TITLE	Guidelines on Government Deposit Guarantee and Reporting Requirements for Guaranteed Financial Institutions		

SECTION 1: GUIDELINES ON GOVERNMENT DEPOSIT GUARANTEE AND REPORTING REQUIREMENTS

1. PURPOSE

The purpose of this circular is to inform Guaranteed Financial Institutions (“GFI”) on the guidance and reporting requirement for the Government Deposit Guarantee (“GDG”).

2. BACKGROUND

Consistent with regional efforts to preserve confidence in the financial systems, the Ministry of Finance and Bank Negara Malaysia (“BNM”) had on 16 October 2008 jointly announced to fully guarantee all ringgit and foreign currency deposits and instruments with commercial, Islamic, investment banks, international Islamic banks and deposit taking development financial institutions regulated by BNM. PIDM has been entrusted to administer the GDG.

3. GUARANTEED DEPOSIT AND INSTRUMENTS

3.1 As stated in PIDM fact sheet on GDG, the deposit and instruments guaranteed shall include:

- (a) Fixed deposits, current accounts, saving accounts, joint and trust accounts;
- (b) All Islamic deposits (including structured or otherwise);
- (c) Principal guaranteed conventional structured deposits;
- (d) Foreign currency deposits; and
- (e) Negotiable instruments of deposits held by non-banks.

Perbadanan Insurans Deposit Malaysia
Protecting Your Insurance And Deposits In Malaysia

Ref No	GFI/GL3/2009(GDG)	Issued on	24 March 2009
TITLE	Guidelines on Government Deposit Guarantee and Reporting Requirements for Guaranteed Financial Institutions		

3.2 While, the following deposits and instruments are excluded from the government deposit guarantee:

- (a) Conventional structured products that are not principal guaranteed;
- (b) Deposits payable outside Malaysia;
- (c) Inter-bank money market placements;
- (d) Negotiable instruments of deposit held by banks¹; and
- (e) Repurchase agreements.

3.3 PIDM shall guarantee the full amount of guaranteed deposits and instruments held with GFIs in Malaysia only.

3.4 The guarantee is a temporary measure and is in place from 16 October 2008 until 31 December 2010.

4. CALCULATION OF TOTAL DEPOSITS AND INSTRUMENTS GUARANTEED

4.1 The annual guaranteed deposits and instruments shall be based on the total deposits and instruments guaranteed (“TDIG”) held by the GFIs as at 31 December for assessment year 2009 and 2010.

4.2 The amount of TDIG shall be calculated separately for Islamic and conventional deposits and is derived as follows:

$$\text{TDIG} = \text{Total deposit accepted} - (\text{less}) \text{ Total deposits and instruments not guaranteed under the GDG}$$

¹ Banks refer to an institution licensed under the Banking And Financial Institutions Act 1989 or Islamic Banking Act 1983 or Development Financial Institutions Act 2002 which Bank Negara Malaysia has approved as an interbank money market institution.

Protecting Your Insurance And Deposits In Malaysia

Ref No	GFI/GL3/2009(GDG)	Issued on	24 March 2009
TITLE	Guidelines on Government Deposit Guarantee and Reporting Requirements for Guaranteed Financial Institutions		

5. GUARANTEE FEE RATE

5.1 The prescribed annual guarantee fee rate during the guarantee period will be announced at a later date.

6. COMPLETION OF RETURN ON GUARANTEED DEPOSITS

6.1 Each GFI shall complete the Return on Guaranteed Deposits (“RGD”) separately for Islamic and conventional deposits for the purpose of submission. The return is the basis to assess the amount of total deposits and instruments guaranteed and the amount of annual guarantee fee payable. The returns for Islamic and conventional deposits are as attached in **Appendix 2 (a)** and **(b)**.

6.2 The annual guarantee fee payable to PIDM shall be calculated as follows:

- (a) GDG fee rates shall be applied to TDIG held as at 31 December 2008 for assessment year 2009.
- (b) The annual guarantee fees of Islamic and conventional deposits shall be calculated separately.

