- 1) On September 3, 2010, the U.S. Department of the Treasury and Citibank, N.A. entered into a facility purchase agreement (the "L/C Facility Agreement"), which allowed Treasury to demand from Citigroup the issuance of an up to \$8 billion, 10-year letter of credit (the "L/C"). Treasury will increase availability under the L/C incrementally in proportion to the mortgages refinanced under the FHA Short Refinance program during the eligibility period. After that time, the amount of the L/C will be capped at the thencurrent level. Under the terms of the L/C Facility Agreement, Treasury could incur fees for the availability and usage of the L/C up to a maximum amount of \$117 million.
- 2) On March 4, 2013, the U.S. Department of the Treasury and Citibank, N.A. entered into Amendment No. 1 to the L/C Facility Agreement, which reduced the maximum amount of the L/C from \$8 billion to \$1 billion; extends by two years the period of time Treasury has to increase the L/C to cover new loans that are entered into the program; and modified the fee structure paid to Citibank, N.A. Based on this new fee structure and the lower L/C, Treasury expects that the fees incurred for the availability and usage of the L/C will not exceed \$25 million.
- 3) On March 31, 2015, the U.S. Department of the Treasury and Citibank, N.A. entered into Amendment No. 2 to the L/C Facility Agreement. Amendments included reducing the maximum amount of the L/C from \$1 billion to \$100 million; extending by approximately two years the term of the L/C and the period of time Treasury has to increase the L/C to cover new loans entered into the program; and modifying the structure of administrative fees associated with the facility.
- 4) On September 28, 2017, the U.S. Department of the Treasury and Citibank, N.A. entered into Amendment No. 3 to the L/C Facility Agreement. Amendments included reducing the maximum amount of the L/C from \$100 million to \$27 million, and modifying the structure of administrative fees associated with the facility.

<sup>&</sup>lt;sup>1</sup> This report is sourced from the Monthly Servicer Survey of select servicers participating in MHA under a Servicer Participation Agreement. All data in this report reflects what is provided by servicers participating in the survey and is not separately validated by Treasury. Servicers regularly perform evaluation and refinement of reporting, which can lead to updating of Program-to-Date results. Due to the MHA Program Modification Effective Date Cut-off of December 1, 2017, the December 2017 version of this report is the last issued and includes data collected from servicers through December 31, 2017. Requests received that were not processed as of December 2017 may be attributable to a variety of reasons, including failure to submit a complete mortgage modification request. Borrowers whose requests were not processed may have been offered a Streamline HAMP Modification.

<sup>&</sup>lt;sup>2</sup> "Requests Received" is the total number of mortgage modification requests received, as reported by servicers. Cumulative Requests Received include all mortgage modification requests received since implementation of Supplemental Directive 10-02, effective June 1, 2010, and any requests that were approved for a trial modification prior to implementation of such guidance. As noted in Footnote 1 above, some servicers may include all mortgage modification requests received, whereas they previously included only requests that met basic HAMP eligibility criteria. As of January 2017, servicers were no longer required to provide monthly requests received volumes. Due to the December 30, 2016 HAMP application deadline, servicers will not report any requests received after that date and therefore, the monthly Requests Received column has been removed from the report. Servicers continue to evaluate and decision requests which were submitted by the application deadline.

<sup>&</sup>lt;sup>3</sup> "Requests Processed" is the sum of Requests Approved and Requests Denied, defined below.

<sup>&</sup>lt;sup>4</sup> "Requests Approved" is the total number of complete mortgage modification requests approved for a trial modification under HAMP and trial offers sent to the borrowers, as reported by servicers. Note that all Requests Approved do not become Active Trials because some borrowers do not accept the trial or fail to make the first trial payment.

<sup>&</sup>lt;sup>5</sup> "Requests Denied" is the total number of mortgage modification requests not approved for a trial modification under HAMP and the decision communicated to the borrower by the servicer in accordance with program guidance, as reported by servicers. Cumulative Requests Denied include all mortgage modification requests denied and communicated to the borrower by the servicer since implementation of Supplemental Directive 10-02, effective June 1, 2010; servicers do not report Requests Denied prior to then as relevant data is incomplete. Figures include HAMP mortgage modification requests denied due to insufficient documentation, failure to meet basic eligibility criteria, and/or other reasons.
