those executed in connection with the implementation of this Swap Agreement and for the transfer of CAD received under this Swap Agreement.
- c. No intra-day or overnight credit shall be granted by the BOC in respect of the FRBNY Account.

4. Exchange Rate and Fee Proceeds

- a. The USD/CAD exchange rate (“**Exchange Rate**”) that shall apply to (i) each purchase of CAD and USD under this Swap Agreement and (ii) each repurchase of CAD and USD under this Swap Agreement, shall be based on the prevailing market spot exchange rate as mutually agreed upon by the Parties. The same exchange rate (i.e., the rate of the spot leg) shall be applied to both the spot and forward legs of the same Swap Transaction.
- b. The FRBNY shall pay a fee to the BOC in respect of CAD purchased by it under each Swap Transaction. Except as otherwise agreed upon by the Parties, the fee will be a CAD amount equal to the CAD Amount (defined below) multiplied by a rate (the “**BOC Rate**”) (rounded to 4 digits after the decimal point) to be agreed by the Parties at such times as they mutually agree to enter into a Swap Transaction under this Swap Agreement (the “**Fee**”). The Fee shall be calculated on a 365-day basis on the actual number of days from, and including the Value Date to, but excluding, the Maturity Date. On the Maturity Date, the Fee will be paid by the FRBNY to the BOC in CAD, and the BOC will debit the Fee from the FRBNY Account.
- c. There shall be no interest payable by the BOC on the USD portion of any Transaction, and the BOC shall hold the USD portion of such Transaction at the FRBNY, in a non-interest-bearing account.

5. Transaction Procedures

- a. At such time as either Party may desire to initiate a Swap Transaction, the Parties will agree on the following terms of each Swap Transaction by means mutually agreed upon by both Parties:
 - i) amount of CAD to be purchased by the FRBNY (the “**CAD Amount**”) and, based on the applicable Exchange Rate, the amount of USD to be purchased by the BOC (the “**FRBNY Amount**”);
 - ii) Value Date;
 - iii) Exchange Rate;

- iv) the Fee (calculated in accordance with paragraph 4(b) above); and
 - v) Maturity Date.
- b. Once the Parties have agreed on the terms described in Paragraph 5(a), the Parties shall confirm their agreement without delay by means of a SWIFT message or if SWIFT is not available by means mutually agreed upon by the Parties.
 - c. On the Value Date, the CAD Amount shall be credited to the FRBNY Account and the FRBNY Amount shall be credited to the BOC Account.
 - d. On the Maturity Date, an amount equal to the aggregate of the CAD Amount and the Fee shall be paid by the FRBNY to the BOC by the BOC debiting the FRBNY Account.
 - e. On the Maturity Date, an amount equal to the FRBNY Amount, without any return thereon, shall be paid by the BOC to the FRBNY by the FRBNY debiting the BOC Account.
 - f. Each Party shall provide the other Party with a statement of account with respect to every movement on the other Party's account.

6. Rollover and Set-off

- a. In the event that the FRBNY does not pay any amount due under a Swap Transaction on the Maturity Date, the Parties agree to roll over any shortfall ("**Shortfall**") into a new overnight Swap Transaction ("**Rollover Swap Transaction**"), and the FRBNY shall credit the USD equivalent amount of the Shortfall to the BOC Account as soon as possible and no later than the next day on which banks are open for business in New York. The amount of CAD purchased by the FRBNY under the Rollover Swap Transaction will not exceed the CAD Amount and any associated Fee under the Swap Transaction that it replaces.
- b. Except as otherwise agreed upon by the Parties, the Exchange Rate and rates for determining the Fee for any Rollover Swap Transaction shall be the same respective rates as for the maturing Swap Transaction that experienced the Shortfall. All amounts due under a Rollover Swap Transaction will be paid on the maturity of the Rollover Swap Transaction. The aggregate amount of all outstanding Rolling Swap Transactions may not exceed \$5,000,000,000 (5 billion CAD).
- c. Notwithstanding Section 6(a), if at any time the FRBNY fails to pay any amounts owed under this Swap Agreement with respect to a particular Swap Transaction on the applicable Maturity Date, the BOC is authorised to set off any obligations it may owe to the FRBNY with respect to such Swap Transaction against the corresponding USD held by the BOC in respect of such Swap Transaction in the BOC Account pursuant to Section 5(c). The Parties shall use the prevailing market rate (as reasonably determined by the BOC) applicable on the same date as any set-off calculation to be performed.

7. Warranties

- a. Authority. Except as otherwise provided herein, each of the Parties warrants and represents that it has the full power and authority to enter into and perform its obligations under this Swap Agreement.

- b. Covenant to Inform. In the event there is any change in law, act or other change of fact or circumstance as a result of which one of the Parties is not able to perform all of its obligations under this Swap Agreement, such Party shall inform the other Party as soon as reasonably practicable of such change in law, act or other change of fact or circumstance and the steps that it plans to take in response.
- c. Repetition. On each occasion that a Swap Transaction is entered into under this Agreement, the warranties set out in this paragraph 7 shall be deemed to be repeated.

8. Termination

- a. The Parties may, at any time, mutually agree to terminate any Swap Transaction entered into under this Swap Agreement prior to the Maturity Date for that Swap Transaction. In case of any such early termination of a Swap Transaction, the amounts payable at the early maturity of the Swap Transaction shall be adjusted, as agreed between the BOC and the FRBNY, and such adjusted amounts shall be confirmed without delay by means of a SWIFT message.
- b. Unless otherwise mutually agreed to by the Parties, this Swap Agreement will terminate on February 1, 2013 (“**Termination Date**”). For greater certainty, the Maturity Date of any Swap Transaction may extend past the Termination Date.
- c. The Parties may, at any time, mutually agree to terminate this Swap Agreement or either Party may unilaterally terminate this Swap Agreement with 30 days’ prior written notice to the other Party. At such time that this Swap Agreement is terminated for any reason, the terms and conditions of this Swap Agreement and any outstanding Swap Transaction shall continue to apply until all amounts owed by either Party under this Swap Agreement have been repaid in full.

9. Communications

Any notice, request, document or other communication submitted by a Party under this Swap Agreement shall be in the form of a record, shall refer to this Swap Agreement, and shall be deemed fully given when delivered or made to the other Party in accordance with the contact details set out below (and, in the case of by hand, postal, or FAX communication, marked for the attention of the appropriate person).
