Re: *Freedom of Information Act Request No. F-2020-00187*

Dear Mr. Podkul:

This is in response to your email message dated April 23, 2020, and received by the Board's Information Disclosure Section on April 24. Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, you request the following:

all comment letters received by the Fed since March 1 regarding any of the emergency loan facilities established by the Fed in March and April 2020 under its 13(3) emergency lending powers . . . [and] also include letters send directly to Chairman Powell regarding these facilities, including any Congressional correspondence related to the facilities.

Staff searched Board records and located information responsive to your request. You may be interested to know that the Board solicited public comments on the Main Street Lending and Municipal Liquidity Facilities. Accordingly, responsive records will consist of the comments the Board received on these two facilities. You may access the non-congressional comments the Board received on the Main Street Lending Facility at the following website:

<https://www.federalreserve.gov/monetarypolicy/mainstreetlending.htm>.

The remainder of the comments will be provided to you by the Board's Information Disclosure Section under separate cover. Your request for information, therefore, is granted in full.<sup>1</sup>

Very truly yours,

Michele Taylor Fennell  
Deputy Associate Secretary of the Board