6.3 The amount of total guarantee fee payable for GFIs (Islamic and conventional deposits) are derived as follows:

Total Guarantee Fee Payable	=	TDIG	x	Guarantee Fee Rate
------------------------------------	---	------	---	--------------------

Illustration 1:

Deposit	TDIG	Guarantee Fee Rate	Annual Guarantee Fee
	(RM'000)	%	(RM'000)
Conventional deposits	90,000	TBA*	XXX

*TBA : To be advised

Perbadanan Insurans Deposit Malaysia

Ref No	GFI/GL3/2009(GDG)	Issued on	24 March 2009
---------------	-------------------	------------------	---------------

TITLE	Guidelines on Government Deposit Guarantee and Reporting Requirements for Guaranteed Financial Institutions
--------------	---

- 6.4 For assessment year 2009, GFIs shall capture 2 additional months in computing the guarantee fee. These 2 additional months includes the guarantee period in 2008. Whereas for guarantee period for assessment year 2010, the computation shall only reflects for the period of 12 months. **Illustration 2** described the computation of annual guarantee fee for assessment year 2009.

Illustration 2

Deposit	TDIG	Guarantee Fee Rate	Number of Months	Annual Guarantee Fee
	(RM'000)	%	(Months)	(RM'000)
Conventional deposits	90,000	TBA*	14/12	XXX

*TBA : To be advised

- 6.5 Reporting in the RGD and the payment of annual guarantee fee shall be rounded up to the nearest ringgit value i.e. no decimal point.
- 6.6 GFIs are required to submit softcopy (as per template contained in the attached CD) and hardcopy of the RGD, which shall be certified by Chief Executive Officer and Chief Financial Officer.

7. COMPLIANCE REQUIREMENT

- 7.1 GFIs are required to submit separate returns on the RGD (Islamic and conventional) on or before **31 May**.
- 7.2 The payment of annual guarantee fee shall be remitted to PIDM by way of executing a payment instruction via RENTAS once you are advised of the remittance date to the respective PIDM's Operational Accounts with Bank Negara Malaysia as follows:

PIDM's Operational Accounts	Account Numbers
Islamic	1554200047
Conventional	1554190755

SECTION 2: APPENDICES

Appendix 1 – Interpretation of Item

1.1 For Investment Banks

Item	FISS Code	Interpretation
RM Demand Deposits Accepted	42110	Refers to the outstanding amount of RM positive balances in the current accounts of the commercial banks and Islamic banks.
RM Savings Deposits Accepted	42120	Refers to RM deposits held by commercial banks and Islamic banks on terms that the deposits are not subject to a fixed maturity period and may be withdrawn without prior notice. Normally savings deposit accounts are operated through pass books issued by the commercial banks and Islamic banks to the depositors. The commercial banks and Islamic Banks would pay interest/profit (at the prevailing savings deposit rate) to the depositors at periodic intervals.
RM Fixed Deposits Accepted	42130	<p>Refers to RM deposits held by commercial banks, Islamic banks and investment banks on terms that the deposits are subject to a fixed maturity period and are repayable with interest at a fixed rate. The commercial banks, Islamic banks and investment banks may not pay interest on the deposit or may vary the original interest rate in the event of premature withdrawal. This item is only applicable for conventional banking operations.</p> <p>The commercial banks, Islamic banks and investment banks classifies a sum of money placed with it as "fixed deposit", if the following conditions are satisfied:</p> <ul style="list-style-type: none">• The deposit is repayable at a fixed maturity date which is at least one month after the deposit rate;• The depositor is issued a non-transferable fixed deposit receipt; and• The depositor is entitled to receive interest at a fixed rate either on the maturity date or at periodic intervals during the tenure of the deposit.
RM Specific Investment Deposits Accepted	42131	Refers to RM deposits of money placed with a depository on terms that the deposits are utilised for the purpose of financing or investing in specific assets or project, subject to a non-standard fixed maturity period and profit is payable based on a pre-agreed profit-sharing ratio. The deposits placed are managed separately from other deposits and the depositor is normally issued a specific investment deposit receipt for which is non-transferable. This item is applicable only to the Islamic banking operations.

