20 Jan 1998

Protection of depositors' interests have always been of paramount importance to Bank Negara Malaysia. In this regard, Bank Negara Malaysia wishes to reaffirm its policy stance with regard to the protection of depositors' interests where both the principal amount and accrued interest of deposits placed with banks, Bank Islam Malaysia Berhad, finance companies and merchant banks are protected by the Government. In this regard, depositors should have no qualms about placing their deposits with any banking institutions in Malaysia.
