Exchange Offers and Proposals in respect of Piraeus Group Capital Limited's €200,000,000 Series A Floating Rate Non-cumulative Guaranteed Non-voting Preferred Securities (XS0204397425), Piraeus Group Finance PLC's €400,000,000 Subordinated Callable Step-up Floating Rate Notes due 2016 (XS0261785504) and Piraeus Group Finance PLC's €500,000,000 5.00 per cent. Notes due March 2017 (XS1048577529)

Investors should not participate in the Exchange Offers referred to in this announcement except on the basis of the information in the Exchange Offer Memorandum referred to below. Capitalised terms used but not otherwise defined herein shall have the meanings set out in the Exchange Offer Memorandum.

15 October 2015. Piraeus Bank S.A. (the **Offeror**) announced today separate invitations to holders (the **Securityholders**) of any and all of the outstanding €200,000,000 Series A Floating Rate Non-cumulative Guaranteed Non-voting Preferred Securities of Piraeus Group Capital Limited (XS0204397425) (the **Perpetual Securities**), €400,000,000 Subordinated Callable Step-up Floating Rate Notes of Piraeus Group Finance PLC (together with Piraeus Group Capital Limited, the **Existing Issuers** and each an **Existing Issuer**) due 2016 (XS0261785504) (the **2016 Securities**) and €500,000,000 5.00 per cent. Notes of Piraeus Group Finance PLC due March 2017 (XS1048577529) (the **2017 Securities**) (each a **Series** and together, the **Existing Securities**), to offer to exchange any or all of such Existing Securities for non-transferable receipts (the **Non-Transferable Receipts**) issued by the Offeror (the **Exchange Offers** and each an **Exchange Offer**). The Exchange Offers are made on the terms and subject to the conditions contained in the exchange offer memorandum dated 15 October 2015 (the **Exchange Offer Memorandum**) and are subject to the offer and distribution restrictions set out below and more fully described in the Exchange Offer Memorandum.

The Exchange Offers are being made to strengthen the Offeror's capital base, which has been impacted by the impaired macro-economic conditions recently experienced in the Hellenic Republic that are affecting all Greek financial institutions. In addition, the Exchange Offers in relation to the 2016 Securities and the Perpetual Securities reflect the fact that, if State aid is required to meet any part of the additional capital requirements that may be imposed as a result of the Comprehensive Assessment currently being conducted by the Single Supervisory Mechanism (**SSM**) or otherwise, burden-sharing will need to be achieved to the maximum extent possible through contributions by holders of equity, hybrid capital and subordinated debt of the Offeror. The proceeds of the issuance of 2017 Securities and the 2016 Securities have been loaned (in the case of the 2016 Securities, on a subordinated basis) by Piraeus Group Finance PLC to the Offeror. The proceeds of the Perpetual Securities were used by Piraeus Group Capital Limited to subscribe for €200,000,000 Series A Floating Rate Subordinated Callable Notes due 2034 (XS0204416316) issued by Piraeus Group Finance PLC (the **2034 Securities**). In turn, the proceeds of the 2034 Securities were loaned, on a subordinated basis, by Piraeus Group Finance PLC to the Offeror. Investors should refer to the section "*Background to and rationale for the Exchange Offers and the Proposals*" in the Exchange Offer Memorandum for further information before participating in the Exchange Offers.

Each Securityholder whose Existing Securities are accepted for exchange in the relevant Exchange Offer or mandatorily exchanged pursuant to the Mandatory Issuer Exchange (if any) will receive on the settlement of the relevant Exchange Offer, which (subject as provided in the Exchange Offer Memorandum) is expected to take place on 9 November 2015 (the **Settlement Date**), Non-Transferable Receipts which correspond to the aggregate nominal amount or liquidation preference, as the case may be, of the relevant Existing Securities accepted for exchange pursuant to the relevant Exchange Offer. The Non-Transferable Receipts represent the rights of the holders (the **Receiptholders**) to choose where permitted to do so, between three Options during the Exercise Period and to receive from the Offeror the Cash Consideration, the Share Consideration (or any combination of the foregoing) or (in the case of Non-Permitted

Equityholders only) the Cash Resale Amount, as the case may be, due upon the exercise of such Options. The Cash Consideration, Share Consideration or (in the case of Non-Permitted Equityholders only) the Cash Resale Amount paid or delivered to the relevant Receiptholders, shall be paid or delivered by way of full and final settlement of the consideration payable by the Offeror in respect of the exchange of the Existing Securities offered for exchange by such Receiptholders and accepted by the Offeror or mandatorily exchanged pursuant to the Mandatory Issuer Exchange (if any). A preliminary description of the Non-Transferable Receipts is set out in Annex 2 of the Exchange Offer Memorandum.

