From Good to Bad Bankers: Lessons Learned from a 50-year Career in Banking

Aristóbulo De Juan

Summary

In this collection of his writings over a period of some 50 years, Aristóbulo de Juan describes the causes, characteristics and consequences of financial crises based on his own experience as a central banker, world bank expert and consultant spanning a career of more than 55 years.

In a nutshell, the papers brought together in this book recount circumstances that have always plagued banking, and that are only too likely to recur in the future.
