provided, that if (x) a Monthly Interest Deficiency Amount or Scheduled Interest Deficiency (other than to the extent of any Deferred Deficiency Amount) with respect to a Loan exists as of the immediately preceding Determination Date and after giving effect to the application of Interest Receipts in accordance with Section 4.3 and (y) any amount would otherwise be distributed pursuant to clause (a) with respect to such Loan, (i) the amount to be distributed pursuant to clause (a) shall be reduced (but not below zero) by the amount of any such Monthly Interest Deficiency Amount plus the amount of any such Scheduled Interest Deficiency (the amount of such reduction, the "**Monthly Borrower Principal Reduction Amount**"), (ii) any such Monthly Interest Deficiency Amount and any such Scheduled Interest Deficiency shall be reduced, pro rata as between such amounts, by the Monthly Borrower Principal Reduction Amount and (iii) the Monthly Borrower Principal Reduction Amount shall be applied to the payment of any unpaid portion of the Monthly Loan Interest Expense Amount with respect to such Loan via the transfer of such amount to Lender (or its designee) in accordance with Lender's instructions to Custodian.

(II) With respect to any Floating Rate 30-Day Average SOFR Loan, on each Payment Date and with respect to each such Loan and after giving effect to the application of Interest Receipts in accordance with Section 4.3, all Principal Receipts with respect to each Item of Collateral securing such Loan that have been received on or before the immediately preceding Determination Date and that are for credit to the Loan Accrual Period most recently completed (each Item of Collateral's "**Quarterly Collateral Principal Amount**") shall be applied as follows (subject to Section 5.3-1):

- (a) an amount equal to the product of (x) the Haircut Percentage with respect to such Item of Collateral (as of the time the applicable Loan was made) multiplied by (y) the Quarterly Collateral Principal Amount paid on such Item of Collateral shall be transferred to the TALF Disbursement Account of the Borrower's Applicable TALF Agent; and
- (b) the balance of such Quarterly Collateral Principal Amount shall be applied by Custodian to repay the principal amount of the applicable Loan via the transfer of same to Lender in accordance with Lender's instructions to Custodian;

provided, that if (x) a Quarterly Interest Deficiency Amount or Scheduled Interest Deficiency (other than to the extent of any Deferred Deficiency Amount) with respect to a Loan exists as of the immediately preceding Determination Date and after giving effect to the application of Interest Receipts in accordance with Section 4.3 and (y) any amount would otherwise be distributed pursuant to clause (a) with respect to such Loan, (i) the amount to be distributed pursuant to clause (a) shall be reduced (but not below zero) by the amount of any such Quarterly Interest Deficiency Amount plus the amount of any such Scheduled Interest Deficiency (the amount of such reduction, the “**Quarterly Borrower Principal Reduction Amount**”), (ii) any such Quarterly Interest Deficiency Amount and any such Scheduled Interest Deficiency shall be reduced, pro rata as between such amounts, by the Quarterly Borrower Principal Reduction Amount and (iii) the Quarterly Borrower Principal Reduction Amount shall be applied to the payment of any unpaid portion of the Quarterly Loan Interest Expense Amount with respect to such Loan via the transfer of such amount to Lender (or its designee) in accordance with Lender’s instructions to Custodian.

(III) With respect to any Loan, notwithstanding the foregoing but subject to Section 5.3-1, on each date on which any Principal Receipt is received, the principal balance of the applicable Loan shall be reduced by an amount equal to (x) the difference between (A) 100% and (B) the Haircut Percentage with respect to the applicable Item of Collateral (as of the time the applicable Loan was made) multiplied by (y) the amount of such Principal Receipt.

5.3-1 Notwithstanding anything in this Agreement to the contrary, if, as of any Determination Date for a Loan:

- (a) an ABS Event of Default in respect of an Item of Collateral securing such Loan has occurred and is continuing, or
- (b) a CMBS Credit Support Depletion Event in respect of an Item of CMBS Collateral securing such Loan has occurred and is continuing, or
- (c) an Early Amortization Event in respect of an Item of Collateral securing such Loan has occurred and is continuing (and, in the case of an Early Amortization Event that has occurred and is continuing during the period that would otherwise be the revolving period, such revolving period has not been recommenced with the consent of the securityholders in accordance with the related Governing Documents),

then (in any such event) the sum of (x) all Interest Receipts received in respect of such Item of Collateral on or before such Determination Date that are for credit to the related Loan Accrual Period most recently completed and (y) all Principal Receipts received in respect of such Collateral on or before such Determination Date that are for credit to the related Loan Accrual Period most recently completed shall be applied on the related Payment Date in the following order of priority:

First, to pay the Monthly Loan Interest Expense Amount or Quarterly Interest Expense Amount, as applicable, (but, in either case, only to the extent not paid by the application of Interest Receipts from other items of Collateral securing such Loan pursuant to Section 4.3) for such Payment

Date via the transfer of such amount to Lender (or its designee) in accordance with Lender's instructions to Custodian, until such Monthly Loan Interest Expense Amount or Quarterly Loan Interest Expense Amount, as applicable, has been paid in full;

Second, to repay the principal of such Loan until the principal balance of such Loan has been repaid in full; and

Third, any amounts remaining shall be transferred to the TALF Disbursement Account of the Borrower's Applicable TALF Agent;

provided, that Custodian shall not be required to effect the adjustment to the application of such Interest Receipts and Principal Receipts provided for in this sentence to the extent that Custodian shall not have received written notice of the occurrence of such ABS Event of Default, such CMBS Credit Support Depletion Event or such Early Amortization Event, as the case may be, from Lender, or from the trustee or the issuer with respect to such Item of Collateral, by 12:00 noon on the Business Day immediately preceding such Payment Date. Custodian shall be permitted to rely on any such notice reasonably believed to be authentic.

As between the applicable Borrower, on the one hand, and Lender and Custodian on the other, any determination by Lender or Custodian that an ABS Event of Default, a CMBS Credit Support Depletion Event or an Early Amortization Event has occurred or is continuing shall be conclusive and binding for purposes of this Agreement absent manifest error. In making any such determination, Lender and Custodian shall be entitled to rely on, without limitation, notices and reports delivered pursuant to the applicable Governing Documents.

- 5.4. Each TALF Agent shall disburse all amounts transferred to its TALF Disbursement Account pursuant to Section 5.3 in accordance with the instructions of the Borrowers of the applicable Loans; *provided* that none of Custodian, Administrator or Lender shall have any obligation to ensure that amounts transferred to a TALF Disbursement Account are applied in any manner whatsoever, and, upon their transfer to a TALF Disbursement Account in accordance with Section 5.3, none of Custodian, Administrator or Lender shall have any obligation to account to any Borrower for any funds so transferred.
- 5.5. In addition to (and not in limitation of) the foregoing, the Loan Repayment Amount with respect to any Loan of a Borrower shall become immediately due and payable:
 - (a) upon the occurrence of any Collateral Enforcement Event (A) described in clause (iii) of the definition thereof to the extent relating to a representation made pursuant to Section 10.1(e)(viii) or a certification made pursuant to Section 11.2(I), (B) described in clause (iv) of the definition thereof, or (C) described in clause (v) of the definition thereof (but, in the case of this clause (C), only to the extent relating to such Loan);
 - (b) at Lender's option, with respect to all Loans of such Borrower, whether the Loan Closing Dates for such Loans occur before or after the date of the relevant event and whether the Applicable TALF Agent for such

Loans is the same as or different than for the Loan relating to the relevant event (and to the extent not otherwise addressed in the foregoing clause (a)), upon the occurrence of a Collateral Enforcement Event resulting from any inaccuracy of the representations and warranties made by such Borrower in Section 10.1(d) or Section 10.1(e)(v) or a breach by such Borrower of any covenant set forth in Section 11.2(m) or 11.2(n); or