No payment will be made on the relevant Settlement Date in respect of any Accrued Interest on the relevant Existing Securities exchanged for Non-Transferable Receipts, and, in the case of the 2016 Securities and the 2017 Securities only, account shall be taken of Accrued Interest when calculating the relevant Cash Consideration, Share Consideration or (in the case of Non-Permitted Equityholders only) the Cash Resale Amount, as the case may be pursuant to the Options. For the avoidance of doubt, pursuant to relevant Existing Securities Conditions and applicable State aid restrictions currently in effect, interest is not currently payable on the Perpetual Securities and accordingly account shall not be taken of accrued interest in respect of the Perpetual Securities.

The Exchange Offers begin today and expire at 9.00 a.m. (London time) on 4 November 2015 (the **Expiration Deadline**). In order to be eligible to receive Non-Transferable Securities pursuant to the relevant Exchange Offer, Securityholders must validly offer their Existing Securities for exchange by the Expiration Deadline, by delivering a valid Exchange Instruction that is received by the Exchange Agent by the Expiration Deadline (and is not revoked).

The acceptance by the Offeror of Existing Securities offered for exchange in the relevant Exchange Offer is conditional on:

- a. (in the case of the 2017 Securities and the 2016 Securities) the relevant Extraordinary Resolution referred to below or (in the case of the Perpetual Securities) the Special Resolution referred to below being passed; and
- b. the relevant Extraordinary Resolution or Special Resolution, as the case may be, being implemented by the relevant Existing Issuer (and, in the case of the 2017 Securities and the 2016 Securities, the relevant Supplemental Fiscal Agency Agreement being entered into or, in the case of the Perpetual Securities, the Shareholder Special Resolution being passed), which will only take place if the quorum required for, and the requisite majority of votes cast at, the relevant Meeting are satisfied by Eligible Securityholders, irrespective of any participation at the relevant Meeting by Ineligible Securityholders (and would also have been so satisfied if any Ineligible Securityholders who provide confirmation of their status as Ineligible Securityholders and waive their right to attend and vote (or be represented) at the Meeting, had actually participated at the relevant Meeting and all of such Ineligible Securityholders had voted against the relevant Extraordinary Resolution or Special Resolution, as the case may be), including the satisfaction of such condition at any adjourned Meeting (the **Eligibility Condition**),

(together, the **Acceptance Conditions**).

However, subject to applicable law and as provided in the Exchange Offer Memorandum, the Offeror may, in its sole discretion, extend, re-open, amend or terminate any Exchange Offer at any time before the announcement of the results of the Meetings and may, in its sole discretion, waive any of the conditions to any Exchange Offer either before or after such announcement.

The Offeror is also considering, in addition to liability management exercises such as the Exchange Offers, other means to facilitate meeting the Directorate General for Competition's requirements for burden-sharing including, for example, the substitution of Piraeus Group Finance PLC with another entity (which may include the Offeror) as issuer of the 2016 Securities and the 2034 Securities; and is also considering the substitution of Piraeus Group Finance PLC with another entity (which may include the Offeror) as issuer of the 2017 Securities. No assurance can be given that Piraeus Group Finance PLC will not decide to take all steps required to exercise its substitution rights under the 2017 Securities, the 2016 Securities and/or the 2034 Securities, including (in the case of any of the 2017 Securities, the 2016 Securities and/or the 2034 Securities owned by the Offeror (or its subsidiaries) whether as a result of the Proposals or otherwise)

through the removal, waiver or amendment to the fullest extent, of the conditions relating to substitution, or, if exercised, when such exercise will occur, or that such substitution rights will be exercised in any particular manner, including in circumstances where the effect of the exercise of such substitution rights would be to bring the relevant Series of Existing Securities within the scope of any mandatory burden-sharing measures which may be imposed by the Greek authorities.

The Existing Issuers will also be inviting all Securityholders to approve the modification of the terms and conditions of the Existing Securities to provide that the relevant Existing Issuer shall mandatorily exchange (the **Mandatory Issuer Exchange**) all, but not some only, of the Existing Securities remaining (if any) on completion of the relevant Exchange Offer by delivering to Securityholders, or procuring delivery to Securityholders of, Non-Transferable Receipts which correspond to the aggregate nominal amount or liquidation preference, as the case may be, of the relevant remaining Existing Securities (the **Proposals** and each a **Proposal**), on the terms and subject to the conditions contained in the Exchange Offer Memorandum.

The Proposals will be considered at separate meetings (the **Meetings** and each a **Meeting**) of the Securityholders of each Series, convened in respect of each Series by the relevant notice to be held at the offices of Shearman & Sterling (London) LLP at 9 Appold Street, London EC2A 2AP on 6 November 2015 at 9.30 a.m. (London time), in the case of the 2017 Securities, 9.45 a.m. (London time), in the case of the 2016 Securities and 10.00 a.m. (London time), in the case of the Perpetual Securities and, where the context permits, any adjourned such meeting, at which Securityholders of such Series will be asked to consider and, if thought fit, pass the relevant Extraordinary Resolution or Special Resolution, as the case may be (as defined below).

