What is OANDA's Currency Converter?

OANDA's Currency Converter allows you to check the latest foreign exchange average bid/ask rates and convert all major world currencies. OANDA Rates™ are foreign exchange rates compiled from leading market data contributors.

How to use OANDA's Currency Converter

To use OANDA's free currency converter, type into the relevant field currency names, 3-letter ISO currency symbols, or country names to select your currency. You can convert world currencies, precious metals, or obsolete currencies. You can also access currency exchange rates dating back to January 1990.

Why use OANDA's Currency Converter?

Credible and accurate

We have direct access to real-time FX rates, so you can be assured that the data we provide is always accurate and reliable.

Trusted provider

Our rates are trusted and used by major corporations, tax authorities, auditing firms and individuals around the world.

Years of FX Data

We have over 31 years of historical data for over 38,000 forex pairs and rates from over 200 currencies, commodities, and precious metals.