- (c) without limiting the provisions of the foregoing clauses (a) and (b), at Lender's option, upon the occurrence of any other Collateral Enforcement Event to the extent relating to such Loan.
- 5.6. A Borrower may optionally prepay the outstanding principal amount of any Loan, at any time, in whole or in part, without penalty, upon not less than four Business Days advance written notice thereof (which notice shall take the form of a Prepayment Notice) by the Applicable TALF Agent to Custodian and Administrator (with copies to Lender); *provided*, that (x) no optional prepayment shall be permitted to be made during any Restricted Prepayment Period and (y) if necessary to accommodate operational or administrative issues, Custodian may, by notice to the Applicable TALF Agent, extend the date on which such prepayment shall be permitted to be consummated to a later date. All optional prepayments shall be accompanied by accrued but unpaid interest on the principal amount prepaid.
- 5.7. With respect to any partial prepayment of a Loan pursuant to Section 5.6, Custodian shall, within three Business Days of receiving the applicable Prepayment Notice, advise the Applicable TALF Agent of the amount of such partial prepayment that will be permitted, it being understood that Custodian may, in its reasonable discretion, reduce (but not increase) the amount of such partial prepayment to correspond to the amount of Collateral securing such Loan that is to be released on a Pro Rata Basis in accordance with Section 8.2.
- 5.8. All payments required to be made by a Borrower pursuant to Section 11.2(j) shall be made available in same day funds by such Borrower's Applicable TALF Agent to the Master TALF Collateral Account. All amounts credited to the Master TALF Collateral Account pursuant to this Section 5.8 shall be transferred by Custodian to Lender in accordance with Lender's instructions to Custodian.
- 5.9. All payments required to be made by a Borrower pursuant to Section 5.1 or 5.5, and all prepayments that a Borrower elects to make pursuant to Section 5.6, shall be made available in same day funds with the Collateral to be released being delivered free-of-payment (a "**FoP Settlement**") (x) in the case of a payment required to be made pursuant to Section 5.1 or 5.5, to the DTC account of the Applicable TALF Agent with respect to the applicable Loan or (y) in the case of a prepayment pursuant to Section 5.6, to the DTC account specified in the related Prepayment Notice (which must be an account of a TALF Agent) (or if no such account is specified, to the DTC account of the Applicable TALF Agent with respect to the applicable Loan); *provided* that if the Collateral is to be delivered pursuant to sale of such Collateral to an entity other than the Borrower, then such delivery shall be made against receipt of the expected payment or prepayment amount (a "**DvP Settlement**") unless the proceeds of such sale would be insufficient to repay the applicable amount, in which case Borrower shall first make available same day funds to make up for any such shortfall. Upon any such FoP Settlement or DvP Settlement, none of Custodian,

Administrator or Lender shall have any further liability or obligation to the applicable Borrower with respect to such Collateral. All amounts received in connection with any FoP Settlement or DvP Settlement pursuant to this Section 5.9 shall be transferred by Custodian to Lender in accordance with Lender's instructions to Custodian.

- 5.10. Each Borrower hereby agrees that, except as set forth in Section 5.3, it shall have no right to receive its portion of any Monthly Collateral Principal Amount or Quarterly Collateral Principal Amount, as applicable, until payment in full of the applicable Loan Repayment Amount and any other Obligations secured by the applicable Collateral.

6.0 GRANT OF SECURITY INTEREST

Each Borrower, for value received and in consideration of Lender permitting such Borrower to obtain each Loan made to it hereunder, hereby transfers and assigns to Lender and grants to Lender a continuing security interest in and lien on the Collateral for such Loan, as collateral security for the timely and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the Obligations with respect to such Loan. For avoidance of doubt, the Collateral pledged by a Borrower to secure its Obligations with respect to any Loan shall not secure any Obligations of such Borrower with respect to any other Loan.

7.0 COLLATERAL

- 7.1. All assets that are intended to be pledged as Collateral for Loans shall be held in or credited to the Master TALF Collateral Account or the Borrower Collateral Account in respect of the Applicable TALF Agent.
- 7.2. Pursuant to the Collateral Custody and Administration Agreement, Custodian shall keep accurate and current records of (x) each Loan made hereunder and the accrued interest thereon and (y) the principal amount of and accrued interest on each Item of Collateral pledged by each Borrower reflecting all changes thereto occurring from time to time as a result of:
- (a) the receipt by Custodian of any amounts in respect of principal of, interest on or any other amounts in respect of any Item of Collateral, and any disbursements thereof, in each case in accordance with the provisions of this Agreement,
 - (b) the release, in whole or in part, of the security interest in any Item of Collateral pursuant to the terms of this Agreement,
 - (c) any transfer of all or any portion of the beneficial interest in any Item of Collateral to another Borrower pursuant to a Permitted Loan and Collateral Transfer,
 - (d) Collateral Surrenders,
 - (e) the enforcement of Lender's remedies with respect to any Item of Collateral in accordance with Section 14.1 or 14.2, or
 - (f) otherwise.

Such records shall be conclusive absent manifest error.

7.3. Each Borrower hereby:

- (a) acknowledges and hereby provides its consent that all of the Collateral securing each Loan made to it will be held in the Master TALF Collateral Account or the Borrower Collateral Account in respect of the applicable TALF Agent, which, (i) in each case prior to the issuance of a notice of exclusive control by FRBNY under its financing and security documentation with Lender pursuant to which Lender has granted to FRBNY a security interest in Lender's interest in such Collateral, shall be under the control of Lender (or Custodian for the benefit of Lender) and as to which Lender shall be the entitlement holder and shall have a right to pledge or hypothecate its interests in any Collateral to the FRBNY and (ii) in each case after the issuance of a notice of exclusive control by FRBNY under its financing and security agreement documentation with Lender, shall be under the control of FRBNY (or Custodian for the benefit of FRBNY);
- (b) authorizes Lender, FRBNY or Custodian at any time to file or record in any filing office in any jurisdiction which Lender determines appropriate to perfect the security interests set forth hereunder, financing statements, and any amendments or continuation statements related thereto without the signature of such Borrower therein, and each Borrower shall, promptly at the request of Lender, FRBNY or Custodian, provide any additional information required by Article 9 of the UCC, as in effect in any relevant jurisdiction, for the sufficiency or acceptability of any financing statement; and
- (c) authorizes Lender, FRBNY and Custodian, at any time, to take any and all other actions that may be necessary or, in their sole discretion, desirable to obtain, preserve, perfect or enforce Lender's security interest in the Collateral.

8.0 RELEASE OF COLLATERAL

- 8.1. Lender's lien on and security interest in any Collateral shall be released upon confirmation to Lender by Administrator that the Loan Repayment Amount and all other Obligations secured by such Collateral (other than contingent obligations as to which no claim has been made) have been unconditionally paid in full; *provided*, that such release shall occur upon the effectiveness of the related FoP Settlement or DvP Settlement contemplated by Section 5.9. Upon any transfer of Collateral contemplated by this Section 8.1 or that is made pursuant to a FoP Settlement or DvP Settlement, none of Custodian, Administrator or Lender shall have any further liability or obligation to the applicable Borrower with respect to such Collateral.
- 8.2. Upon the effectiveness of any partial prepayment of the principal amount of any Loan pursuant to Section 5.6 and the related FoP Settlement or DvP Settlement contemplated by Section 5.9, Lender's lien on and security interest in each Item of Collateral securing such Loan shall be released on a Pro Rata Basis.

"Pro Rata Basis", with respect to any release of Collateral in connection with the partial prepayment of any Loan, means that the Applicable Percentage of each

Item of Collateral securing such Loan (subject to adjustment by Custodian in its reasonable discretion to reflect any minimum denominations applicable to any Collateral) shall be released from Lender's lien.

"Applicable Percentage" means the fraction, expressed as a percentage, equal to (x) the principal amount of the Loan prepaid divided by (y) the principal amount of such Loan outstanding immediately prior to such prepayment.

Administrator shall provide prompt written notice to Lender and the Applicable TALF Agent of the effectiveness of any release of Collateral pursuant to Section 8.1 or 8.2.