Notices (the **Notices** and each a **Notice**) convening the Meetings have been delivered to Securityholders in accordance with the terms and conditions of the Existing Securities by publication (in the case of the 2017 Securities and the 2016 Securities) in the *Financial Times* and by publication (in the case of the Perpetual Securities) in the *Luxemburger Wort* and notified to Securityholders through the website of the Luxembourg Stock Exchange and the Clearing Systems. At each such Meeting, holders of the relevant Series will be invited to consider and, if thought fit, pass the extraordinary resolution in respect of the 2017 Securities or the 2016 Securities in the form set out in the relevant Notice (the **Extraordinary Resolution**) or pass the special resolution in respect of the Perpetual Securities in the form set out in the relevant Notice (the **Special Resolution**).

If, (in the case of the 2017 Securities and the 2016 Securities) the relevant Extraordinary Resolution is passed at the relevant Meeting and the relevant Supplemental Fiscal Agency Agreement entered into, the relevant Existing Issuer shall mandatorily exchange the relevant Existing Securities pursuant to the Mandatory Issuer Exchange on the Settlement Date (being the Business Day following the entry into of the relevant Supplemental Fiscal Agency Agreement), or, (in the case of the Perpetual Securities) if the relevant Special Resolution is passed at the relevant Meeting and the Shareholder Special Resolution is passed, the relevant Existing Issuer shall mandatorily exchange the relevant Existing Securities pursuant to the Mandatory Issuer Exchange on the Settlement Date (being the Business Day following the day on which the amendments to the PGCL Articles of Association become effective). The aggregate nominal amount of the Non-Transferable Receipts that each Securityholder will receive in consideration for its Existing Securities mandatorily exchanged pursuant to the Mandatory Issuer Exchange will be the same as the aggregate nominal amount of the Non-Transferable Receipts that such Securityholder would have received in respect of such Existing Securities had such Existing Securities been validly offered for exchange by the relevant Securityholder, and accepted for exchange by the Offeror, pursuant to the relevant Exchange Offer.

The Proposals in respect of each Series are independent and are not conditional on the approval of the Extraordinary Resolution or Special Resolution, as the case may be, in respect of the other Series. As such, the Proposals in respect of each Series may be implemented if the relevant Extraordinary Resolution or Special Resolution, as the case may be, is approved, whether or not the Extraordinary Resolution or Special Resolution, as the case may be, in respect of any other Series is also approved.

Securityholders who do not wish to offer their Existing Securities for exchange in the relevant Exchange Offer can appoint a proxy or make other arrangements to attend and/or vote at the relevant Meeting (or adjourned such Meeting)

in accordance with the provisions of the relevant Notice. Such Securityholders will be asked to confirm whether or not they are an Ineligible Securityholder.

By offering Existing Securities for exchange in the relevant Exchange Offer, Securityholders of the relevant Series will instruct the Agent to appoint one or more representatives of the Exchange Agent as their proxy to vote in favour of the relevant Extraordinary Resolution or Special Resolution, as the case may be, at the relevant Meeting. It will not be possible to validly offer Existing Securities for exchange in the relevant Exchange Offer without at the same time giving such instructions to the Agent.

The Exchange Offers and the Proposals are being made on the terms and subject to the conditions contained in the Exchange Offer Memorandum. Securityholders to whom the Exchange Offers and Proposals are being made in accordance with the offer restrictions set out below are advised to read the Exchange Offer Memorandum carefully for full details of and information on the procedures for participating in the Exchange Offers and the Proposals.

Under the Exchange Offers, all Exchange Instructions will be fully revocable until the Expiration Deadline.

Subject to applicable law and as provided in the Exchange Offer Memorandum, the Offeror may, in its sole discretion, extend, re-open, amend, waive any condition of or terminate the relevant Exchange Offer at any time, and the relevant Existing Issuer may, in its sole discretion, extend, re-open, amend, waive any condition of or terminate the relevant Proposal (other than the terms of the relevant Extraordinary Resolution or Special Resolution, as the case may be) at any time. Details of any such extension, re-opening, amendment, waiver or termination will be announced wherever applicable as provided in the Exchange Offer Memorandum as soon as reasonably practicable after the relevant decision is made. Securityholders are advised that the Offeror may, in its sole discretion, accept offers to exchange Existing Securities pursuant to the relevant Exchange Offer on more than one date if the relevant Exchange Offer is extended or re-opened in whole or in part.

The SSM and the European Central Bank are expected to announce the results of the Comprehensive Assessment currently being conducted by the SSM prior to the Expiration Deadline.

In addition, Securityholders should note that, on or prior to 2 November 2015, the Offeror currently intends to publish:

1. its interim unaudited consolidated financial statements as at and for the six months ended 30 June 2015 (the **Interim Financial Statements**); and

The Interim Financial Statements and the Interim Trading Update will be published on the website of the Offeror (www.piraeusbankgroup.com).