Perbadanan Insurans Deposit Malaysia
Protecting Your Insurance And Deposits In Malaysia

Ref No	GFI/GL3/2009(GDG)	Issued on	24 March 2009
---------------	-------------------	------------------	---------------

TITLE	Guidelines on Government Deposit Guarantee and Reporting Requirements for Guaranteed Financial Institutions
--------------	---

Item	FISS Code	Interpretation
RM General Investment Deposit Accepted	42132	Refers to outstanding amount RM deposits of money placed with a depository on terms that the depository on terms that the deposits are subject to a fixed maturity period and are repayable with profit based on a fixed-sharing ratio. The depositor is normally issued a general investment deposit receipt which is non-transferable. The amount here is derived from the sum of breakdown items by customer. This item is applicable only to the Islamic banking operations.
RM Commodity Murabahah	42133	Refers to RM deposits of money placed with a depository on terms that the deposits are subject to a fixed maturity period and are repayable with profit based on a fixed rate of return. The depository normally issue a commodity murabahah deposit receipt as an evidence of buying and selling of commodities that are normally based on metals listed on the major commodity exchange or palm oil based products. This item is applicable only to the Islamic banking operations.
RM Call Money Accepted	42140	Refers to the outstanding amount of call money accepted from all customers. The term "call money" means a deposit that may be recalled at any time by the depositor with interest. It should be noted that only investment banks are required to this liability item as the other types of reporting institutions are not permitted to accept call money. The investment banks may accept call money from any person including the domestic banking institutions subject only to the condition that a call deposit should be at least RM 50,000.
RM Negotiable Instrument of Deposits Issued	42150	Refers to the face value of outstanding NIDs issued by commercial banks, Islamic banks and investment banks. NIDs are defined in the Guidelines on Negotiable Instruments of Deposits (1993) issued by BNM. Where the NID is a zero-coupon instrument (i.e. does not pay interest, but issued at a discount to face value), the amount to be reported should be original discounted proceeds plus discount expense incurred on an accrual basis semi-annually. NIDs may be issued to any person (except merchant banks are subject to some restrictions) at the primary market level. "Ownership" of the NID may change during its tenure as it is a negotiable instrument.
RM Repurchase Agreements	42160	Refers to the RM outstanding amount of funds accepted by commercial banks, Islamic banks and investment banks which are collateralised by debt securities pledged to the depositor (alternatively known as the securities purchased or buyer) on terms that the funds would be repaid with interest on the agreed maturity date, in exchange for the return of the debt securities pledged.
RM Special Deposits (Withholding Tax)	42170	Refers to commercial banks, Islamic banks and investment banks' withholding of a portion of interest payable or paid to individuals for their deposits with the institution for tax purposes, as required by the tax authorities. The withholding tax is credited to a special account before remitting to the tax authorities.

---------------	-------------------	------------------	---------------

TITLE	Guidelines on Government Deposit Guarantee and Reporting Requirements for Guaranteed Financial Institutions
--------------	---