- (l) promptly after the receipt of any request therefor, it shall provide to Lender (or it shall use its best efforts to cause the applicable issuer, servicer or trustee to provide to Lender) all Governing Documents and servicer and/or trustee reports (if applicable) with respect to its Collateral as Lender shall reasonably request;
- (m) prior to the date on which its Applicable TALF Agent submits its first Loan Request hereunder on behalf of such Borrower, it shall have delivered to its Applicable TALF Agent certifications in the forms set forth in Appendix 2B and Appendix 2C attached hereto; and

- (n) it shall immediately notify its Applicable TALF Agent if any information set forth in any certification provided by it to the TALF Agent or Lender has changed and of any change to its Material Investors.
- 11.3. Each TALF Agent covenants that so long as the Lending Agreement remains in effect or any Obligation remains outstanding or any other amount is owing to Lender under the Lending Agreement, in each case with respect to any Applicable Borrower:
- (a) such TALF Agent shall provide Lender, Custodian and Administrator with all information in its possession concerning each such Applicable Borrower (including its address for service of process and all “know-your-customer” information and assessments) as they shall reasonably request in connection with this Agreement;
 - (b) if requested by Lender, Custodian or Administrator, such TALF Agent shall provide each of the foregoing with market price information with respect to all Collateral of its Applicable Borrowers, to the extent such information is available to it;
 - (c) such TALF Agent shall promptly forward (1) to Lender all communications received by it from its Applicable Borrowers pursuant to Section 11.2(i) and (2) to the relevant Applicable Borrowers all Lender Voting Instructions received by it from Lender;
 - (d) such TALF Agent shall promptly notify Lender and Custodian of the occurrence of any Collateral Enforcement Event with respect to any of its Applicable Borrowers of which it has knowledge;
 - (e) (i) prior to the date on which it submits its first Loan Request hereunder, such TALF Agent shall establish a Conflict of Interest Plan, and (ii) shall thereafter maintain and operate in material compliance with such Conflicts of Interest Plan, including taking remedial action upon identifying circumstances where a conflict is not being adequately managed;
 - (f) (i) no later than two Business Days prior to the date on which it submits its first Loan Request, such TALF Agent shall submit to Lender and FRBNY a Conflicts of Interest Plan that complies with the FRBNY Conflicts of Interest Policy and thereafter such TALF Agent shall submit such revisions or updates to such Conflicts of Interest Plan as are necessary to reflect any changes in circumstances (including the identification by it of the existence of any new conflicts of interest);
 - (g) TALF Agent will maintain and operate in material compliance with its Required AML Program and Customer Review Program.
 - (h) such TALF Agent shall not submit a Loan Request on behalf of an Applicable Borrower if such TALF Agent has knowledge that Lender has previously rejected a request to borrow any loan under TALF (other than a rejection based solely on Lender’s discretion to reject any Collateral that was to have secured any such loan) from (i) such Applicable Borrower or (ii) any holder of any ownership interest in such Applicable Borrower (each an “**Applicable Person**”) (whether or not such

Applicable Borrower or Applicable Person satisfies the criteria applicable to Eligible Borrowers set forth in the TALF Standing Loan Facility Procedures); and

- (i) such TALF Agent shall promptly forward to Lender and FRBNY all communications received by it from its Applicable Borrowers pursuant to Section 11.2(m) and Section 11.2(n); and
- (j) such TALF Agent shall certify annually to Lender and FRBNY that it is in material compliance with the representations, warranties, and covenants made by it pursuant to Sections 10.1(a) to (d), 10.2, 11.1, and 11.3 of this Agreement.

11.4. Custodian covenants that so long as the Lending Agreement remains in effect:

- (a) with respect to all Collateral consisting of securities, Custodian shall forward to the Applicable TALF Agent with respect to each applicable Loan all information or documents that it may receive from an issuer thereof which, in its reasonable determination, are intended for the beneficial owner of such securities, including notices with respect to any rights the applicable beneficial holder may have and the date or dates such rights must be exercised; *provided*, that this Section 11.4(a) shall be subject in all respects to Section 14.1(d); and
- (b) with respect to all Collateral consisting of securities, it shall promptly advise Lender and the Applicable TALF Agent with respect to each applicable Loan upon being notified of the partial redemption, partial payment or other action affecting less than the entire class of all such securities and, if any such securities are held by Custodian, directly or indirectly, or by DTC, as part of a fungible mass, Custodian or DTC may select the securities to participate in such partial redemption, partial payment or other action in any non-discriminatory manner that it customarily uses to make such selection.

Absent actual receipt by Custodian at Custodian's offices of the information and notices described above, Custodian shall have no liability for failing to so notify the Applicable TALF Agent.

12.0 WAIVER OF IMMUNITY; SUBMISSION TO JURISDICTION; VENUE; ETC.

- 12.1. If any Borrower or its property is now, or in the future becomes, entitled to any immunity, whether characterized as sovereign or otherwise (including, without limitation, immunity from set-off, from service of process, from jurisdiction of any court or tribunal, from attachment in aid of execution, from attachment prior to the entry of a judgment, or from execution upon a judgment) in any legal proceeding in Federal or State courts in the United States of America, or in the courts of the country in which such Borrower principally conducts its business, then such Borrower expressly and irrevocably waives, to the maximum extent permitted by law, any such immunity. To the extent any Borrower receives any such entitlement in the future, such Borrower shall promptly notify Lender of such entitlement.
- 12.2. Each of the parties hereby irrevocably and unconditionally: (a) submits for itself and its property in any legal action or proceeding relating to the Lending

Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the United States for the Southern District of New York, and appellate courts thereof; *provided* that, notwithstanding the foregoing, if there is no basis for federal jurisdiction in respect of any such legal action or proceeding or recognition and enforcement action, then each party submits for itself and its property in any such legal action or proceeding or recognition and enforcement action to the exclusive jurisdiction of the courts of the State of New York located in the Borough of Manhattan in New York City, and appellate courts thereof, (b) consents that any such action or proceeding may be brought only in such courts and waives, to the maximum extent not prohibited by law, any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same; (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid return receipt requested, (i) in the case of a TALF Agent, to its address set forth in its Letter of Agreement, (ii) in the case of a Borrower, to the address of any Applicable TALF Agent through which it has borrowed any Loan (as set forth in such TALF Agent's Letter of Agreement) and (iii) in the case of Custodian or Administrator, to its address set forth on the signature page hereto, or, in each case, at such other address of which the other parties hereto and Lender shall have been notified pursuant thereto; (d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law; (e) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in another jurisdiction by suit on the judgment or in any other matter provided by law; and (f) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding any special, indirect, exemplary, punitive or consequential damages of any kind whatsoever (including for lost profits).

13.0 COLLATERAL SURRENDER

- 13.1. Each Borrower shall have the continuing right (a **"Collateral Surrender Right"**), exercisable at any time with respect to any Loan to it then outstanding (and whether or not any Collateral Enforcement Event has occurred and is continuing), to surrender all of the Collateral securing such Loan (the **"Surrendered Collateral"**) to Lender in full satisfaction of the Obligations with respect to such Loan (a **"Collateral Surrender"**). Lender hereby agrees, subject to any right of recourse it may have against the applicable Borrower pursuant to the proviso to the first paragraph of Section 17.0, to accept such Surrendered Collateral in full payment, discharge and satisfaction of such Obligations.
- 13.2. To exercise a Collateral Surrender Right, a TALF Agent shall deliver to Custodian (with a copy to Lender and Administrator) a Collateral Surrender and Acceptance Notice, executed by such TALF Agent on behalf of its Applicable Borrower.
- 13.3. On the date designated by Lender and notified to the applicable TALF Agent (such date to be not more than ten Business Days after the receipt of the applicable Collateral Surrender Notice or such later date as Lender shall determine in its discretion) and subject to confirmation by Custodian and Administrator of the accuracy of the information contained in such Collateral

Surrender Notice (by reference to the information contained in their books and records):

- (a) to the extent permitted under applicable law, the Collateral Surrender shall become effective without any further action on the part of any Person;
- (b) the applicable Loan Repayment Amount shall be deemed to have been forever and fully paid, discharged and satisfied (subject, in all respects, to any right of recourse that Lender may have against the applicable Borrower pursuant to the proviso to Section 17.0);
- (c) Lender shall accede to all right, title and interest of the applicable Borrower in the Surrendered Collateral; and
- (d) Custodian shall transfer the Surrendered Collateral from the applicable Borrower Collateral Account as directed by Lender.

13.4. Administrator shall provide prompt written notice to Lender and the Applicable TALF Agent of the effectiveness of any Collateral Surrender.

