TARP Investment Program Transaction Reports

Transactions Investment Program Reports provide transaction-level detail for all TARP programs except housing programs. Information found in these report includes: investment amount, capital repayments, warrant dispositions, and exchanges. Transactions Reports are published to this website within two business days of the completion of any new transaction.

On September 27, 2013, the Office of Financial Stability updated the format of the Transactions Investment Program Reports. The changes are identified in the TARP Transactions Report – Investments Crosswalk (CPP).