Item	FISS Code	Interpretation
RM Housing Development Account Deposits	42180	Refers to the outstanding amount of deposits placed by housing developers with commercial banks and Islamic banks, which can be collected by the housing developers from house-buyers or end-financiers arising from the sale of residential property being developed by the developers.
RM Short-Term Deposit Accepted	42190	Refers to the outstanding amount of RM-denominated short-term deposits accepted from all customers. "Short-term deposits" are deposits of money placed with a depository on terms that the deposits are subject to a fixed maturity period (may be of any tenure with a minimum tenure of 1 day, but usually less than 365 days) and are repayable with interest at a fixed rate. Short-term deposits are usually offered as an alternative to fixed deposits and repurchase agreements to high net-worth individuals and corporates under various names such as short term-treasury deposits, money market time deposits, short-term money market deposits and money market deposits.
RM Investments Linked to Derivatives Offered	42191	Refers to the outstanding amount of RM-denominated investments linked to derivatives (ILD) offered to all customers. An ILD is a structured product with embedded derivatives (e.g. options) that are normally linked to the performance of an underlying asset such as interest rates, equities, foreign currency rates, etc. An ILD may be principal protected or non-principal protected.
RM Other Deposits Accepted	42199	Refers to the RM outstanding amount of deposits accepted other than those classified in 42110, 42120, 42130, 42131, 42132, 42133, 42140, 42150, 42160, 42170, 42180, 42190 and 42191.
RM Interest Payable	49110	Refers to all RM outstanding interest payable by commercial banks, Islamic banks and investment banks, excluding interest payable which is already included in other liability items. The item is only applicable to conventional banking operations.
RM Profit Payable		Refers to all RM outstanding profit payable by Islamic banks, excluding profit payable which is already included in other liability items. The item is only applicable to Islamic banking operations.
RM Bills Payable	49120	Refers to the RM outstanding amount payable to various beneficiaries arising from the sale of bank drafts, cashier's orders, mail transfers, telegraphic transfers, gift cheques and travellers' cheques, including stale orders and drafts.
RM Non Principal Guaranteed Investments Linked to Derivatives Offered	-	Refers to the outstanding amount of RM-denominated investments linked to derivatives (ILD) offered to all customers where the principal amount is not guaranteed.
RM Negotiable Instrument of Deposits Held by Banks	-	Refers to the face value of outstanding NIDs issued by commercial banks, Islamic banks and investment banks where its held by banks.
FX Demand Deposits Accepted	42610	Refers to the outstanding amount of foreign currency positive balances in the current accounts of the commercial banks and Islamic banks.

1.2 For Deposit Taking Development Financial Institutions (DFIs)

Item	FISS Code	Interpretation
RM Savings Deposits Accepted	42111	Refers to RM deposits held by deposit-taking DFIs on terms that the deposits are not subject to a fixed maturity period and may be withdrawn without prior notice. Normally savings deposit accounts are operated through pass books issued by the deposit-taking DFIs to the depositors. The deposit-taking DFIs would pay interest/profit (at the prevailing savings deposit rate) to the depositors at periodic intervals.
RM Fixed Deposits Accepted	42112	Refers to RM deposits held by deposit-taking DFIs on terms that the deposits are subject to a fixed maturity period and are repayable with interest at a fixed rate. The deposit-taking DFIs may not pay interest on the deposit or may vary the original interest rate in the event of premature withdrawal. This item is only applicable for conventional banking operations. The deposit-taking DFIs classifies a sum of money placed with it as "fixed deposit", if the following conditions are satisfied: <ul style="list-style-type: none"> • The deposit is repayable at a fixed maturity date which is at least one month after the deposit rate; • The depositor is issued a non-transferable fixed deposit receipt; and • The depositor is entitled to receive interest at a fixed rate either on the maturity date or at periodic intervals during the tenure of the deposit.
RM Specific Investment Deposits Accepted	42113	Refers to RM deposits of money placed with a depository on terms that the deposits are utilised for the purpose of financing or investing in specific assets or project, subject to a non-standard fixed maturity period and profit is payable based on a pre-agreed profit-sharing ratio. The deposits placed are managed separately from other deposits and the depositor is normally issued a specific investment deposit receipt for which is non-transferable. This item is applicable only to the Islamic banking operations.
RM General Investment Deposit Accepted	42114	Refers to outstanding amount RM deposits of money placed with a depository on terms that the depository on terms that the deposits are subject to a fixed maturity period and are repayable with profit based on a fixed-sharing ratio. The depositor is normally issued a general investment deposit receipt which is non-transferable. The amount here is derived from the sum of breakdown items by customer. This item is applicable only to the Islamic banking operations.
RM Repurchase Agreements	42115	Refers to the RM outstanding amount of funds accepted by reporting institutions which are collateralised by debt securities pledged to the depositor (alternatively known as the securities purchased or buyer) on terms that the funds would be repaid with interest on the agreed maturity date, in exchange for the return of the debt securities pledged.