14.0 REMEDIES UPON COLLATERAL ENFORCEMENT EVENT

- 14.1. Upon the occurrence of, and at any time during the continuance of, a Collateral Enforcement Event with respect to a Borrower, Lender (or FRBNY on behalf of Lender) may pursue any of the following remedies, separately, successively, or concurrently:
- (a) declare all of such Borrower's Loan Repayment Amounts and other Obligations to be immediately due and payable; *provided*, that all such Loan Repayment Amounts and other Obligations shall automatically become due and payable upon the occurrence of any Collateral Enforcement Event of the types as described in Section 5.5(a);
 - (b) take possession of any Collateral securing such Borrower's Loans not already in Custodian's possession, without demand and without legal process; and
 - (c) instruct Custodian to liquidate Collateral securing such Borrower's Loans and apply the proceeds thereof to such Borrower's Obligations;
 - (d) exercise the exclusive right, to the extent permitted by applicable law, to vote, to give consents, ratifications and waivers and to take any other action with respect to any Collateral securing such Borrower's Loans and the financial assets underlying such Collateral, with the same force and effect as if Lender were the absolute and sole owner thereof, and such Borrower will take all such action as Lender may reasonably request from time to time to give effect to such right; and
 - (e) exercise (or instruct Custodian to exercise, on its behalf) any or all of its rights as a secured creditor pursuant to, and in accordance with, Article 9 of the UCC;

provided, that with respect to any Collateral Enforcement Event other than a Collateral Enforcement Event of the types described in Section 5.5(a) or 5.5(b), Lender shall be permitted to exercise remedies only with respect to the applicable Loan(s) and the Collateral securing same.

- 14.2. If Lender exercises its rights in any Collateral upon a Collateral Enforcement Event:
- (a) Custodian (on behalf of Lender) may sell, assign, transfer, and deliver, at Lender's option, all or any part of such Collateral at private or public sale, at such prices as Lender may, in good faith, deem best, without advertisement, and each Borrower waives notice of the time and place of the sale, except any notice that is required by law and may not be waived;
 - (b) Lender has no obligation to prepare such Collateral for sale, and Lender may sell such Collateral and disclaim any warranties without adversely affecting the commercial reasonableness of the sale;
 - (c) Lender has no obligation to collect from any third party or to marshal any assets in favor of any Borrower to satisfy any Obligation; and
 - (d) Lender may purchase any or all of such Collateral and pay for it by applying the purchase price to reduce the Loan Repayment Amounts and other Obligations secured by such Collateral.
- 14.3. Each Borrower agrees that all of the Collateral securing its Loans is of a kind or type that is customarily sold on a recognized market, as such phrase is used in Sections 9-610(c) and 9-611(d) of the UCC.
- 14.4. For the purpose of enabling it to exercise remedies pursuant to Section 14.1 or 14.2, each Borrower appoints Lender (and Custodian on behalf of Lender), with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Borrower, to endorse, assign, transfer, and deliver Collateral to any party, and to take any action deemed necessary or advisable by Lender or Custodian either to protect Lender's interests or exercise its rights under the Lending Agreement, including taking any action to perfect or maintain Lender's security interest (including but not limited to filing a financing statement). This power of attorney is coupled with an interest and as such is irrevocable and full power of substitution is granted to the assignee or holder. As attorney-in-fact, Lender (and Custodian on behalf of Lender) may take any lawful action to collect all sums due in connection with Collateral, Lender may release any Collateral, instruments or agreements securing or evidencing Obligations as fully as each Borrower could do if acting for itself, and Lender (and Custodian on behalf of Lender) may take any action set forth in Section 7.3, but neither Lender nor Custodian has any obligation to take any such actions or any other action in respect of any Collateral.
- 14.5. The proceeds realized upon the sale or disposition of any Collateral, to the extent actually received in cash by Lender or Custodian, shall be applied toward satisfaction of the Obligations secured thereby. Lender shall apply such proceeds first to any fees, other charges, penalties, indemnities, and costs and expenses of, collection, or realizing on interests in such Collateral (including reasonable attorneys' fees), next to the unpaid principal balance and last to

accrued but unpaid interest. Lender (or Custodian on behalf of Lender) will account to the applicable Borrower for any surplus amount realized upon such sale or other disposition.

- 14.6. No delay or failure by Lender (or Custodian on behalf of Lender) to exercise any right or remedy accruing upon a Collateral Enforcement Event shall impair any right or remedy, waive any default or operate as an acquiescence to the Collateral Enforcement Event, or affect any subsequent Collateral Enforcement Event of the same or of a different nature.
- 14.7. On complying with the provisions of the Lending Agreement and applicable law, Lender (and Custodian and FRBNY on behalf of Lender) is fully discharged from any liability or responsibility to any person regarding Collateral.

15.0 INDEMNIFICATION

- 15.1. Each Borrower shall indemnify Lender, FRBNY, Custodian and Administrator and their Related Parties (each, an “**Indemnified Party**”) for any loss, claim, damage, liability, and expense (including, without limitation, reasonable attorneys’ fees, court costs and expenses of litigation) in respect of such Borrower’s Loans incurred by an Indemnified Party in the course of or arising out of the performance of the Lending Agreement, any action related to the Collateral securing such Borrower’s Loans, or any action to which an Indemnified Party may become subject in connection with Lender’s exercise, enforcement or preservation of any right or remedy granted to it under the Lending Agreement with respect to such Borrower’s Loans or Collateral, except to the extent that such loss, claim, damage, liability, or expense results, in a final determination rendered by a court of competent jurisdiction, from the applicable Indemnified Party’s gross negligence, willful misconduct or fraudulent actions; *provided*, that the foregoing indemnity shall be inapplicable to losses suffered (i) pursuant to Section 13.3 as a result of such Borrower’s exercise of a Collateral Surrender Right or (ii) as a result of the application of the first paragraph of Section 17.0 to such Borrower’s Obligations (but only to the extent Lender does not have a right of recourse against such Borrower pursuant to the proviso thereto).
- 15.2. Each Indemnified Party will give the applicable Borrower written notice of any claim that such Indemnified Party or any other person may have under this indemnity. No Borrower shall be liable for any claim that is compromised or settled by an Indemnified Party without such Borrower’s prior written consent, *provided* that such Borrower responded promptly and in such Indemnified Party’s judgment, adequately, to such Indemnified Party’s notice of such claim. This indemnity remains an obligation of each Borrower notwithstanding termination of the Lending Agreement or payment in full of such Borrower’s Loan Repayment Amounts, and is binding on each Borrower’s successors and assigns. Upon written demand from an Indemnified Party, each Borrower shall pay promptly amounts owed under this indemnity, free and clear of any right of offset, counterclaim or other deduction. If not promptly paid by a Borrower, such obligation becomes an Obligation of such Borrower secured under the Lending Agreement.
- 15.3. Each Indemnified Party’s right to indemnification hereunder shall be enforceable against each Borrower directly, without any obligation to first proceed against any third party for whom such Indemnified Party may act, and irrespective of any rights or recourse that such Borrower may have against any such third party.

This indemnity shall be a continuing obligation of Borrower and shall survive notwithstanding the repayment in full of any Loan Repayment Amount or the termination of this Agreement.

