

Results of today's Provincial Money Market Purchase program

Notice - Wednesday, April 8, 2020, 15:00 (ET)

As part of the Bank of Canada's Provincial Money Market Purchase (PMMP) program, the Bank was allocated \$480 million of provincial treasury bills and/or promissory notes.

This program acquires provincially-issued money market securities through the primary issuance market to support a liquid and well-functioning market for short-term provincial borrowings.
