

Hungary - Credit Rating

Summary () Export Data (<https://api.tradingeconomics.com/ratings/historical/hungary?format=csv>) API Access

Alerts 0
 Standard & Poor's credit rating for Hungary stands at BBB with stable outlook. Moody's credit rating for Hungary was last set at Baa2 with stable outlook. Fitch's credit rating for Hungary was last reported at BBB with stable outlook. In general, a credit rating is used by sovereign wealth funds, pension funds and other investors to gauge the credit worthiness of Hungary thus having a big impact on the country's borrowing costs. This page includes the government debt credit rating for Hungary as reported by major credit rating agencies.