16.0 CONCERNING ADMINISTRATOR AND CUSTODIAN

- 16.1. Administrator or Custodian ("**Agents**") shall not be liable to any Borrower or any TALF Agent for any costs, expenses, damages, liabilities or claims, including reasonable fees of counsel incurred by any of them (collectively, "**Losses**"), resulting from its action or inaction in connection with this Agreement, including Losses which are incurred by reason of any action or inaction by any depository, book-entry system, clearing corporation, issuer, originator, sponsor, or their successors or nominees, except for those Losses arising out of Agents' gross negligence, bad faith or willful misconduct as stated in a final determination rendered by a court of competent jurisdiction. Agents shall have no duties or responsibilities to any Borrower or any TALF Agent except such duties and responsibilities as are specifically set forth in this Agreement, and no covenant or obligation shall be implied in this Agreement against Agents. Each TALF Agent and each Borrower agree that this Agreement constitutes the entire Agreement with Agents in connection with the Loans. In no event shall Agents be liable to any Borrower or any TALF Agent for special, indirect or consequential damages, or lost profits or loss of business, arising under or in connection with this Agreement. Agents may, with respect to questions of law, apply for and obtain the advice and opinion of counsel, and shall be fully protected with respect to anything done or omitted by it in good faith in conformity with such reasonable advice or opinion. Agents shall be under no obligation to take action to collect any amount payable on Collateral in default, or if payment is refused after due demand and presentment.
- 16.2. Agents shall not be required to risk or expend their own funds or otherwise incur any financial liability in the performance of any of their duties or in the exercise of any of their rights or powers hereunder if they shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it. Agents are not guaranteeing performance of or assuming any liability for the obligations of any TALF Agent, any Borrower or Lender hereunder.
- 16.3. To the extent that this Agreement requires Agents to make any calculations based on information provided to them, Agents shall make such calculations upon receipt of such information, except to the extent that such information is manifestly incorrect and/or is not provided to Agents by the time specified in this Agreement and/or where relevant, is not substantially in the form set forth in this Agreement. If information is not provided to Agents by the time specified in this Agreement and, where relevant, in the form set out in this Agreement, or if such information is manifestly incorrect, Agents shall use reasonable efforts to make the necessary calculations and shall incur no liability hereunder for any consequence resulting from making such calculation. Agents shall be entitled to rely on any representations, statements or information it receives from the parties hereto or their designee, legal counsel and independent accountants in connection with this Agreement (collectively, "**Statements**") and shall not be liable hereunder if Agents rely on Statements provided that such reliance is reasonable. Agents may rely on any notice, direction, instruction, instrument or document reasonably believed by them to be genuine and that appears to have been signed or presented in connection with this Agreement by an authorized

person, and shall not be deemed to have notice of any fact or matter unless and until written notice thereof referencing this Agreement shall have been received by Agents at the notice address provided for under Agents' signature lines on the signature page hereof.

- 16.4. Agents shall be responsible for maintaining and preserving their operations, facilities and systems (including their computer and communication systems) in a manner consistent with commercial and supervisory standards prevalent in their industry. Agents shall (i) enter into and shall maintain in effect, at all times during the term of this Agreement, with appropriate parties one or more agreements making reasonable provision for (x) periodic back-up of computer files and data with respect to the Master TALF Collateral Account, any Borrower Collateral Account and any TALF Disbursement Account and (y) emergency use of electronic data processing equipment to provide services under this Agreement, and (ii) maintain in effect, at all times during the term of this Agreement, such disaster recovery and business continuity capabilities as are commercially reasonable and appropriate to maintain the continuity of services hereunder in the event of a disaster. So long as Agents shall have complied with the foregoing maintenance and preservation requirements and provided that any delay or failure to take such action as may be required under this Agreement could not be prevented by the exercise of reasonable diligence by Agents, Agents shall not be responsible or liable for any failure or delay in the performance of their obligations under this Agreement to the extent that any such delay or failure is caused, directly or indirectly, by circumstances beyond their reasonable control, including without limitation, acts of God; earthquakes; fires; floods; wars; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; it being understood that Agents shall use their best efforts to resume performance as soon as practicable under the circumstances. The foregoing shall not relieve Agents from using their reasonable best efforts to perform their obligations in a timely manner in accordance with the terms of this Agreement.
- 16.5. Agents shall be under no obligation to inquire into, and shall not be liable for, any Losses incurred by any Borrower or any TALF Agent as a result of the receipt or acceptance of fraudulent, forged or invalid Collateral which otherwise is not freely transferable or deliverable without encumbrance in any relevant market.
- 16.6. Agents may subcontract the performance of their services hereunder only with the prior written consent of Lender and FRBNY. No such subcontract shall discharge Agents from their obligations hereunder. Neither Lender nor FRBNY shall bear any liability for consenting or withholding its consent to the subcontracting of any services hereunder.
- 16.7. Agents may rely on data supplied by third parties, including generally recognized pricing information service (including dealers of securities) (collectively, "**Third Party Data**"). Agents are authorized to utilize Third Party Data in order to perform their valuation responsibilities hereunder, and each TALF Agent and each Borrower agree to hold Agents harmless from and against any Losses incurred as a result of errors or omissions in Third Party Data. Third Party Data are obtained from sources that Agents believe to be reliable, and approved by FRBNY, but are provided without any independent investigation by Agents or FRBNY. None of Agents, Lender nor FRBNY represent or warrant to any

Borrower or TALF Agent that the Third Party Data are correct, complete or current. **AGENTS, LENDER and FRBNY ARE NOT RESPONSIBLE FOR ANY RESULTS OBTAINED FROM THE USE OF OR RELIANCE UPON THIRD PARTY DATA.**

17.0 LIMITED RECOURSE

Notwithstanding anything to the contrary contained in the Lending Agreement, (x) the Obligations of each Borrower are solely the obligations of such Borrower and (y) with respect to any Loan, the Obligations shall be payable solely to the extent of funds received (i) by Custodian in respect of interest and other payments on and principal payments of the Collateral securing such Loan and (ii) as a result of the exercise of remedies with respect to the Collateral securing such Loan pursuant to Section 14.1 or 14.2; *provided* that, with respect to the Obligations specified in the following clauses (1) through (5), the limited recourse provisions set forth in the preceding clause (y) shall be inapplicable and such Obligations shall be full recourse Obligations of the applicable Borrower: (1) all Obligations with respect to a Loan to the extent that the Borrower of such Loan is, at any time, not an Eligible Borrower (determined on the basis of the criteria applicable to “eligible borrowers” in effect at the time such Loan was borrowed or assumed), (2) all Obligations with respect to any and all Loans (whether the Loan Closing Date for the relevant Loan occurs before or after the date of the relevant event and whether the Applicable TALF Agent for the relevant Loan is the same as or different than for the Loan relating to the relevant event) if any of the representations and warranties made by such Borrower in Section 10.1(d) or Section 10.1(e)(v) are inaccurate or the Borrower breaches any covenant set forth in Section 11.2(m) or 11.2(n), (3) without limiting the provisions of the foregoing clause (2), all Obligations of a Borrower that arise as a result of the inaccuracy of any of the representations and warranties made by such Borrower in Section 10.1(c), 10.1(d) or 10.1(e), (4) all Obligations with respect to a Loan that arise pursuant to Lender’s reimbursement and repayment rights set forth in Sections 18.14 and 18.15 and (5) all Obligations with respect to a Loan if a Collateral Surrender and Acceptance Notice with respect thereto shall not have been delivered to Custodian in accordance with Section 13.2 on or prior to the Maturity Date of such Loan.

No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, any Borrower arising out of or based upon the Lending Agreement against Custodian, Administrator, any TALF Agent or any holder of any equity interests in or any Related Party thereof; *provided* that (i) recourse may be had against a TALF Agent in respect of any failure by such TALF Agent to perform any covenant or agreement undertaken by it in the Lending Agreement and any failure of any of the representations and warranties made by such TALF Agent in the Lending Agreement to be true and correct in all material respects when made (but in the case of the representations and warranties in Sections 10.1(d)(with respect to information obtained by such TALF Agent from third parties), 10.2(b), 10.2(c), 10.2(f) (with respect to information obtained by such TALF Agent from third parties), 10.2(g) and 10.2(h), only if such TALF Agent shall have failed to exercise reasonable care to confirm their accuracy) and (ii) the foregoing shall not relieve any such person or entity from any liability they might otherwise have as a result of gross negligence, willful misconduct or fraudulent actions taken or omissions by them.

The provisions of this Section shall survive the termination or expiration of this Agreement and, with respect to each Borrower, the payment in full of all of such Borrower’s Obligations.

18.0 MISCELLANEOUS

- 18.1. Lender is not obligated by the Lending Agreement or otherwise to make, increase, renew, or extend any Loan to any Borrower.
- 18.2. With respect to each Borrower, the amount of any Loan Repayment Amount and/or Obligation reflected on the books and records of Custodian is presumptive evidence of the amounts due and owing by such Borrower to Lender.
- 18.3. Except for the security granted to FRBNY, Lender shall not have a right to pledge or hypothecate its interests in any Collateral, and shall have no right to sell any Collateral except pursuant to Section 14.1 or 14.2 or except to the extent such Collateral has been surrendered to it pursuant to an effective Collateral Surrender.
- 18.4. The time zone prevailing in the State of New York shall be used to determine any deadline or other time hereunder or under the TALF Standing Loan Facility Procedures, including the time a Loan Repayment Amount or other Obligation is due and payable.
- 18.5. Each of Lender, FRBNY and Custodian may record telephone communications between itself and each TALF Agent and between itself and each Borrower, and such recordings may be submitted in evidence to any court or in any proceeding for the purpose of establishing any matters pertinent to the Lending Agreement.
- 18.6. Lender's rights and remedies under the Lending Agreement are in addition to any others agreed to by any Borrower or that may exist at law or in equity.
- 18.7. Any provision of the Lending Agreement that is unenforceable or invalid under any law in any jurisdiction is ineffective to the extent of such unenforceability or invalidity without affecting the enforceability or validity of any other provision, and any such unenforceability or invalidity shall not invalidate or render unenforceable such provision in any other jurisdiction.
- 18.8. The Lending Agreement is binding on the receivers, administrators, permitted assignees and successors, and legal representatives of each Borrower and inures to the benefit of Lender, FRBNY, Administrator, Custodian and their respective assignees and successors.

