## Crisis Management Account

Print

The Crisis Management Account is for accounting operations executed in response to financial crisis after deliberation by the Financial Crisis Response Council and approval by the Prime Minister (operations related to measures against crisis and measures for orderly resolution of a financial institution, etc.) and contributions and specified contributions from financial institutions.

Revenues in FY2019 totaled ¥93,000, comprised wholly of non-operating revenues, while expenses came to ¥0.4 billion for general administrative expenses.

Consequently, the current loss came to  $\pm 0.4$  billion, reducing retained earnings at the end of FY2019 to  $\pm 368.1$  billion.
