

ABOUT

# The mission of the Dexia Group

Managing in resolution and ensuring the funding of an extremely complex

Dexia is the only bank in resolution to have retained its banking status. It is managed in accordance with the validated by the European Commission in December 2012.

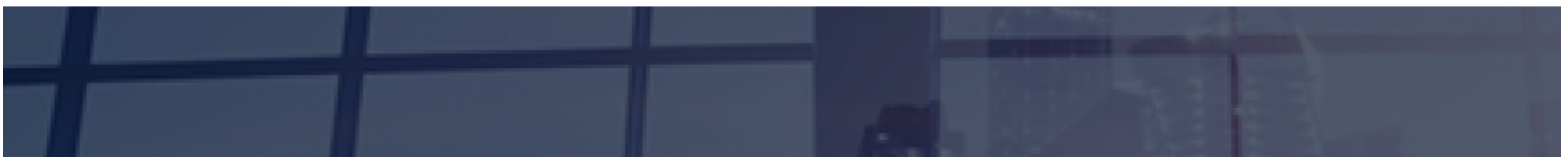

As such, the Group no longer has any commercial activity and manages a considerable and highly complex ba

An essentially European establishment —→

## The challenges

To maintain the Dexia Group's funding capacity while preserving its capital base and ensuring its operational continuity —→