Each Borrower and each TALF Agent hereby consents to the assignment by Lender to any purchaser of Collateral (x) following a Collateral Surrender or (y) pursuant to Lender's exercise of remedies pursuant to Section 14.1 or 14.2 of this Agreement of (i) the representations and warranties of such Borrower and such TALF Agent under the Lending Agreement and (ii) the rights of recourse against such Borrower and such TALF Agent under Section 17.0 as if the Obligations secured by (or that had been secured by) such Collateral were owed to such purchaser.

- 18.9. Lender may sell, transfer, assign or participate to any other Person any or all of its rights and obligations under this Agreement, including any or all of its interests in any Loan, by executing an Assignment and Assumption substantially in the form of Appendix 3A. No Borrower may assign any of its rights or obligations hereunder except pursuant to a Permitted Loan and Collateral Transfer.

- 18.10. Lender is not required to provide a written advice to any Borrower for any Loan, Loan Repayment Amount or other Obligation or of the release of any Collateral; *provided* that reports with respect thereto shall be made available to each Borrower's Applicable TALF Agent from time to time by Administrator in accordance with the Collateral Custody and Administration Agreement.
- 18.11. Lender has no liability for acting in reliance upon any communication (including a fax, telex, electronic communication, or similar communication) reasonably believed by it to be genuine or to be sent by an individual acting on behalf of a Borrower.
- 18.12. Each TALF Agent acknowledges its obligation to comply with any tax withholding and reporting obligations that may be applicable to its activities hereunder (including in respect of payments to be made by it to its Applicable Borrowers) pursuant to applicable law.
- 18.13. A Borrower may, upon not less than ten Business Days' advance written notice to Custodian and Administrator (or such shorter period of time as Custodian, Administrator and FRBNY may agree to) from the Applicable TALF Agent with respect to any of its Loans, appoint a replacement Applicable TALF Agent (which shall be a TALF Agent) with respect to such Loan (any such replacement, a **"Replacement TALF Agent"**). Such appointment shall be effective upon written confirmation by the Replacement TALF Agent to Custodian and to the Applicable TALF Agent being replaced that it has accepted such appointment and agreed to act in such capacity with respect to such Loan and to perform all obligations with respect thereto set forth in this Agreement; *provided*, that no such appointment shall be effective unless (x) Custodian shall have been provided with a copy of such Replacement TALF Agent's Letter of Agreement (to the extent it does not already have a copy of same) and (y) in the case of a Replacement TALF Agent that is not already acting on behalf of a Borrower with respect to another Loan made hereunder, Custodian shall have satisfied its obligations under its "know-your-customer" and anti-money laundering compliance programs. Upon the effectiveness of any such appointment, such Replacement TALF Agent shall be deemed to be the Applicable TALF Agent with respect to such Loan for all purposes of this Agreement.
- 18.14. Each Borrower hereby acknowledges and agrees that, solely to the extent that Custodian makes payment on behalf of such Borrower in respect of the interest on, or principal of, any Loan on the basis of any Interest Receipts or Principal Receipts erroneously credited to the account of such Borrower and subsequently reversed by the issuer of the applicable Collateral or its agent, (x) Custodian shall, to the extent permitted by applicable law, have a right of set-off against amounts credited to the Master TALF Collateral Account or the applicable Borrower Collateral Account in respect of such Collateral and (y) Lender shall have a corresponding right of reimbursement against such Borrower for any amounts that, but for the exercise of any such set-off by Custodian, would have been paid to, or retained by, Lender.
- 18.15. Each Borrower hereby acknowledges and agrees that to the extent that it receives any Principal Receipts with respect to any Item of Collateral for any Loan Accrual Period as a result of Custodian not effecting the adjustment contemplated by Section 5.3-1 in the circumstances contemplated by the proviso thereto (any such Principal Receipts, **"Applicable Principal Receipts"**), (x) such Borrower shall, promptly upon request of Lender (made through the Applicable

TALF Agent) (such request, a “**Request**”), repay to Lender all such Applicable Principal Receipts (and the outstanding principal amount of the applicable Loan shall be reduced to the extent such Applicable Principal Receipts are repaid to Lender) and (y) if following receipt of a Request such Borrower shall have failed to repay all such Applicable Principal Receipts to Lender by the fifth Business Day preceding the next succeeding Payment Date (the amount of Applicable Principal Receipts not so repaid, the “**Excess Principal Receipts**”), Lender shall have the right to apply all Interest Receipts in respect of the applicable Item of Collateral on such Payment Date (and on each subsequent Payment Date) to repay the outstanding principal amount of the applicable Loan in an aggregate amount not to exceed the amount of the Excess Principal Receipts, in lieu of the application of such Interest Receipts contemplated by clause *Then* of Section 4.3.

- 18.16. Each Borrower, each TALF Agent, Administrator and Custodian waives any right to presentment, notice of dishonor, protest, and any other notice of any kind except as expressly provided for herein.
- 18.17. Each Borrower hereby acknowledges and agrees that the Board, the United States Department of the Treasury and FRBNY may make public disclosures regarding any transactions with such Borrower hereunder, including without limitation disclosures that are required under applicable law, and that the information disclosed by the Board may include the identity of such Borrower, the identity of investors in and principals of such Borrower, identifying details concerning the Collateral securing any Loan of such Borrower, the date and amount of Loans to such Borrower, the form in which such credit was provided and other material terms regarding the extension of credit to such Borrower.
- 18.18. The Section headings used herein are for convenience only and are not to affect the construction hereof or be taken into consideration in the construction hereof.
- 18.19. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Agreement to have the same force and effect as manual signatures. Each party agrees to not contest, call into question or otherwise challenge, in each such case, on the grounds that such signature was in electronic form, the validity or enforceability of any electronic signature (or the authority of the electronic signer to sign) or raise any of the foregoing as a defense or counterclaim. Further, the parties hereto agree that electronic signature means a symbol or signature, or process attached to, or associated with, a contract (including any amendments or supplements) or other document or record and adopted by a contracting party with the intent to sign, authenticate or accept such contract, document or record. Notwithstanding anything in this Agreement to the contrary, if for any reason an electronic signature is held invalid or unenforceable by a court of competent authority solely due to the signature being in electronic form, the parties agree to work in good faith to execute such other instrument, agreement, amendment or modification to make the invalid or unenforceable agreement or note, as applicable, valid and enforceable on the same terms and with the same effect as if such initial agreement or note, as applicable, were valid and enforceable and upon the effectiveness of such instrument, agreement, amendment or modification no default shall be deemed to have occurred under this Agreement. Delivery of an executed signature page

of this Agreement by email or facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Lender.

- 18.20. Each party hereto acknowledges and agrees that FRBNY, as managing member of Lender, is authorized to provide instructions and act on behalf of Lender.
- 18.21. Each party hereto hereby covenants and agrees that it will not prior to the date that is one year (or, if longer, the applicable preference period then in effect) plus one day after the first day on which all of obligations of Lender to FRBNY have been paid in full (x) commence or institute against Lender or join with or facilitate any other Person in commencing or instituting against Lender, any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, receivership, insolvency or liquidation proceedings, or other proceedings under any United States Federal or state, or other jurisdiction, bankruptcy or similar law or statute now or hereafter in effect in connection with any obligations relating to this Agreement or (y) participate in any assignment for benefit of creditors, compositions, or arrangements with respect to Lender's debts. The agreements in this Section 18.21 shall survive the termination of this Agreement.

19.0 PERMITTED LOAN AND COLLATERAL TRANSFER

- 19.1. Pursuant to a Permitted Loan and Collateral Transfer, a Borrower (the "**Assignor**") may assign all of its Obligations with respect to a Loan (a "**Loan Assignment**") to another Eligible Borrower (the "**Assignee**").
- 19.2. To effect a Loan Assignment, the Applicable TALF Agent of the Assignor shall deliver to Lender an assignment and assumption in the form of Appendix 3B, executed by (x) such Applicable TALF Agent and (y) the Applicable TALF Agent of the Assignee; *provided* that a Loan Assignment shall only become effective when and if (i) Lender shall have consented thereto (such consent to be evidenced by Lender's signature to the assignment and assumption), (ii) Lender shall have received from the Assignee certifications in the forms set forth in Appendix 2B and Appendix 2C attached hereto and (iii) the Collateral securing the applicable Loan has been sold or transferred to the Assignee; *provided further*, that such Collateral shall at all times remain in the Master TALF Collateral Account or a Borrower Collateral Account as Collateral for such Loan.
- 19.3. Lender may delay or withhold its consent to any Loan Assignment for any reason and for any period of time. Without limiting the foregoing, in the case of a proposed Permitted Loan and Collateral Transfer involving a Loan secured by CMBS Collateral, Lender may condition its consent on the making by the Assignee of such additional representations and warranties concerning such CMBS Collateral as Lender shall require at such time (if any).
- 19.4. The parties hereto acknowledge that Lender shall not consent to any Loan Assignment after the date specified in the TALF Standing Loan Facility Procedures.
- 19.5. Copies of each fully executed assignment and assumption shall be delivered by Lender to Custodian and Administrator. Copies of the documentation effecting the sale or transfer of Collateral described in the preceding Section 19.2 shall be delivered by each of the Applicable TALF Agents to Custodian and Administrator.

20.0 AMENDMENT

Lender, in its sole discretion, may amend the Lending Agreement; *provided*, that no such amendment shall affect the rights or obligations of Custodian or Administrator without such Person's consent. Lender shall notify each TALF Agent, Administrator and Custodian (via a posting to the TALF Website) of any such amendment and, thereafter, any pledge of Collateral, request for any Loan or incurrence of any other Obligation shall constitute the applicable Borrower's agreement to such amendment as of the effective date of such amendment; *provided, however*, that no such amendment shall affect the rights or obligations of any Borrower or any TALF Agent with respect to any Loan outstanding prior to the effectiveness of such amendment. Notwithstanding the foregoing, any pledge of Collateral, request for any Loan or incurrence of any other Obligation on or after the First Amendment Effective Date shall constitute the applicable Borrower's deemed agreement to the applicability of the provisions set forth in Section 5.5(b) and clause (2) of the proviso to Section 17.0 in relation to Loans advanced prior to the First Amendment Effective Date.

21.0 NOTICE

21.1. Except as set forth in Section 20.0, any notice or other communication in respect of this Agreement may be given in any manner set forth below to the addresses or numbers or in accordance with the e-mail or electronic messaging system details provided in or pursuant to this Agreement with respect to the receiving party (the "**recipient**") and will be deemed effective as indicated:

- (a) if in writing and delivered in person or by courier, on the date it is delivered;
- (b) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted;
- (c) if sent by electronic messaging system, on the date that electronic message is received;
- (d) if sent by e-mail, on the date that e-mail is delivered; or
- (e) if by telephone or other oral communication, on the date that oral communication occurred, provided that such oral communication either is confirmed promptly in writing by at least one of the methods specified in (a) to (d) above or is recorded,

unless the date of the delivery (or attempted delivery), the receipt or the occurrence, as applicable, is not a Business Day or that communication is delivered (or attempted), received or shall have occurred, as applicable, after the close of business on a Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Business Day.

21.2. If sent to a TALF Agent, the notice must be addressed as indicated by such TALF Agent in its Letter of Agreement, or as otherwise specified by such person in a record.

21.3. If sent to Lender, Administrator or Custodian, the notice must be addressed as specified below such Person's signature on the signature pages hereof. Notices

and other communications delivered to Lender pursuant to this Agreement shall be deemed given to FRBNY and deemed effective as to FRBNY at the same time they are deemed effective with respect to Lender.

21.4. **Lender shall have no obligation to provide any notices or other communications relating to this Agreement directly to any Borrower. All notices to be delivered to a Borrower shall be delivered to such Borrower's Applicable TALF Agent for further distribution to such Borrower.**

21.5. Each Borrower agrees that it shall not send any notices or other communications pertaining to this Agreement directly to Lender. Any such notices or communications intended for Lender shall be made exclusively through such Borrower's Applicable TALF Agent. Each TALF Agent consents to the foregoing and agrees to promptly (and in any event within one Business Day of receipt thereof) provide to Lender any such notices or communications that it receives from its Applicable Borrowers.

22.0 TERMINATION

A TALF Agent may terminate its consent to be bound by the Lending Agreement by giving written notice to Lender, so long as no Loan Repayment Amount and no other Obligation of any of its Applicable Borrowers is then outstanding; *provided* that thereafter such TALF Agent shall not be entitled to request any Loans on behalf of its customers pursuant to the TALF Standing Loan Facility; *provided, further*, that any such termination shall not relieve such TALF Agent of any liability or obligation arising hereunder prior to the date of such termination. Notice of termination shall not affect the rights and remedies with respect to any breach of any representation and warranty made by the Borrower or the TALF Agent pursuant to Section 10 or the provisions of Section 15, Section 17, Section 18.21 and any other provision of the Lending Agreement which by its terms survives termination of the Lending Agreement.

Each TALF Agent acknowledges that Lender shall have the right to terminate, at any time and in its sole discretion, such TALF Agent's right to submit Loan Requests by written notice to such TALF Agent; *provided*, in each case, that any such termination shall not affect such TALF Agent's obligations hereunder with respect to any Loans previously made to its Applicable Borrowers.

23.0 GOVERNING LAW

The Lending Agreement, including any Loan or any other transaction entered into pursuant thereto, and the rights and obligations of the parties thereunder shall be governed by, and construed and interpreted in accordance with, the law of the State of New York. The Lending Agreement is a security agreement for purposes of the UCC, as in effect in the State of New York, and other applicable law.

24.0 WAIVER OF JURY TRIAL

EACH PARTY HERETO (INCLUDING EACH BORROWER) HEREBY UNCONDITIONALLY AND IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, COUNTERCLAIM, OR CROSS CLAIM ARISING IN CONNECTION WITH, OUT OF, OR OTHERWISE RELATING TO THE LENDING AGREEMENT, THE COLLATERAL, OR ANY TRANSACTION OR AGREEMENT ARISING THEREFROM OR RELATED THERETO.

25.0 STATUS OF OTHER AGREEMENTS

The Lending Agreement and the TALF Standing Loan Facility Procedures represent the sole agreements and understandings with Lender governing or relating to loans to be made pursuant to TALF.

26.0 BINDING EFFECT

Delivery to Lender of a Letter of Agreement by a TALF Agent shall evidence such TALF Agent's agreement to be bound by the terms hereof. Upon such delivery by any such TALF Agent, this Agreement shall become binding as to such TALF Agent. Promptly upon receipt thereof, Lender shall provide to Custodian a copy of each executed Letter of Agreement.

This Agreement shall be binding as to each Borrower upon the making of any Loan to such Borrower.

IN WITNESS WHEREOF, Lender, Administrator and Custodian have caused this Agreement to be duly executed and delivered by their proper and duly authorized signatories as of the ____ day of May, 2020.

APPENDIX 2B: FORM OF BORROWER SOLVENCY AND INADEQUATE CREDIT ACCOMMODATIONS CERTIFICATION

Date: []

[TALF Agent Notice Address]

I, the undersigned Chief Executive Officer or other authorized officer of the eligible borrower named below (the "Borrower"), hereby attest that, as of the date hereof, and shall be deemed to attest that, as of the date of any borrowing made under that certain Master Loan and Security Agreement (as such agreement may be amended from time to time, the "MLSA") for the Term Asset-Backed Securities Loan Facility (the "TALF" or the "Facility") authorized by the Board of Governors of the Federal Reserve System (the "Board") on March 23, 2020, as such authorization may be amended from time to time, under section 13(3) of the Federal Reserve Act, (1) the Borrower is unable to secure adequate credit accommodations from other banking institutions, and (2) the Borrower is not insolvent. For the purposes of this certification, the Borrower is insolvent (as defined in paragraph B(ii) of section 13(3) of the Federal Reserve Act and section 201.4(d)(5)(iii) of the Board's Regulation A) if it is in bankruptcy, resolution under Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or any other Federal or State insolvency proceeding, or fails to generally pay undisputed debts as they become due during the 90 days preceding the date of borrowing under the TALF.

Appendix 2B-1

APPENDIX 2C: FORM OF BORROWER CONFLICTS OF INTEREST CERTIFICATION

Conflict of Interest Certification

Section 4019 of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") prohibits entities in which certain government officials and some of their immediate family members have a "controlling interest" from participating in certain government programs.

Section 4019(c) of the CARES Act requires the principal executive officer and principal financial officer (or individuals performing similar functions) of any eligible borrower ("Borrower") from the Term Asset-Backed Securities Loan Facility ("TALF") to certify to the Secretary of the Treasury ("Secretary") and the Board of Governors of the Federal Reserve System ("Board") that the Borrower is not a Covered Entity.

Identifying a Covered Entity

Covered Entity: "Covered Entity" means an entity in which a Covered Individual directly or indirectly holds a Controlling Interest.

Covered Individual: "Covered Individual" means the President, the Vice President, the head of an Executive department as defined in 5 U.S.C. § 101, or a member of Congress (each a "Government Official" and collectively "Government Officials"), and the spouse, child, son-in-law, or daughter-in-law, as determined under applicable common law, of the Government Official (each a "Family Member" and any group of which are "Family Members"). The term "child" includes a step-child, but the term "spouse" does not include an ex-spouse. To determine a Covered Individual's equity interest in an entity, the Government Official's and Family Members' equity interests shall be aggregated.

Controlling Interest: Holds a "Controlling Interest" means owning, controlling, or holding not less than 20 percent, by vote or value, of the outstanding amount of any class of equity interest in an entity. An "equity interest" means (a) shares, (b) capital or profit interest in a limited liability company or partnership, or (c) a warrant or right (other than a right to convert) to purchase, sell, or subscribe to any such equity interest.

The determination of whether a Covered Individual directly or indirectly holds a Controlling Interest in an entity must take into account a Covered Individual's direct interest in the entity as well as a Covered Individual's interest in any entity that directly or indirectly has an interest in such entity (e.g., the entity's parents).

Direct Interests: If a Covered Individual directly owns, controls, or holds 20 percent or more, by vote or value, of the outstanding amount of any class of equity interest in any with the Borrower, that entity is a Covered Entity.

Indirect Interests: For the purpose of determining the amount of an equity interest indirectly owned or held by a Covered Individual in an entity:

- A Covered Individual's indirect equity interest by value (i.e., economic interest that may or may not include voting rights) shall be calculated on a proportional basis, taking into account any partial ownership of the relevant entity's parents.
- For example, if a Government Official owns 25 percent of the economic interest in Company A, and Company A owns 40 percent of the outstanding amount of a class of voting securities of Company B, the Government Official is deemed to own 10 percent of the class of voting securities of Company B.

For the purpose of determining the amount of an equity interest indirectly controlled by a Covered Individual in an entity:

- A Covered Individual shall be deemed to indirectly control an equity interest in an entity if he or she controls, directly or indirectly, the entity that owns or holds the equity interest.
- An individual or entity shall be deemed to control another entity only when the individual or entity owns or holds a majority of the voting interest in such entity, or is, or holds a majority of the voting interest in, the general partner of such entity.
- For example, if a Government Official owns a 51 percent voting interest in Company A, which owns a 51 percent voting interest in Company B, which owns 20 percent of the equity interests of Company C, the Government Official shall be deemed to control 20 percent of the equity interests of Company C.

Shares: A share is considered an ownership interest without regard to whether the share is transferrable or classified as stock or anything similar and without regard to whether the share is a voting security. For example, a nonvoting preferred share would be considered a share.

Warrants or rights: If the Covered Individual has warrants or other rights (other than a right to convert), calculate the Covered Individual's interest in the underlying equity interest on a fully diluted basis assuming that both the individual and other holders of such warrants or rights have exercised such interests. Warrants, options, and similar rights must be counted even if they are unexercised or "out of the money." For example, when calculating an individual's percentage in an equity interest, use the following formula:

$$\frac{(\text{Individual's shares in a class}) + (\text{Individual's options and warrants in that class})}{(\text{Total outstanding shares in that class, assuming all warrants or rights are exercised})}$$

Basis for Certification: Reasonable Diligence

In light of limited public information on ownership interests of Government Officials, and that the identities of Government Officials' Family Members are not disclosed or reported in any routine or comprehensive manner, it is necessary to prescribe the level of diligence required to make a conflict of interest certification in good faith. To determine whether any Covered Individual holds a Controlling Interest in an entity, it is necessary and sufficient for the entity to undertake the following reasonable diligence:

1. Entities must take into account the ownership, control, and holding of any equity interest of any size if the entity has actual knowledge that a Covered Individual, directly or indirectly, owns, controls, or holds the interest.
2. Entities must determine the beneficial owner of any 5 percent or greater equity interest of the entity and determine whether such beneficial owner is a Covered Individual by (i) checking the name of each such beneficial owner against a list of all Government Officials and, (ii) if the entity has not otherwise been able to confirm whether such beneficial owner is a Family Member, by asking each such beneficial owner whether the owner is a Family Member. If the aggregate amount of equity interests owned by the identified beneficial owners, together with the aggregate percentage ownership determined from actual knowledge in (1) above, is less than 20 percent, an entity need not determine if the identified beneficial owners are Family Members.

To determine the identity of beneficial owners of publicly traded securities, issuers may rely on information disclosed by such persons in reporting under Section 13(d) and 13(g) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(d), 78m(g)).

Signatures

The certification must be signed by the principal executive officer and the principal financial officer of the entity, or individuals performing similar functions ("Authorized Officers"). By signing this certification, the Authorized Officers acknowledge that, in the case of any knowing and willful misrepresentation or omission of a material fact, the Secretary, Board, or the Federal Reserve Bank of New York may refer the matter to the relevant law enforcement authorities for investigation and possible action in accordance with applicable criminal and civil law. See, e.g., 18 U.S.C. § 1001; 31 U.S.C. § 3729.

Good Faith Certification

Pursuant to section 4019(c) of the CARES Act, to the best of my knowledge and based on reasonable diligence, I certify to the Secretary of the Treasury and the Board of Governors of the Federal Reserve System that [Entity Name] is not a covered entity, as that term is defined in section 4019(a)(2) of the CARES Act.

I further certify that, prior to September 30, 2020, or such later date to which the TALF is extended by the Board and the Secretary, [Entity Name] will immediately notify the Secretary and the Board if [Entity Name] becomes a covered entity, as that term is defined in section 4019(a)(2) of the CARES Act. If [Entity Name] becomes a covered entity, [Entity Name] will not enter into any transaction with the TALF.

The entity named on the signature page hereof (the "**Borrower**") wishes to participate in the Term Asset-Backed Loan Facility (the "**TALF**") authorized by the Board of Governors of the Federal Reserve System and approved by the Secretary of the Treasury on March 23, 2020, as such authorization may be amended from time to time, under section 13(3) of the Federal Reserve Act, 12 U.S.C. § 343.

Under the TALF, which is being provided by the Federal Reserve Bank of New York (the "**FRBNY**"), to which the Department of the Treasury is providing equity, eligible borrowers may receive loans collateralized by eligible collateral.

The Borrower has made certain certifications (the "**CARES Act Certifications**") regarding the conflict of interest requirement in section 4019 of the Coronavirus Aid, Relief, and Economic Security Act.

With respect to the CARES Act Certification, the Borrower agrees to maintain records containing the bases for the certifications (the "**File**") and agrees to make available to the FRBNY, as promptly as practicable upon request of the FRBNY, either an attestation by an external auditor that the auditor has examined the File and has found it sufficient to support the certifications or a copy of the File for the FRBNY's own inspection or review. If the Borrower submits an attestation by an external auditor, the

FRBNY reserves the right to request a copy of the File for its own inspection or review.
